IN KLEIN ISD, **EVERY** STUDENT
ENTERS WITH A **PROMISE** & EXITS WITH A **PURPOSE**

Eiland Dolphins are Great DIVERS!

Driven to do MY best
Inspire Kindness
Valiant Learners
Endeavor for Excellence

Eiland Elementary is a Pre-K through 5th-grade campus that proudly serves students from a close-knit community of diverse families in Klein ISD. Our teachers are ESL certified, bilingual teachers are state-certified, and teachers in our Gifted and Talented program are foundationally trained. Eiland possesses an inclusive and relationship-driven approach to learning. This approach allows students to be active investors in their learning and participants in their campus community. Teachers are focused on meeting the individual needs, both social and academic, of each student – be it through small group instruction, ensuring student choice with regard to reading, hands-on learning in math and science, or setting academic goals. Students participate in programs that integrate fine arts and literacy – percussion club, choir, and school-wide art projects. The school boasts the district's only Lu Interactive Playground, a computer-based interactive wall that integrates core content with PE.

Welcome to Eiland Elementary!

I was the assistant principal at Eiland for almost a decade before becoming Principal. I am profoundly committed to our students and strongly connect with the community.

My focus is ensuring that I have clear systems to support teachers, achieve excellent student outcomes, and build strong partnerships with the incredible families here at Eiland. I look forward to an amazing year at Eiland as we collectively ensure that EVERY student enters with a PROMISE and exits with a PURPOSE.

HOW TO GET INVOLVED

- Parent/Teacher Organization
- Volunteer
- Parent University

Dolphins are saying...

The opportunities and events offered by the district and the school as well as communication with teachers have been a great help to the success of both of my children.

PARENT

The mindset on campus is to work together to find solutions that will help our students succeed.

TEACHER

The teachers here are the best. They work hard, and they are excellent.

5TH GRADER

PROGRAM HIGHLIGHT

Our campus proudly serves a diverse population and, as such, offers many programs to service the academic needs and well as interests of our students. Our teachers are ESL certified and our bilingual teachers are state certified. Classroom learning is structured so that students receive whole-group and personalized instruction. Teachers work with students to set both academic and personal goals. Our school's announcement program, DNN (Dolphin Network News) is student run and produced. Our art teacher and librarian collaborate on student-produced art and literacy experiences with the entire school in the form of school displays and art exhibits. Eiland boasts the district's only LU Interactive playground, an interactive panel that integrates core content and physical education.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
