Save the date for our 3rd annual free family event at the Yorkville StoryWalk! Join us at the YJWC Heartland Park on September 12th for the unveiling of which Alex Willan book our community has chosen for our next StoryWalk book. We hope to see you for lots of fun as we celebrate community and literacy together.

Buenas tardes familias del GRES,

En general, tuvimos una gran participación en la Noche del Currículo esta semana. Si no pudiste asistir, puedes ver la presentación del edificio aquí. Si aún no lo han hecho, los maestros también enviarán a casa sus presentaciones de clase. Esta semana tuvimos el día de las fotografías; Si se lo perdió o necesitará volver a tomarlo, marque en sus calendarios el 9/10/24.

¡Hay dos eventos literarios (Storywalk y Visita del autor) la próxima semana en los que nos encantaría ver a nuestros estudiantes!

¡Reserve la fecha para nuestro tercer evento familiar anual gratuito en Yorkville StoryWalk! Únase a nosotros en el YJWC Heartland Park el 12 de septiembre para la presentación del libro de Alex Willan que nuestra comunidad ha elegido para nuestro próximo libro StoryWalk. Esperamos verlos para divertirse mientras celebramos juntos la comunidad y la alfabetización.

¡Evento de novela gráfica y cuentos de YPL! ¡Todos son bienvenidos a nuestro evento comunitario que tendrá lugar en la Biblioteca Pública de Yorkville el sábado 14 de septiembre! NURSE'S NOTES

Dear Parents of 6th grade students,

It is required by the state to have a current and up-to date immunization record and physical on file. Please have these turned in by October 1, 2024 in order for your student to be in compliance. Students without current physical and immunization records will be excluded from school. You can find the forms on the district website under Health Services.

If you have any question please feel free to reach out to Nurse Amanda at asalinas@y115.org.

thank you.

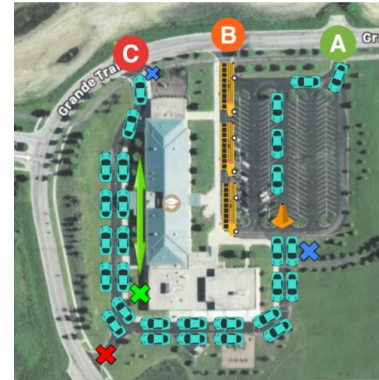

¿Hay algún miembro del personal que le gustaría reconocer? ¿Alguien que se destaque especialmente por hacer que su hijo se sienta bienvenido? Sienta una tarifa por completar [los agradecimientos del personal de GRES](#) como una forma de agradecer.

ARRIVAL & DISMISSAL PROCEDURES

Our [afternoon pick-up and morning drop-off procedures](#) were created with the objective to reduce parent wait time, lessen the congestion on Grande Trail, and better ensure student safety. When we initially changed to this, we asked for, accepted and included parent feedback that was in alignment with our goals. Essentially, during arrival and dismissal, the parking lot is inaccessible unless previous arrangements have been made with the administration. We continue to thank and appreciate those helping to keep our students safe.

Dismissal during Inclement weather and dismissal on the first couple days are always difficult especially when students are still learning the options for how to get home. I'm hoping we do not have inclement weather on the first day like last year! We appreciate your patience in these situations.

It is concerning to us the amount of cars that park on Grande Trail by the neighborhood park just east of the school. That park is not school property and as such, students who go that way are unsupervised. There have been situations where students have walked to that park to meet up as planned, but due to unforeseen circumstances the adults didn't make it in time leaving their children crying and worried. Please discuss with your child that in the event you are not there (due to unforeseen circumstances) that it is best for them to walk back to school and hit the buzzer at door 1. As a result we are implementing this significant change from last year:

- **Kindergarten students who are walkers and do not have a sibling with them, will remain at the yellow gates until a parent/guardian is visible to them.**
- **There are locations in both the front and back to park bikes.**

Please remember:

- **Please do NOT park on Grande Trail or allow your child to exit the car from Grande Trail!!!**
- **In the morning, the gates at Point D will close as close to 8:30am as possible! Instruction starts at 8:35am which means our teachers need to be in their classrooms at that time. Please plan accordingly! Cars arriving after the gates are closed, should pull around to the front and walk their children to Door 1 and buzz to sign them in.**
- **Calls to the office changing the way a child is going home need to be made by 2:30pm!!!**

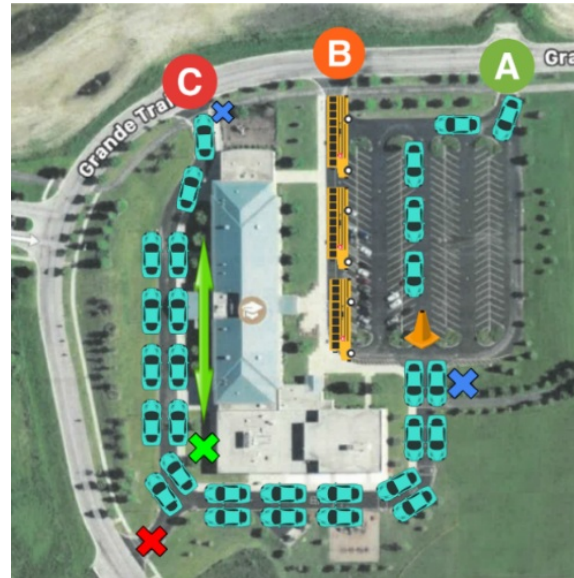

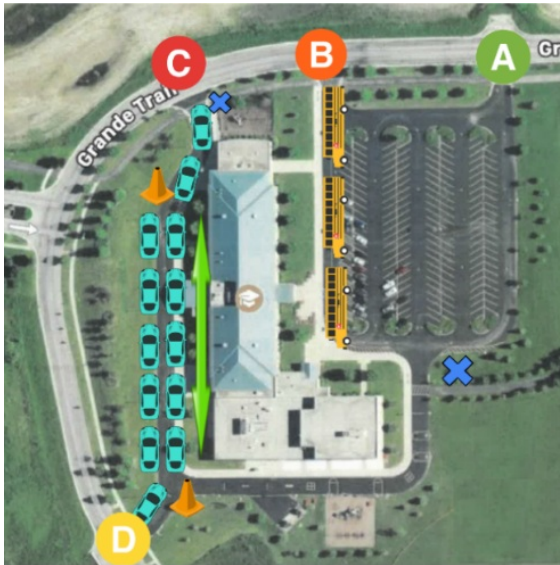

It is VERY important that students know how they are getting home and that we MINIMIZE the amount of last minute changes to what was discussed in the morning before school. Here at school, we will use the words,

- bus rider,
- car rider,
- front walker, and
- back walker

to describe the different ways to get home. It is helpful when we all use a common

language.

Buses load and unload in front, **cars** follow the direction shown on the diagram below loading and unloading in the 'back loop.' **Front walkers** meet their families at the yellow gate that connects school property to the walking path in the neighborhood by where the parking lot meets the back loop. **Back walkers** will exit the building towards the back loop and meet their families by the small fenced-in playground and yellow gate. For **bike riders**, we have bike racks in the front of the building as well as the back. Families of walkers need to stay behind the yellow gates at all times, so please practice with students putting on and taking off helmets, parking the bike in the rack, all while wearing their backpack.

Nuestros procedimientos para recoger a los niños por la tarde y dejar a los niños por la mañana se crearon con el objetivo de reducir el tiempo de espera de los padres, disminuir la congestión en Grande Trail y garantizar mejor la seguridad de los estudiantes. Cuando inicialmente cambiamos a esto, solicitamos, aceptamos e incluimos comentarios de los padres que estuvieran alineados con nuestros objetivos. Esencialmente, durante la llegada y la salida, el estacionamiento es inaccesible a menos que se hayan hecho arreglos previos con la administración. Seguimos agradeciendo y apreciando a quienes ayudan a mantener seguros a nuestros estudiantes.

La salida durante las inclemencias del tiempo y la salida los primeros días siempre son difíciles, especialmente cuando los estudiantes todavía están aprendiendo las opciones sobre cómo llegar a casa. ¡Espero que no tengamos inclemencias del tiempo el primer día como el año pasado! Agradecemos su paciencia en estas situaciones.

Nos preocupa la cantidad de autos que se estacionan en Grande Trail junto al parque del vecindario justo al este de la escuela. Ese parque no es propiedad de la escuela y, como tal, los estudiantes que van por allí no están supervisados. Ha habido situaciones en las que los estudiantes caminaron hasta ese parque para reunirse según lo planeado, pero debido a circunstancias imprevistas los adultos no llegaron a tiempo dejando a sus hijos llorando y preocupados. Por favor, hable con su hijo sobre que, en caso de que usted no esté allí (debido a circunstancias imprevistas), es mejor que regrese caminando a la escuela y toque el timbre en la puerta 1. Como resultado, estamos implementando este cambio significativo con respecto al año pasado :

- Los estudiantes de jardín de infantes que caminan y no tienen un hermano con ellos permanecerán en las puertas amarillas hasta que un padre/tutor sea visible para ellos.
- Hay ubicaciones tanto en la parte delantera como en la trasera para estacionar bicicletas.

Atención - Recuerde:

- ¡¡¡NO se estacione en Grande Trail ni permita que su hijo salga del automóvil de Grande Trail!!!
- ¡Por la mañana, las puertas del Punto D se cerrarán lo más cerca posible de las

8:30 a. m.! La instrucción comienza a las 8:35 am, lo que significa que nuestros maestros deben estar en sus aulas a esa hora. ¡Planifique en consecuencia! Los automóviles que lleguen después de que las puertas estén cerradas deben detenerse hacia el frente y acompañar a sus niños hasta la puerta 1 y llamar para registrarlos.

- ¡¡¡Las llamadas a la oficina para cambiar la forma en que un niño va a casa deben realizarse antes de las 2:30 p.m.!!!

Es MUY importante que los estudiantes sepan cómo llegarán a casa y que MINIMIZAMOS la cantidad de cambios de último momento a lo que se discutió en la mañana antes de clases. Aquí en la escuela usaremos las palabras,

- pasajero del autobús,
- conductor de coche,
- caminante delantero, y
- caminante de espalda

para describir las diferentes formas de llegar a casa. Es útil que todos utilicemos un lenguaje común.

Los autobuses cargan y descargan por delante, **los coches** siguen la dirección que se muestra en el diagrama siguiente cargando y descargando en el 'circuito trasero'. **Los caminantes del frente** se encuentran con sus familias en la puerta amarilla que conecta la propiedad de la escuela con el sendero para caminar en el vecindario donde el estacionamiento se encuentra con el circuito trasero. **Los caminantes que regresan** saldrán del edificio hacia el circuito trasero y se encontrarán con sus familias junto al pequeño patio de juegos cercado y la puerta amarilla. **Para los ciclistas**, tenemos portabicicletas en la parte delantera y trasera del edificio. Las familias de los caminantes deben permanecer detrás de las puertas amarillas en todo momento, así que practique con los estudiantes poniéndose y quitándose los cascos, estacionando la bicicleta en el portabicicletas, todo mientras usan su mochila.
