

GOLDEN VIEW SCHOOL

HEATING, VENTILATION, AND AIR CONDITIONING (HVAC) UPDATE

Presented By:

Julianne Hoefer, Ph.D., Interim Superintendent

September 24, 2024

SPECIAL BOARD MEETING

September 11, 2024

- Initiate the replacement of the HVAC system at Golden View to ensure it accommodates future facility improvements

- To keep students safe during the highly regulated and lengthy process, replace the HVAC system in the summer of 2025

- Engage the Golden View community to determine the best option to educate students during the 2024/25 school year
  - Family Survey

FAMILY SURVEY

September 17-22, 2024

Brief survey was delivered via ParentSquare to 267 families (344 students)

Results

115 families remain at Golden (91.3% of responses)

11 families relocate to the Interim Site (8.7% of responses)

TEACHER & STAFF INPUT

September 18, 2024

Remain at Golden View

- Remain in existing classrooms
- Relocate the most impacted classrooms to the portables on hot days and rotate the other classrooms as needed to the cooler areas
- Ensure access to
  - Chilled water and ice
  - Baby wipes
  - Otter Pops for an afternoon snack
  - Fans (teachers requested a specific model)

DISTRICT RECOMMENDATION

Remain at Golden View
for the 2024/25 school year
