#### 1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

To date, Reedley Middle College High School has not utilized Prop 28 funding. As a middle college dual enrollment high school, RMCHS administration continues to work with educational partners to identify the specific VAPA needs appropriate for students in such a unique program. RMCHS, in partnership with KCUSD, plans on expanding opportunities for VAPA courses and workshops and will have access to the KCUSD Prop 28 funded infrastructure and facilities improvements this year. Educational partner input suggests that expanding VAPA opportunities may encourage improved attendance and increase time students spend on campus, ultimately improving academic performance. Administration at RMCHS also plans to leverage facility improvements at Reedley High School to maximize student interest and participation in expanded VAPA opportunities. The focus on expanding VAPA opportunities for RMCHS students reflects the District's commitment to providing a vibrant and enriching educational environment that nurtures the talents and aspirations of every student within Kings Canyon Unified.
