

# MAMS Family Newsletter September 16, 2024

## **Expectations assembly**

On 9/12, all MAMS students attended an important assembly. Our school administration shared information with students about academics, behavior, and more. Please take a moment to review the [MAMS expectations assembly September](#) with your child.

## **Medicine authorization form**

Our school nurse, Mrs. Saul, cannot administer Acetaminophen (Tylenol) to students without written permission from a parent/guardian. If you would like for your child to be able to receive Tylenol during the school year, please print and complete the attached authorization form [Tylenol form 2024.pdf](#). Completed forms should be returned to the school nurse. Contact Nurse Saul with any questions [ssaul@marsd.org](mailto:ssaul@marsd.org).

## **Quiet lunch survey**

This school year, we will be implementing a Quiet Lunch option. Instead of eating in the cafeteria, a limited number of students will have the option to sign up for Quiet Lunch which will be held in the media center. This will be a quiet setting where students may eat while working on assignments or reading. Students should complete the interest form by Wednesday, 9/18, to show their interest in participating in Quiet Lunch.

## **Spirit Wear Wednesdays**

Show your school pride! Starting next week, students will be encouraged to wear MARSD Spirit Wear on Wednesdays. Advisory teachers will be provided with tickets to give out to students who wear MARSD gear (this could be clothing from MAMS, Lloyd Road, or any MARSD school). Students will then drop their tickets into a box located in the Commons. We will have a drawing at the end of each month and a lucky Husky student will win a prize.

## **Husky Closet and needed clothes**

Our school nurse, Mrs. Saul, has been running a small Husky Closet in the nurse's office with clothes for students; but now, we are running low on these items. We are accepting donations of new or lightly-used clothing for students. We are looking for middle school-sized t-shirts, sweatshirts, sweatpants, and new socks. Donations can be dropped off in our main office. Thank you for your help!

## **NJSLA scores for Spring 2024**

Please read the [MARSD NJSLA ISR Parent Letter - September 2024](#) with important information about students' Individual Score Reports for NJSLA Spring 2024. ISRs will be mailed to families on or before 9/20 so please look for these.

## **Late bus starts today**

Our school's 4:15 late bus will begin operating today. This bus is useful for students participating in extracurricular activities. Students must have a pass and know their bus stop location to use the late bus (students sign up to use that day's late bus during Advisory).

## **PTSO news**

Please view the PTSO's current flyers:
