Dental Coverage

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible and/or copay. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten. If your group is self-funded, please see any other plan documents your group uses. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Coverage determination: Claims are subject to dental necessity verification and availability of dental benefits when they are processed, as well as the terms and conditions of the applicable BCBSM certificates and riders.

Dentist information

With Blue Dental PPO, you can choose any licensed dentist anywhere. However, you'll get the best coverage and save the most money when you choose a Tier 1 PPO (in-network) dentist.

You have outstanding access to thousands of Tier 1 PPO dentists across the country through the Blue Dental PPO network. Tier 1 PPO dentists agree to accept our PPO approved amount as full payment for covered services, so you'll pay your applicable coinsurance and deductible amounts. To find a Tier 1 PPO dentist near you, log into your member account at **bcbsm.com** or call **1-888-826-8152**.

If you go to a non-PPO dentist, you can still save money by choosing a Tier 2 participating non-PPO (out-of-network) dentist. Tier 2 dentists participate with us on a "per claim" basis through our Blue Par Select (BPS) arrangement. They accept our BPS approved amount as full payment for covered services, so you'll pay your applicable coinsurance and deductible amounts. To find a Tier 2 participating non-PPO dentist near you, log into your member account at **bcbsm.com**. You should ask your dentist if they participate with BCBSM before every treatment.

Note: If you go to a nonparticipating dentist, you are responsible for any difference between our approved amount and the dentist's charge.
