## OUR PROGRAM'S STORY

Rockwall ISD's Culinary program started in 2009 with about 60 students and has grown to well over 300 students. It continues to impact students and our community with our student-operated restaurant, Crave Cafe.

The Crave Cafe allows for unique opportunities and real-world experiences to prepare our students for leadership roles in the future. Through these experiences, the program has produced industry leaders, state champions, national champions, and lifelong learners who continuously represent our program in our global community.

Thank you for supporting our students and program.
