OUR MISSION

We are committed to helping students achieve academic success, be effective users of information, enjoy literature, and become lifelong learners. We strive to be an integral part of the school community by supporting the curriculum needs of both students and teachers.

RESOURCES

- Fiction and nonfiction books
- Databases
- Printers
- Large tables for collaboration
- Comfortable seating for independent reading & studying
- Classrooms for whole-class learning
- 3D printer & laser engraver

AVAILABILITY

The Media Center is open daily from 7:00-3:30, except on late start Wednesdays, when we open at 9:10. Students may use the Media Center before or after school, and upperclassmen may come in during their lunch hours. Often, teachers bring whole classes down to access our resources, as well.
