Maintaining balance, health, and rest. Remember there are resources available on campus to support your students (academic, mental health, community resources).

Doing their best in their classes - junior year grades count towards the A-G GPA for UC/CSU's.

Exploring potential career options and making a post-secondary plan.

Reaching out to teachers and working with them if they need help in their classes - take advantage of tutorials. Meeting with their counselor to make a plan if credit recovery is needed.

Preparing for and taking SAT/ACT if necessary.
