Facility Use Program Guidelines and Procedures

To manage requests and expenses related to facility use, District 115 administration has established procedures to request use of a facility. It is important to note that scheduling for the use of the district facilities and fields are secondary to approved curricular programs and approved extra-curricular and co-curricular student activities. Additionally, the district may cancel rentals that conflict with the best interests of the district or in the event of a school closure.

1. Facility use applications may be obtained and submitted through the [Y115 District website](#).
2. No facility or rental date can be granted until the proper completed application forms are received by the district. Charges will be assessed at the rates shown on the contract.
3. Open registration is from August 1-August 31. Rentals will be scheduled based on rental category and timestamp of completed application. Renters will be notified if their request has been fulfilled.
4. Renters may only use the rooms or spaces designated in the rental agreement during the agreed upon times. Accessing any room or area not outlined in the rental agreement is prohibited.
5. The district reserves the right to deny any rental request made in advance for the rental of any district facility if the Executive Director of Facility Operations should decide that the contract is not in the best interest of the school district and public.
6. In the event of an emergency school closure which requires all scheduled events on school grounds to be canceled, no fees will be charged.
7. Renters must supply adequate supervision to ensure proper care and use of school facilities.
8. Spiked shoes and hard balls may not be used, under any circumstances, within school buildings (e.g. within a school gymnasium).
9. Signs, displays, or materials may not be attached, nailed, or otherwise affixed or cause damage to walls.
10. No portion of sidewalks, entries, passageways, aisles, elevators, windows, or other ways of access to the facilities or their utilities shall be obstructed, or cause to be used for any purpose other than egress.
11. Exterior and stairwell doors may not be propped open at any time.
12. In all cases of facility use, the user is responsible for maintaining the facility and will be charged for any damages, accidental or intentional, which arise during or result from the use. Charges also will be made against the user if extra time must be spent in cleaning after the use of the facility. Use of facilities may be terminated if restitution is not made within a reasonable amount of time.
13. Renters with scheduled events after regular school hours shall ensure proper response to emergency situations as outlined on the quick reference guide. Renters are responsible for reviewing the quick reference guide with all supervisors associated with the event.

14. All events are subject to a \$20 cancellation fee should they not be canceled within a 48 hours notice. Should any organization not show up for the scheduled event and/or not notify the Facility Operations Department by emailing sranderson@y115.org the full room and staff fees will apply. All cancellations must be in writing via email to the district's Building Operations Supervisor or Executive Director of Facility Operations.
15. Renters shall not assign or subcontract any facility, or area therein, nor any rights under a contract to another party. Any party other than the renter must execute a separate contract with the district.
16. District 115 is drug and alcohol free. No smoking, vaping, etc. or alcoholic beverages are allowed anywhere on district property.
17. No refreshments are to be served or sold on school property, or in the building, except in the appropriate facilities and only with the prior approval of the Facility Operations Department.
18. Open flame is prohibited on school property.
