

FUNDRAISING ACTIVITIES INVOLVING STUDENTS

The Board of Directors acknowledges that the solicitation of funds from students, staff and citizens must be limited because students are a captive audience and because solicitation can disrupt the program of the schools. Solicitation and collection of money by students for any purpose including the collection of money in exchange for tickets, papers, magazine subscriptions, or for any other goods or services for the benefit of an approved school organization may be permitted by the superintendent (or designee), providing that the instructional program is not adversely affected. It is expected that all fundraising activities will enhance the educational programs, activities, and goals of the District.

The Board recognizes the need for all fundraising activities to be planned and authorized in such a way that the safety of students is guarded, the parents/guardians and school community are informed in advance of funds raised are accounted for in accordance with established financial procedures. Therefore, the superintendent (or designee) will establish rules and regulations for the solicitation of funds by approved school organizations, official school-parent groups and by outside organizations. The principal will distribute these rules and regulations to each student organization granted permission to solicit funds. Procedures shall be designed to protect students, parents, teachers, and school administrators from commercialization and fundraising efforts that are exploitative, coercive, disruptive to the educational process, threatening to the health and welfare of students, or lacking in educational merit.
