The image shows two parts of the Schoolology interface. On the left is the 'Sign up for Schoolology' form. It includes a 'Back' link, a unique code 'T28N-8HWV-C274', and input fields for first name ('Jane'), last name ('Doe'), email ('name@example.com'), and two password fields. There are checkboxes for 'Subscribe me to the Schoolology Exchange blog' and 'By clicking Register, you are agreeing to our Privacy Policy and Terms of Use'. A blue 'Register' button is at the bottom. On the right is a user profile dropdown menu. It shows a notification icon, a profile icon, and the text 'Parent Name' with a down arrow. The menu is open, showing options: 'Parent Name' with a green checkmark, 'Child Name' (Fair Lakes Academy), 'Add Child' with a plus icon, 'Your Profile', 'Fair Lakes Academy', 'Settings', 'Subscriptions', and 'Logout' with an exit icon.

6. You also have the option to associate additional children using Schoolology with this account. To associate additional children, click the down-facing arrow in the top right of your Schoolology account, select **Add Child**, and enter the Parent Access Code of your other child/children.
