

EMPLOYMENT AND COMPENSATION

The District desires to maintain a productive, efficient, effective, healthy, and safe work environment and, as a result, will conduct pre-employment reference checks, background checks, and/or other investigations of employees as necessary. Because the District is committed to ensuring that information upon which employment decisions are based is accurate and complete, it is the policy of the District to verify employment information prior to making an offer of employment.

Moreover, the District is committed to responding in a consistent manner whenever inquiries are received requesting information regarding current or former employees of the District.

The District shall not enter into an agreement that:

- Has the effect of suppressing information relating to an investigation concerning a report of suspected abuse or sexual misconduct by a current or former employee.
- Affects the ability of the District to report suspected abuse or sexual misconduct to the appropriate authorities.
- Requires the District to expunge information about allegations or findings of suspected abuse or sexual misconduct from any documents maintained by the District unless, after investigating the alleged violation, the District determines that the allegations were false, unfounded, unsubstantiated or inconclusive.

The Superintendent/designee will develop procedures for acquiring and providing employment references.

Background Checks on Applicants/Employees

1. Background Checks

The District desires to maintain a productive, efficient, effective, healthy, and safe work environment and, as a result, will conduct pre-employment background checks of applicants, and current employees as necessary.* Background checks may include verification of employment, educational background, criminal/court history records check; credit report check; military records check; drug test for safety-sensitive positions; character references, and other publicly available information deemed to be job related. In addition, if the position requires driving a vehicle, a Department of Motor Vehicles (DMV) search may be conducted. If the position involves contact with minors or with any persons having diminished capacity to care for themselves, a search of government sex offender registries may be conducted. If the position requires licensing or certification, the institution and/or licensing authority may be contacted to verify possession of education, licenses, and/or certificates.

**If these investigations are conducted by external third parties (also called “consumer reporting agencies” (CRA)), they will be governed by relevant provisions of the Fair Credit Reporting Act (FCRA) and the FACTA. FCRA and FACTA cover background checks and other investigations for prospective employees, and current employees in certain situations, such as a promotion to a position requiring additional information. FCRA and FACTA specifically do not apply to investigations of alleged misconduct, such as unlawful harassment charges. Nevada law (NRS 613) restricts the use of consumer credit information to limited positions.*

2. Consumer Reporting Agencies Reports

The types of reports that may be requested from consumer reporting agencies under this policy include, but are not limited to credit reports, criminal records checks, court records checks, driving records, and/or summaries of educational and employment records and histories. These reports or checks are also called “consumer reports.” The information contained in these reports may be obtained by a consumer reporting agency from public record sources or through personal interviews with the applicant’s or employee’s coworkers, neighbors, friends, associates, current or former employers, or other personal acquaintances. These are sometimes referred to as “investigative consumer reports.” Any information contained in such reports may be taken into consideration in evaluating an applicant’s or employee’s suitability for employment, promotion, reassignment, or retention.

3. Disqualification for Hire

If the District secures documented information that a candidate selected for employment has been convicted of a felony involving physical violence or moral turpitude, that candidate may not be hired, and any contingent offer of employment may be withdrawn. The District will communicate this requirement to all applicants prior to hire.

Licensure/Occupational Certification

The District mandates that, if required by the current job, all employees obtain and maintain a valid license, certificate, permit, or other occupational certification issued by the state, county, city, or other applicable authority.

If an employee receives notice that one's own license, certificate, permit, or occupational certification has not been renewed or has been revoked, the employee must immediately notify the administrator or manager/supervisor of such revocation. The employee shall not perform any task or function for which the license, certificate, permit, or occupational certification is required after the employee has received notice of revocation or non-renewal of such license, permit, etc.

Employees who do not have a required license, certificate, permit, or occupational certification will not meet the job requirements. Failure to meet the job requirements may result in termination.

The District may conduct a review of driver's license records annually for those employees required to drive as a part of their duties.

Each employee whose job duties require the use of an automobile for transportation is required to possess current in force vehicle liability insurance or provide an alternate means of transportation. If at any time current in force vehicle liability insurance is not in effect, the employee must notify the direct supervisor within one working day. The following minimum vehicle liability insurance limits are recommended for all drivers: \$100,000.00 bodily injury liability per person, \$300,000.00 bodily injury liability per accident, and \$50,000.00 property damage liability.

Salaries/Compensation

1. Hiring Rate of Pay

The normal hiring rate is the first step of the pay range for the position's classification. Advanced step appointments and accelerated step advancement may occur only upon authorization by the Superintendent/designee.

2. Job Offers

Offers for employment and commitments for pay on hire are made in the job offer letter. Hiring appointment placement on the pay schedule is governed by the applicable collectively bargained agreement and policy under the direction of the Executive Director of Human Resources and/or Superintendent when disputes arise.

Orientation time will not be paid for employees.

3. Pay Rate Reviews and Increases

The District periodically reviews the pay ranges, which consist of a series of pay steps for each position. This review includes an evaluation of the ranges and steps and, when appropriate, an adjustment of these ranges. Employees who are not paid at the maximum of the pay range for their position are eligible to be considered for a pay increase according to the applicable collectively bargained agreement, contract, or policy.

4. Payroll Distribution

Employees will be paid on the 20th day of each month. When the 20th falls during a holiday or weekend, payday will be the last working day preceding the holiday or weekend. All staff will be paid on the current month basis in twelve equal installments.

5. Fractional Pay or Deductions

For the purpose of figuring additions to pay, fractional year contracts, and deductions, the number of actual workdays will be used to determine the daily rate of pay. For employees other than teachers, the number of workdays will be determined according to contractual arrangement for each category.

6. Rates of Pay/Compensation

The Board of Trustees shall determine pay rates and related benefits for all personnel not covered by a negotiated agreement.

7. Non-Discrimination

NRS 613.330 states it is unlawful to discriminate against an employee for inquiring about, discussing, or voluntarily disclosing information about wages. This does not apply to any employee who has access to or information about the wages of other employees as part of their essential job functions and discloses that information to a person who does not have access to that information unless the disclosure is ordered by the Labor Commissioner or court.
