- If this student has course requests, they will need to be deleted prior to transferring the student out of the school. To check if the student has course requests, navigate to the Course Request Management Tab: [From the Student Page > Courses and Programs > Course Schedule > Course Request Management]

Student Profile	Assets
Academic Records	Asset Tracking
Attendance	Course Schedule
Behavior	Bell Schedule
Compliance	Course Request Management
Courses and Programs	List Schedule
Health	Matrix Schedule
Postsecondary	Modify Course Schedule
Readiness	Registration
School Enrollment	Course Registrations
Transactions	Extracurricular Activities

	Student Programs

- On the Course Request Management Screen, Select Modify Course Schedule - Requests
- Under the Delete Column, Select All

The screenshot displays two parts of a software interface. The top part is a table with columns: Number, Course Name, Note, Alt, Code, Priority, Section Type, Alternate 1, and Delete. It lists several course requests, each with an 'Associate' button and a 'Yes' status in the Delete column. The bottom part is a header for 'Modify Course Schedule - Requests for 2024-2025' with tabs for 'Enrollments' and 'Requests'. Below the tabs is a similar table structure, currently empty, with 'All' and 'Submit' buttons.

- If this student is transferring to another School within the District the New course requests will need to be re-entered once the student is in the new building and the correct Next School Indicator is set.

4. Transfer Student Out of School: From the Start Page > Select Student > Select School Enrollment > Transfer Out of School

- Fill in the appropriate information. **Be sure the date of transfer is the day after the student's last day in class, this will ensure the last day of attendance is captured and saved. If the student is leaving after the EOY Process but prior to the 1st day of school, the exit date should match the enrollment date.**
- Click **SUBMIT**
- The student is now inactive. To find the student, search for them using a / in front of their name.
