1. INTRODUCTION

- a. This student handbook was prepared for the purpose of orientating new students of Flandreau Public Schools and for use as a guide for those already enrolled at Flandreau Elementary. It is the position of the school board of Flandreau Public Schools that learning can best take place in an orderly environment in which all students may develop to their fullest potential. To maintain this environment, students must be made aware of their rights and of certain conditions accompanying these rights. This handbook is intended to promote consistent and fair treatment of all students in an atmosphere of open communication, self-discipline, and clearly understood rules and regulations.
- b. It is impossible to cover all of the situations that will present themselves to students so all students are urged to discuss their problems with their teacher and/or principal. It is sincerely hoped that each one of you will have a successful and enjoyable school year.
- c. A review of the student handbook shall be given to the students by their teacher and principal the first few days of school.

2. ELASTIC CLAUSE

- a. The student handbook does not include everything that may possibly happen during the school year. 10. PEANUT AWARE SCHOOL

This includes peanut butter sandwiches, nuts in salads, candy with nuts, trail mixes or granola bars with nuts, cereal with nuts, etc.
- b. We encourage all families to ensure that **no one brings any foods containing any type of nut onto the school property**. This means any foods sent in for lunch, snack, or any class events should be carefully checked to make sure they are nut free. This extends to school events, field trips, etc.

11. TELEPHONE USE

- a. Students are asked to use the telephone for emergency calls only.
- b. Students will not be allowed to use the telephone to arrange their personal after-school play activities.

- b. Children are not allowed to leave the premises without a pass and the parent/guardian coming to the office.

If parents have a concern about someone visiting their child during the school day, please contact the office.
- c. We discourage students having friends or relatives that do not attend Flandreau Elementary visit during the school day. This is a distraction to the teaching-learning process.

15. ILLNESSES

- a. Please do not send your child to school if he/she has a temperature of 100° F or above, has vomited, has diarrhea, or has a rash that may be disease related or with no known cause. In such cases, please consult your physician before sending your child to school. If your child will be absent, please notify the school office.

16. LICE

- a. If your child is found to have lice, you will be immediately called and must pick up your child from school. Before your child can return to school, the Public Health Nurse or the Tribal Health Nurse must check the hair. If all live bugs are cleared, they will give you a slip noting such that you are to bring to the school in order for your child to return. We hope that with separate lockers and cubbies in the primary area, this will greatly reduce the occurrences.
- b. When promptly cared for, students normally are able to return to school the next day. Excessive absences due to head lice will not be accepted and procedures related to truancy will be enforced.

17. DISCIPLINE (APPENDIX A and B)

- a. School is a place where people of varying backgrounds meet together for the purpose of learning. Student respect for each other and the teachers is expected. Use of foul language, obscene gestures, and other disrespectful behavior will not be tolerated and are subject to disciplinary action, including removal from class, time-out from recess, detention, or short-term suspension.

19. APPROPRIATE DRESS

- a. Your individual grooming, the way you dress, and how you behave can have a direct bearing on how others react to you. Dress and grooming should be clean and appropriate to the situation. The

administration reserves the right to determine whether a student's attire and appearance is potentially hazardous, disruptive to the educational process, appropriate, or acceptable. The administration may request a student to change attire. The following are examples of appropriate and inappropriate dress:

- i. Footwear must be worn at all times.
 - ii. Students may not wear caps, hats, visors, or bandanas in the building during the school day.

- b. Acceptability of attire will be determined by building administration. Students failing to meet stated standards of dress will be sent to the office where they will change, be sent home, or request a change of clothes from a parent or guardian. Students will not be allowed back into the classroom until they have changed. Additional violations may result in detention or being issued in-school suspension. The administration may suspend the dress code for special events.

20. PROMOTION AND RETENTION OF STUDENTS

- a. The administration and teaching staff must strive to create plans of instruction and instructional organization that will permit pupils to progress through school according to their needs and abilities.
- b. The Flandreau Public School Board has adopted an Elementary Promotion and Retention of Students policy. A copy is included in this handbook. Students normally will progress annually from grade to grade. However, exceptions will be made when it becomes evident that a student's progress is not meeting expectations. The parents will be notified if a teacher is concerned about a student not progressing academically. At this time, a plan of action will be prepared in accordance with the promotion and retention policy.

21. REPORTING STUDENT PROGRESS

- a. In order to check your child's progress, reporting periods are set up quarterly. Parent-Teacher Conferences will be held the 2nd week of October and the 2nd week of February. In addition, parents are encouraged to visit with your child's teacher any time you have a question or concern.

22. COLD WEATHER

- a. During winter months all students must have footwear for indoor use, and snow pants and snow boots for outdoor wear.

- c. If students are not to go outside for recess for three or more consecutive days due to illness, we ask that you please send a doctor's note stating the fact.

23. EXITING THE SCHOOL BUILDING

- a. Students who ride the bus line up and exit the building through the main entrance doors on the south side of the building. All other students need to exit the building through the east doors.

24. DRILLS AND EMERGENCY PROCEDURES

- a. FES is interested in providing a safe environment for your child's education.
- b. Fire Drills: The State Department of Public Safety requires that each school holds a fire drill in accordance with the state regulations. Two fire drills are conducted each semester.
- c. Lockdown Procedures: As a further safety precaution, the district has a plan in place to "lockdown" the building should an emergency arise at the school or in the community. This lockdown procedure is practiced on a yearly basis.

25. BUS REGULATIONS

- a. The following are rules that students are expected to follow while riding the bus. Please review these rules with your child. Misconduct on the bus will not be tolerated and will result in forfeiture of riding. (Board Policy #6728)
- b. Buses are provided for those students whose distance from school or health make this service essential. Misconduct on buses will not be tolerated and will result in the forfeiture of the privileges of riding.
- c. Students are expected to discipline themselves and comply with the instructions of the bus operator. The driver will be in FULL charge of the bus and the passengers. There must be no disturbance of any kind that might distract the driver and imperil the safety of the passengers.
 - i. Students will observe the following rules of conduct while riding school buses:
 - ii. Students should always be at the bus stop at least five minutes before the bus is scheduled to be there. Students should
 - iii. remain well back from the roadway while awaiting the arrival of the bus.
 - iv. Bus riders should not move to board a bus until it is completely stopped, and the door is open.
 - v. Students will enter the bus in an orderly fashion and go directly to a seat. Students must stay in their seats and in a sitting position when the bus is in motion.
 - vi. Bus riders should leave their seats only after the bus has come to a complete stop at their bus stop.
 - vii. Bus riders who must cross a street at their bus stop will cross in front of the bus.
 - viii. Students will keep their hands, arms and heads inside the bus.
 - ix. Shouting, screaming, smoking, running, fighting, vulgar talk, and pushing are not permitted.
 - x. All articles such as athletic equipment, books, musical instruments, etc., must be kept out of the aisles.
 - xi. No drinking or eating is permitted on the bus.
 - xii. All riders should help to keep the bus clean and sanitary on the inside.
 - xiii. Any damage to the bus will be paid for by the rider inflicting the damage and will be subject to suspension or expulsion from school.

- xiv. Bus riders are expected to be courteous and obedient to bus drivers at all times.
- xv. Use or possession of tobacco, alcohol and illegal drugs on the school bus is strictly prohibited. (Board Policy #6729)
- d. The safety of every child on the bus is of great concern to all of us. Every effort is taken to see that children arrive to their destination safely. The cooperation of the parents is needed and requested in this endeavor. Driving a bus is a difficult and responsible task and would anything divert the bus driver's attention from his driving responsibility endanger the safety of all children. It is absolutely necessary that the children riding the bus conduct themselves in the best possible manner. The up-keep and repair of transportation equipment is expensive and pupils are expected to cooperate in this preservation. Any pupil found guilty destroying bus equipment will be expected to pay for the cost of repair or replacement of such destruction. Bus drivers have the right to assign seats on the bus. POP, SUCKERS AND GUM ARE NOT ALLOWED ON ROUTE BUSES.
- e. When students misbehave on the bus, the bus driver will report the misbehavior to the bus manager. The bus manager will write up a Bus Conduct Report with one copy submitted to the principal and one copy to the parent. The bus manager will attempt to contact the parent as soon as possible.
- f. Guidelines for serious discipline problems on the school bus are as follows:
 - i. First offense: The student may be suspended from bus transportation from 1-3 school days.
 - ii. Second offense; The student may be suspended from bus transportation up to a maximum of 10 school days.
 - iii. Third offense: The student may be suspended indefinitely or expelled from the bus transportation system.
- g. NOTE: The seriousness of any single offense may determine the number of days the student will be suspended/expelled from the bus transportation system. In addition to all transportation rules, all school student behavior rules apply to students while on the transportation system. Misbehavior by a student in connection with the bus transportation system may also warrant school discipline procedures, which may include after school detention, Saturday detention, or suspension/expulsion from school.

26. INTERROGATIONS AND SEARCHES

- a. **Searches by Staff:** The right of inspection of student school lockers is inherent in the authority granted school boards and administrators. Lockers remain the property of the school district and the school district has the right of access to these lockers at any time for any reason. This authority may be exercised as needed in the interest of safeguarding children and their own and school property.
 - i. Whenever school authorities have any cause to believe that articles may be in a locker, desk, or other storage space, or are in violation of a school rule, a search will be made. The following rules apply to the search of school property assigned to a specific student (locker, desk, etc.), and the seizure of items in his/her possession:
 - 1. There should be reasonable cause for the school authorities to believe that articles are kept in the locker, desk, or other storage space whose possession constitutes a crime or rule violation.
 - 2. A school official's search of an area assigned to a student shall be in the presence of another school staff member or law enforcement official.
 - 3. General housekeeping inspection of school property may be conducted with reasonable notice.
 - 4. Illegal items (drugs, weapons, etc.) or other possessions reasonably determined to be a threat to the safety or security of others may be seized by school authorities at any time.
- b. **Searches of Student Property by Police:** A proper search warrant is required for any search of a student's personal property kept on school premises; however upon notification to the administration, if the police

have reason to believe any item that might pose an immediate threat to the safety or security of others is kept in a student locker, desk, or other storage space, searches may be conducted without a previously issued warrant.

- c. **Interrogation by Police:** The school district has physical custody of students during the school day and during hours of approved extracurricular activities. School authorities stand in loco parentis to the students and thus have responsibility regarding the circumstances under which access to students is allowed.
 - i. Therefore:
 - 1. When law enforcement officials find it necessary to question students during the school day or periods of extracurricular activities, the school principal or the student's designee will cooperate. A school administrator or counselor shall be present for questioning. A documented effort will be made to contact the student's parent or guardian so that the responsible individual may be notified of the situation.
 - 2. Parents or guardians will not be contacted in child abuse cases or other interrogations if the law enforcement official requests confidentiality.
 - 3. If custody and/or arrest are involved, a documented effort will be made to contact the student's parent or guardian.

27. TITLE I PARENT'S RIGHT TO KNOW

- a. The federal education law called the Elementary and Secondary Education Act (ESEA), requires that all parents in a Title I school be notified and given the opportunity to request information about the professional qualifications of classroom teachers instructing their child.
 - i. This information may include:
 - 1. Whether the teacher has met the state requirements for licensure and certification for the grade levels and subject matters in which the teacher provides instruction;
 - 2. Whether the teacher is under emergency or other provisional status through which state qualification or licensing criteria have been waived;
 - 3. The college major and any other degree; and

- b. Disputes addressing the enrollment, transportation (including inter-district disputes) and other barriers to the education of children and youth experiencing homelessness are also addressed under this procedure.
- c. Parents, guardians, and unaccompanied youth may initiate the dispute resolution process directly at the school they choose, as well as at the district or district's homeless liaison's office.
- d. The parent or guardian or unaccompanied youth shall be provided with a written explanation of the school's decision including the rights of the parent, guardian, or youth to appeal the decision.
- e. Students should be provided with all services for which they are eligible while disputes are resolved.

- i. The Superintendent will investigate, within one week, the circumstances of the complaint and render a decision, within two weeks, after receipt of the complaint.
- ii. The Superintendent will notify the complainant of the decision in writing.
- iii. The complainant will be allowed one week to react to the decision before it becomes final.
- iv. The complainant will either accept or disagree with decision and will provide such acknowledgement in writing, addressed to the district superintendent.
- v. If the issue is not resolved with the superintendent, the complaint will be forwarded to the district's Board of Education for further review. 29. FLANDREAU HOMELESSNESS/UNACCOMPANIED YOUTH POLICY

- a. The Flandreau School District policy is to:
 - i. Ensure the immediate enrollment of children or youth experiencing homelessness until all enrollment records may be secured, i.e., academic records, medical records, proof of residency or other documentation
 - ii. Keep a child or youth experiencing homelessness in the school of origin, except when doing so is contrary to the wishes of the child's or youth's parent or guardian.

31. FLANDREAU ELEMENTARY PARENT INVOLVEMENT POLICY

- a. Flandreau Elementary School will complete the following in order to ensure that our school encourages and promotes parent involvement.
 - i. **Flandreau Elementary will** convene an annual meeting, at a convenient time, to which all parents are invited and encouraged to attend and to inform parents of our school's participation in Title I and to explain the requirements and the rights of the parents to be involved. This meeting is to be held annually in October in the Elementary Commons. Other opportunities for parents to learn about the Title I program are during Family Reading Night and Family Math Night. These activities take place various times throughout the school year in the elementary library and commons.
 - ii. **Flandreau Elementary will** involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs including planning, review and improvement of the school parental involvement policy. Suggestions will be noted at each meeting to revise the Parent Involvement Policy. Parents will also be given a copy of our School-Parent Compact at the beginning of the school year to sign and return to the elementary office.
 - iii. Flandreau Elementary will provide parents of participating children:
 1. **Timely information** about Title programs.
 2. **Describe and explain the curriculum** in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet.
 3. **If requested by parents**, opportunities for regular meetings to formulate suggestions and to participate in decisions relating to the education of their children, and respond to any suggestions as soon as possible.
 4. **If the school wide program** is not satisfactory to our parents, this will be documented on our School wide Plan.
 5. **Flandreau Elementary will** provide assistance to the parents of our children in understanding such topics as the State's academic content standards and the State student academic achievement standards, state and local academic assessments and how to monitor a child's progress and work with educators to improve the achievement of all of our children. This will be fulfilled at parent-teacher conferences, our six Family Reading Nights and Family Math Activity Hours, and during our Back to School Night held in August in which teachers explain procedures and expectations to parents for the upcoming school year. Teachers and the principal are available to answer any questions regarding content standards and/or assessments.
 - iv. **Flandreau Elementary will** educate teachers, paraprofessionals, and other staff, with the assistance for parents, in the value and utility of contributions of parents and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. This will take place at our beginning of the year in-service where the building principal places an emphasis on establishing parent involvement. Each teacher is required to keep a log of the number of times parent contacts are made throughout the year. These logs are turned in to the elementary office quarterly.
 - v. **Flandreau Elementary will** coordinate and integrate parent involvement programs and activities with Moody County Head start, private preschools, and all relevant entities. Our school will also utilize the parent resource network to encourage and support parents in more fully participating in

the education for their children. An annual preschool screening is completed in March and outside referrals are also addressed with Moody County Head Start staff. All programs are in coordination by telephone, email and also meetings pertaining to the needs of a specific child or children.

- vi. **Flandreau Elementary will** ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and to the extent practicable, in a language parents can understand. Our school employs interpreters when needed and also disseminates information via the newspaper, weekly school newsletter, and our public access channel to ensure each parent is aware of each meeting, program or other activity.
 - vii. **Flandreau Elementary will** provide support for parental involvement activities such as our annual Back to School Night in August, our informational/collaborative meeting about Title in October and our Family Reading Nights and Family Math Nights held throughout the school year. Parents are also encouraged to observe/volunteer time in their child's classroom.
 - viii. **Flandreau Elementary will** provide full opportunities for the participation of parents with children with limited English proficiency, parents with children with disabilities, and parents of migratory children, including providing information and school reports in a format and, to the extent practicable, in a language such parents can understand. Interpreters will be available when needed and all information, including assessments, will be sent in "parent-friendly" language, always attached with clear directions in how to interpret.
 - ix. **Flandreau Elementary will** assist parents of parental organizations by informing them of such existence and purpose of these centers at our annual meeting. Literature is disseminated throughout the year to ensure that all requirements of Title I are met.
