Mr. Redding's Academic Reminders

* Read for at least 20 minutes each day.
* Complete any assigned work each day.
* Manage your time to complete any extra assignments.
* Engage in an activity to stimulate thinking and problem solving every evening.
* Give any papers or notes to an adult.
* Share about your day with people at home.
* Return your folder each day.

Use the following cueing strategies with your child when reading together. In addition, we urge the students to use these independently when reading as well.

Cueing Strategies

Do you see a small word inside the big word?

Can you sound it out?

What sound does the first letter make?

What word would make sense?

What sound does the last letter make?

Should you look at the picture?

Should you read the sentence again?

Please keep this note in a convenient place to remind your child of his/her responsibilities.
