Fall, 2024

Dear Friends of the Campbell Memorial High School Alumni Association,

We hope this correspondence finds you healthy, happy, and safe.

This past April, the Campbell Memorial High School Alumni Association was honored to induct 8 remarkable Red Devil Alumni, who have made significant contributions to our Campbell community, our children and our world, into our 5th Hall of Fame class.

Our celebration of all things Campbell will continue for those who attend our next All Alumni Reunion on October 25, 2025 at Mr. Anthony's Banquet Center. Please make every effort to attend!

In June, the alumni association awarded 35 scholarships amounting to \$54,000 (our highest amount ever) during the 2024 Senior Awards Ceremony. This increases the scholarship funds we have awarded to our students to the amount of \$339,000. We are eternally grateful to our individual and group scholarship sponsors, and all of our Red Devil alumni, for their continued support.

Your efforts to assist our high school seniors, continuing education students and post graduates are truly commendable and readily demonstrate our Red Devil pride. However, like any organization, additional funding is required to continue our mission, therefore, we are once again asking for your support through our 50/50 raffle.

Each entry costs \$10 or purchase 7 entries for \$50. We will hold the drawing during our February 2025 meeting. Last year's drawing resulted in a payout of \$2,500.

We thank you in advance for your consideration and generosity.

Please stay Safe and Red Devil Strong,
The Campbell Memorial High School Alumni Association

Please send your entry in the enclosed envelope by December 31, 2024 *(Check of Credit Card Information)*
