Immigration Enforcement on School Campus

1. Freeman School District does not grant permission for any person engaging in, or intending to engage in, immigration enforcement, including surveillance, to access the nonpublic areas of Freeman School District facilities, property, equipment, databases, or otherwise on school grounds or their immediate vicinity. Freeman School District staff shall direct anyone engaging in, or intending to engage in, immigration enforcement, including federal immigration authorities with official business that must be conducted on Freeman School District property, to the school principal or superintendent prior to permitting entrance to school grounds. Freeman School District staff shall presume that activities by federal immigration authorities, including surveillance, constitute immigration enforcement.

2. If anyone attempts to engage in immigration enforcement on or near Freeman School District grounds, including requesting access to a student, employee, or school property:
 - a. Freeman School District staff shall immediately alert and direct the person to the school principal or superintendent, who shall: verify and record the person's credentials (at least, name, agency, and badge number), record the names of all persons they intend to contact, collect the nature of the person's business at the school, request a copy of the court order or judicial warrant, log the date and time, and forward the request to the Superintendent and/or legal counsel for review.
 - b. Freeman School District staff shall request that any person desiring to communicate with a student, enter school grounds, or conduct an arrest first produce a valid court order or judicial warrant.
 - c. The District Superintendent shall review the court order or judicial warrant for signature by a judge and validity. For Freeman School District to consider it valid, any court order or judicial warrant must state the purpose of the enforcement activity, identify the specific search location, name the specific person to whom access must be granted, include a current date, and be signed by a judge.
 - d. The District Superintendent shall review written authority signed by an appropriate level director of an officer's agency that permits them to enter Freeman School District property, for a specific purpose. If no written authority exists, the District Superintendent shall contact the appropriate level director for the officer's agency to confirm permission has been granted to enter [public school district] property for the specific purpose identified.
 - e. Upon receipt and examination of the required information, the District Superintendent will determine whether Freeman School District shall allow access to contact or question the identified individual and will communicate that decision to the school principal or superintendent.
 - f. The District Superintendent shall make a reasonable effort, to the extent allowed by the Family Educational Rights and Privacy Act (FERPA), to notify the parent/guardian of any immigration enforcement concerning their student, including contact or interview.
 - g. The District Superintendent shall request the presence of a Freeman School District representative to be present during any interview. Freeman School District shall not permit access to information, records, or areas beyond that specified in the court order, judicial warrant, or other legal requirement.

Freeman School District policies and procedures for gathering and handling student information during enrollment or other relevant periods shall be delineated in writing and made available to students and their parent or guardian(s) at least once per school year in a manner for households with individuals that have limited English proficiency (LEP) to understand.
 3. If Freeman School District is required to collect information related to a student's national origin (e.g., information regarding a student's birthplace, or date of first enrollment in a U.S. school) to satisfy certain federal reporting requirements for special programs, [public school district] staff shall:

Responding to Requests for Information

Requests by federal immigration authorities shall be presumed to be for immigration enforcement purposes.
2. Freeman School District staff shall immediately report receipt of any information request relating to immigration enforcement to [school principal or authorized designee] who shall document the request and refer the request to the Superintendent. The [Superintendent and/or legal counsel or authorized designee] shall review the request to ensure compliance with FERPA, KWW, the Public Records Act (PRA), and other relevant federal and state laws.
