FAQS

Will a Business Course fit in my schedule?

Yes! Courses in the Business Dept. are one semester and a great elective option to fit in any schedule. Starting next year, we will also be offering Word Apps. and Computer Apps. as a year-long course during Study Hall.

Am I required to take a Business course?

Although it is not required, a Business Course will help fulfill requirements for graduation.

I'm not interested in a career in Business. Why should I take this course?

Business Courses will teach you many skills needed for any career, such as financial literacy, computer proficiency, public speaking, and much more!

What co-curricular opportunities are available?

We offer DECA, which is a club that prepares students for careers in marketing, finance, hospitality and management. If you are interested in Business, this is the club for you!
