

## Create an Account & Access Public Adoption Information in EdCredible

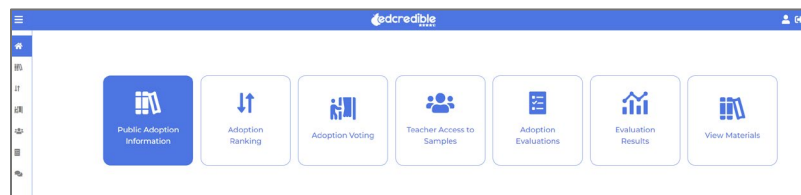

1. Go to [www.edcredible.com](http://www.edcredible.com) and click **Create Account**.

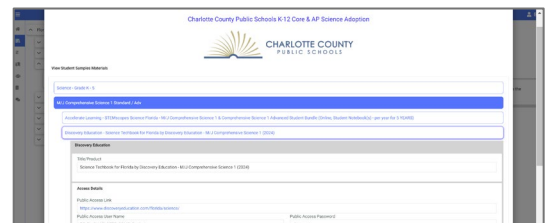

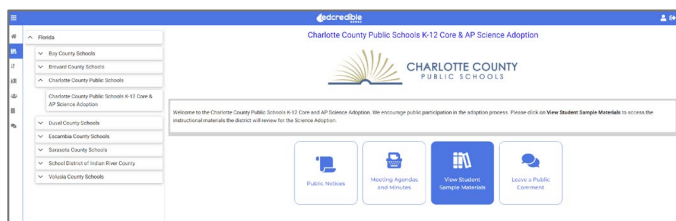

2. Enter your **email address** and **password** and check agree to the terms of use. Click **Submit**.
3. Check your email **Inbox** and **Junk Mail** for an email from [no-reply@www.edcredibleapp.com](mailto:no-reply@www.edcredibleapp.com) and click the link to validate your email. You will be redirected to the EdCredible dashboard.

4. From the EdCredible Dashboard, click on **Public Adoption Information**.

5. On the left, select a district and select an adoption. Information made public by the district is displayed on the right. Click on **View Student Sample Information**. Click on a **course** and **publisher/product** name to display information for how access instructional materials for a specific publisher.

6. If enabled by the district, users may also view **Public Notices, Meeting Agendas and Minutes, leave Public Comments** and more.
