Welcome Center Design Team Meeting NOTES

Meeting held on 10/15/2024.

Meeting Agenda

- Review information from last meeting
- Learn about the work happening with our interior design subcommittee
- Engage in hearing stories collected form conversations as we prepare to think about human-centered systems.

Meeting highlights

- Design team community agreements is now published.

- Group building tour feedback notes - compiled and grouped, presented to the team for comments:

    - Focus on language / cultural sensitivity – inclusive and diverse environment. The goal is to ensure people feel welcomed, valued, seen, and heard.
    - Hiring, training and retention will be key to having the right talent.
    - Strongly consider other community partner expansion (integration / corporation)
    - Family engagement recourse expansion. How can this program live in a virtual space?
    - Community outreach / comprehensive program awareness plan highly recommended

- V.2 design layout shared - emphasis on flexibility as the program evolves

    - Center services and capabilities will be released in phases.
    - Space and program feedback loop. Need definition and metrics to track.
    - Confidential / privacy areas

Next Steps:

- "How to build human relationships into the space" will be key topic to expand upon and define outline during next meeting.
- Ongoing update on center buildout and design

REMINDER

To facilitate third party visibility into the Welcome Center development workflow, an addition has been added to the Bellevue School District website.
