If satisfactory resolution of the grievance is not obtained, the employee must submit a written grievance to their immediate supervisor within five (5) business days of the occurrence of the condition giving rise to the grievance. Should an employee fail to institute a grievance within the time limits specified, the grievance shall be considered untimely and will not be processed. The written grievance shall be signed by the grievant and shall specifically state:

Who is affected; what happened; when it happened; what specific part(s) of the contract is alleged to have been violated; and what specific remedy is requested.

If the grievance is timely submitted to arbitration, the arbitrator shall be selected by the Michigan Employment Relations Commission or the Federal Mediation and Conciliation Service in accordance with its rules, which shall likewise govern the arbitration proceedings. Neither party shall be permitted to assert in such proceedings any grounds or to rely on any evidence not previously disclosed to the Board. The filing party shall pay any and all filing fees. The party against which a decision is rendered shall pay the entire cost of the arbitrator. In the event there is no clear loser, the per diem fees of the arbitrator shall be borne by the non-prevailing party. The arbitrator shall be requested to specify who is the non-prevailing party. Each party shall assume its own costs for representation and for expense of witnesses.

1. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. His authority shall be subject, in all cases, to the rights, responsibilities, and authority of the Board under the Michigan general school laws and any other law. The decision of the arbitrator, if within the scope of his authority as set forth herein, shall be final and binding on all parties.
2. The arbitrator shall have no power to change any practice of the Board not in violation with this

contract, or change any policy or rule of the Board not in violation of this contract, nor to substitute his judgment for that of the Board as to the reasonableness of any such practice, policy, rule, or any action taken by the Board not in violation of this contract.

3. The arbitrator shall have no power to decide any question which, under this Agreement, is within the responsibility of the Board to decide. In rendering decisions, the arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
4. The arbitrator shall not hear any grievance previously barred from the scope of the grievance procedure.
5. In the event that a grievance is appealed to the arbitrator upon which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
6. More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent.
7. Where no monetary loss has been caused by the action of the Board complained of, the Board shall be under no obligation to make monetary adjustments, and the arbitrator shall have no power to order any. The arbitrator shall have no power to issue an award involving back pay resulting in financial liability to the Board for more than a total of six (6) months on any grievance under any circumstances.
8. Any matter being processed in another forum shall not be submitted to arbitration.

SECTION G - Time Limits

Time limits shall be strictly observed and may be extended only by written mutual agreement. Should an employee fail to appeal a decision within any time limits specified, all further proceedings on a previously instituted grievance shall be barred and shall be deemed an acceptance of the decision last issued. Should the employer fail to respond within the time limits specified, the Association may proceed to the next level of the grievance procedure.

SECTION H - Employee Consent

The Association shall have no right to initiate a grievance involving the right of an employee without their express approval in writing thereon. SECTION E - Break Time

Employees working more than four (4) hours per day will be allowed a total of not to exceed fifteen (15) minutes' break time to be taken at such time that there is no impairment of work responsibilities.

SECTION F - Temporary Assignment

For short-term absences of up to twenty (20) workdays during which the employer determines to replace the absent employee, regular qualified employees who normally work fewer hours than the absent employee will first be offered the opportunity to take the place of the absent employee based on seniority within the building before a substitute is used for that position. For long-term absences of over twenty (20) workdays when the employer determines to replace the absent employee, notice of the position will be given to all unit employees and awarded to the most senior employee who is qualified for the duration of the absence.

ARTICLE 8 - SENIORITY

SECTION A - Probationary Period

A newly hired employee or an employee upon entry into the bargaining unit, shall be on a probationary status for one hundred (100) actual working days taken from and including the first day of employment. At any time prior to the completion of the 100 actual working day probationary period the employee may be dismissed by the employer without appeal by the Association. Probationary employees who are absent during the first 100 actual working days of employment shall work additional days equal to the number of days absent and such employee shall not have completed their probationary period until these additional days have been worked. Time worked as a substitute shall not count toward seniority or completion of the probationary period. The number of hours worked per day will not affect seniority.

Upon satisfactory completion of the probationary period, the employee's seniority shall be retroactive to the first day of work.

SECTION B - Seniority

Seniority shall be as of the date of entry into the classification, except for a probationary employee, in which case it shall be the date of completion of probation as provided in (A) above.

Whenever two (2) or more members of the unit have equal seniority, they shall be ranked using the following

criteria and in the order stated:

1. The employee with the earliest date of hire shall be ranked first.
2. If the employees have the same hire date, the employee with the least number in the last (4) digits of the employee's social security number shall be ranked first.

SECTION C - Loss of Seniority

An employee will lose their seniority for the following reasons:

SECTION E - Assignment Outside of Unit

Employees transferring to a position outside the bargaining unit, or who are promoted to a supervisory position shall have their seniority frozen at that point. Said employee shall have the right to exercise their seniority and bid on a vacant position within the bargaining unit if one becomes available.

SECTION F - Assignment Outside of Classification

Seniority in a lower classification will continue to accrue in that classification when an employee is promoted to a higher classification. Seniority in a higher classification will be frozen in that classification when an employee is assigned to a lower classification.

SECTION G - Layoff

Unit and classification seniority will be frozen during periods of layoff and shall continue to accrue if an employee returns from layoff.

SECTION H - Leaves

Seniority will be frozen during unpaid leaves of more than four (4) weeks in duration taken for reasons other than illness or disability.

ARTICLE 9 - LAYOFF AND RECALL

SECTION A - Definition

"Layoff" shall be defined as a reduction in work force as determined exclusively by the employer.

SECTION B - Layoff Process

No employee shall be laid off pursuant to reduction in the work force unless said employee shall have been notified of said layoff at least five (5) calendar days prior to the effective date of layoff. In the event of a reduction in work force, the employer shall identify the specific position(s) to be eliminated and shall notify the employee in that position(s). Employees whose positions have been eliminated due to reduction in work force or who have been affected by a layoff/elimination of position shall have the right to assume a position in their classification(s) as defined in Appendix A for which they are qualified, which is held by a less senior employee in that classification. Whether an employee is qualified or not, as that term is used in this Article, shall be determined by the job description. Higher classification employees subject to layoff shall be assigned to a position held by a lower classification employee with lowest seniority having comparable hours provided she is qualified and has greater seniority. A new employee shall not be employed by the employer in a classification while there are laid off employees from that classification who are qualified for a vacant or newly created position in that classification.

Whenever two (2) or more members of the unit have equal seniority, they shall be ranked using the following criteria and in the order stated:

1. The employee with the earliest date of hire shall be ranked first.
2. If the employees have the same hire date, the employee with the least number in the last four (4) digits of the employee's social security number shall be ranked first.

SECTION C - Reduction In Hours

The Board may reduce work hours of some or all employees rather than reduce the number of employees. In the event of a reduction in the work hours in a classification, qualified employees in the classification with the greater seniority may use same to displace employees with less seniority in positions having a greater number of work hours on the work schedule. A reduction of any employee's work hours shall not take effect until five (5) calendar days after written notice to the affected employee is given by the employer.

SECTION D - Recall

Laid off seniority employees shall be recalled in order of seniority within classification with the most senior being recalled first to any position in the classification for which they are qualified.

SECTION E - Recall Process

Notices of recall shall be sent by certified or registered mail to the last known address as shown on the employer's records. It shall be the employee's responsibility to keep the employer notified as to their current mailing address. The recall notice shall state the time and date on which the employee is to report back to work. A recalled employee shall be given five (5) calendar days from receipt of notice, excluding Saturdays, Sundays, and holidays, to report to work. The employer may fill the position on a temporary basis until the recalled employee can report for work providing the employee has indicated intent to return and reports within a ten (10) day period. Employees recalled to the same or greater proportion of work than they had at the time of layoff for which they are qualified are obligated to take said work. An employee who declines recall to such work for which she is qualified shall forfeit their seniority rights. Recall rights for seniority employees shall terminate at the end of a time on layoff equal to their accrued seniority or two (2) years after the effective date of layoff, whichever is shorter. Probationary employees shall not have recall rights.

SECTION F - Unemployment Compensation

An employee who normally does not work in the summer, who is laid off in the summer, who receives unemployment compensation benefits, and who is recalled before October 1 of that year shall have their compensation adjusted by an amount equal to the unemployment compensation received.

SECTION G - Substitute Work

Upon application, laid off employees will be given first opportunity for substitute work at the substitute rate of pay provided they indicate an interest in the substitute work and are qualified.

ARTICLE 10 - VACANCIES AND JOB POSTING PROCEDURES

SECTION A - Definition

A "vacancy" shall be defined as a newly-created position or a present position that has been permanently vacated and which will be filled, except when there is a qualified employee from the classification on layoff.

SECTION B - Posting

All bargaining unit vacancies shall be posted in a conspicuous place in each building of the district for a period of five (5) business days, Monday through Friday. The posting will contain the following information:

job title; starting date; rate of pay; hours to be worked; and minimum requirements necessary to perform the work

SECTION C - Application For Vacancy

Interested employees may apply in writing to the Food Service Director or designee within the five (5) day posting period. The employer may temporarily fill any vacancy during the posting and selection process with another employee or with a substitute.

SECTION D - Input

When feasible within time constraints, before a job description is changed or a vacancy is posted, the employer may seek input regarding proposed revisions from the Steward, the person in, or leaving the position, or work location.

SECTION E - Filling Vacancies

Vacancies shall be filled with the most qualified applicant on the basis on the following basis: qualifications, past work record, demonstrated ability to perform the work involved, and other relevant factors. All factors being deemed equal, an employee with the most seniority making application shall be transferred to fill the vacancy. The Food Service Director shall determine the most qualified applicant.

A substitute who fills a vacancy on a temporary basis shall not have claim to such vacancy by virtue of his/her filling the same temporarily.

SECTION F - Notice of Selection

Within ten (10) workdays after the expiration of the posting period, the employer shall make known its decision as to which applicant has been selected to fill a posted position. Each association unit applicant shall be so notified in writing. If an applicant for a vacancy does not agree with the selection, the employee may request, within two (2) days, a meeting with the Superintendent to discuss the selection made.

ARTICLE 11 - CLASSIFICATION AND COMPENSATION

SECTION A - Classification

The parties hereto agree that the employees covered by this Agreement shall be considered engaged in the type of work and classification as set forth on Schedule A attached hereto and made a part hereof by reference.

SECTION B - Compensation

The basic compensation of each employee shall be as set forth in Appendix A. When an employee is reassigned from one classification to another, the employee will be compensated at the appropriate pay rate. A new hire with relevant work experience may be given experience credit as determined by the employer up to Step 2. By agreement with the Association at the request of the employer, a new hire may be paid above Step 2. When an employee is promoted to a higher classification, the employer will determine the appropriate step that the employee will enter the new classification. However, the employee will not receive a lower hourly pay rate than the employee was previously receiving.

SECTION C - Overtime

Overtime work will be voluntary to the extent feasible but may be required. In order to be compensated for any overtime, the overtime must be requested and approved in advance by the Food Service Director or someone they designate. The Director must have approval of the Superintendent to authorize overtime but that will not be the employees' responsibility. Using substitutes or assigning overtime or not replacing absent employees will be discretionary with the employer. The following conditions shall apply to all overtime work:

1. Time and one-half will be paid for all hours worked over forty (40) hours in one (1) week.
2. Paid leaves shall not count toward hours worked.
3. Compensatory time off may be given if mutually agreeable to the employer and the employee.
4. Overtime shall be divided and rotated as equally as possible within the building according to seniority and among those employees who regularly perform such work provided they are qualified to perform such work.
5. It is recognized that overtime is a responsibility of the job. When there is an insufficient number of volunteers for overtime, overtime may be assigned to that qualified employee in the building who has worked the least amount of overtime during the current school year.

SECTION D - Mileage

These employees will be required to work on any make-up days at no additional compensation. In the event an employee receives unemployment compensation benefits (including underemployment benefits) during the school year due to days of work not being held when scheduled which are later made up, the employee's pay will be adjusted by an amount equal to unemployment compensation received.

2. The determination to cancel, delay, and/or reschedule any day of work shall be the prerogative of the employer and shall not be grievable.

ARTICLE 12 - EVALUATION

SECTION A - Evaluation

Employees shall be evaluated in writing at least once in each two year period. Employees can expect to be evaluated on all relevant aspects of their employment. Employees will be evaluated on the employer's standard form which will be made available to employees prior to evaluation.

SECTION B - Response

Following each formal evaluation, which shall include a conference with the evaluator, the employee shall sign and be given a copy of the evaluation report prepared by the evaluator. The employee's signature shall not be construed to mean that she necessarily agrees with the contents of the evaluation. An employee may submit additional comments to the written evaluation if she so desires within ten (10) days. All written evaluations are to be placed in the employee's personnel file.

ARTICLE 13 - LEAVES

SECTION A - Leave Days

2. At the beginning of the contract year, the employee will have the current year's allowance available regardless of the number of days accumulated. However, if an employee terminates employment before the days used would have been earned, the amount for those days used in excess will be deducted from the employee's last paycheck. At the end of the year, unused days from the allowance will be credited to accumulated unused leave.
3. A record of leave accumulated and taken shall be made available to the employee or the Association upon request but not more than two times per fiscal year.
4. Upon retirement from the Williamston Community Schools, under the provisions of the Michigan Public Schools Retirement Plan after 10 years of employment in the district, the employee will be paid for unused accumulated leave calculated as follows:

2. Family Member Illness

Up to three (3) days per year may be used for the critical illness of a member of the employee's "immediate family," which shall be defined as the employee's parent, spouse, child, or any relative who is a permanent resident of the employee's household. "Critical illness" shall be defined as a serious condition requiring the presence of the employee. The employer may require written verification from a physician. An additional two (2) days may be granted upon written request to the Superintendent.

Each part-time employee (working at least 4 hours per day) may use up to one (1) day per fiscal year (July 1 to June 30) for necessary business. Full-time employees may use up to one (1) days per fiscal year for necessary business. A second business leave day may be added for a full-time employee that will be charged against personal leave if requested and approved by the Superintendent. Employees working less than four (4) hours per day are not eligible for necessary business leaves. Employees eligible for necessary business leave will only be credited with business leave time equivalent to the number of hours worked per day. The use of these days must be arranged in advance with the employee's immediate supervisor. A necessary business day shall only be used for necessary legal, business, or emergency matters or doctor's appointments that cannot be conducted outside of regular work hours and which require the presence of the employee.
