DCS P2 Character Trait  
for the Week:

**Bravery**

THE  
**POSITIVITY  
PROJECT**

## **Bravery**

Bravery refers to voluntary (not coerced) action in the face of a dangerous circumstance.

Bravery can take many forms. Physical bravery involves overcoming fear. Moral bravery occurs when an individual does what he/she believes is right. Mental bravery occurs when people overcome their everyday fears and anxieties.

Each week we will be incorporating different character traits into our daily lessons here at school.
