What is My Role in Supporting My Child's Success?

Parents are an important part of the Title I team and are partners with the school in helping their students achieve.

As the parent of a child in a Title I school, you have the right to:
Be engaged in the planning and implementation of the parent and family engagement plan and program in your school.

Ask to read the progress reports on your child and school.

Request information about the professional qualifications of your child's teacher(s) and/or paraprofessionals, including the degrees and certifications held and whether the teacher is certified in their respective area of instruction.

Help to decide if Title I is meeting your child's needs, and offer suggestions for improvement.

Ask about your child's school designation under the Every Student Succeeds Act (ESSA), Title I, Part A.

Know if your child has been assigned or has been taught for four or more consecutive weeks by a teacher who does not meet applicable State certification, licensure requirements, or district requirements for certification.

LADY HUSKIES DEBUT

The Lady Huskies had their season debut on 10/3 against the Macon County Bulldogs and game two of the paly date against the Northside Eagles of Warner Robins. The Huskies came out strong with a decisive win over the Bulldogs 20-6 but fell short to Northside WR 14-7. All the ladies played aggressively and consistently the entire game but there were standouts. The Offensive Player of the Game is QB, #8, S. Coleman. In the game against Macon Co. Coleman scored 1 touchdown and completed 2 other touchdown passes as well as extra point attempts. She also scored the touchdown and extra point in the game against Northside. LB, C. Clark, #2 is the Defensive Player of the Game. Clark applied pressure on the other sides offense consistently throughout both games. On one blitz she forced a throw that was intercepted by our safety, #1, D. Andrews. Clark fueled the defense in both games with energy, encouragement and next play attitude. As their Coach I am beyond excited to make adjustments and see what the rest of the season has in store.

MEDIA LITERACY AND YOU

A digital citizen is a person who develops the skills and knowledge to effectively use the internet and other **digital** technology, especially in order to participate responsibly in social and civic activities.

How can I create media balance in my life?

<https://youtu.be/USIHqNfwK4>

How can I keep my private information safe?

<https://youtu.be/RQqX5b5HWmY>

How can I build a digital footprint I'm proud of?

<https://youtu.be/pM7IPgMulHk>

Teach students to conduct data mines (on themselves).

Students should do this every 3-6 months. While many will Google their names, we need to teach them to dig deeper. Here are some general guidelines to follow:

- Log out of internet browsers before searching (staying logged in can affect the results).
- Search (using quotation marks) full legal names, nicknames and usernames.
- Search Google Images with names/usernames.
- Use multiple browsers, such as Chrome, Bing, Yahoo, Safari and Firefox.
- Look beyond the first page of the results. Go at least five pages deep until the name/username no longer appears. Take note of what kind of results appear (presentations/social media/images/etc.).

Stress the importance of digital maintenance.

- Remind students to backup Drive files, important emails, smartphone photos/apps/etc. at least once a month.
- Reiterate the importance of logging out of accounts, not simply closing the browser window.

LAPTOP INFORMATION AND CARE

•Students are not allowed to use personal devices at school. All students must use a school issued device during the school to complete assignments. Visit the media center to check out a laptop if

you do not have a school issued device.

***Remember to bring your charged laptop to school daily and keep up with your charger!**

*Always keep your laptop closed when you need to walk with your laptop and it's not in the carrying case.

•Never carry your laptop while open or lift the laptop by the screen/monitor! Handling your laptop in this manner can damage your screen.

•Do not place paper/objects between your keyboard and monitor, it will crack your screen!

•Keep drinks and liquids away from your computer. A spill can damage the hard drive and the motherboard. These type of damages may cost the same price as a new laptop to replace, Please be careful!
