★ College & Career  
Access Pathways  
(CCAP) ★

# Independent High School Students

- **9-12 grade** students taking classes for enrichment or credit recovery
  - Traditionally come to Foothill campus to take classes
- Can enroll in **11 units** in the Fall, Winter, Spring (**6 units** in the Summer) and have tuition fees waived
- Can have **access to Foothill's services** like other college students

# Middle College

## Middle College at De Anza for Fremont HS Students

An educational alternative **for FUHSD juniors and seniors** who need a different high school environment in order to achieve success. Students **earn high school and college credit simultaneously**, complete requirements for high school graduation and explore individual interests through a diverse college curriculum.

Middle College program benefits include:

- a **wide array of course choices at De Anza College**;
- daily schedule flexibility;
- **one-on-one support** from the Middle College advisors/teachers, as well as from an **on-site Middle College guidance counselor**;
- access to services and opportunities at De Anza College, from **tutoring** to **clubs and student government**;
- **ability to earn college credits without taking AP exams**;
- participation in high school clubs, activities, and sports that occur after regular high school hours (does not include leadership).

# College & Career Access Pathways (CCAP) & AB288

## CCAP Classes

Agreement between Foothill and high school to provide **closed** classes for high school students

Classes are traditionally held at the high school

Career Technical Education (CTE) or transfer preparation

Purpose is to serve **underrepresented students** or **students who are not college bound**

Students can enroll in up to **15 units** each term and have tuition fees waived
