

VJA CHOIRS

COURSE OFFERINGS

For more information, scan this QR code to check in!

VJA Choirs is a prestigious group amongst the VJA Music curriculum. They have been invited to countless shows, events, as well as, TV appearances!

CHOIR

TWO OPTIONS

We offer choir in both half-period and full-period classes, fitting your schedule to maximize time.

SHARED BETWEEN LUNCH

Most freshmen are enrolled in half-period choir, opposite their lunch time.

UPPERCLASSMEN

Upperclassmen also have the option to participate in a half-period choir, which gives them a chance to add on additional electives to their schedule.

AUDITIONED CHOIRS

10th, 11th, & 12th grade students may choose to audition each spring to qualify for one of our two full-period choirs.

Students can choose to bring their lunch and eat during their choir period if they want room in their schedules for an additional class.

Choir members may choose to participate in these additional performance opportunities:

Winter Musical - Spring Musical
VJA Cappella - Victor Sisters

VJA BANDS

COURSE OFFERINGS

For more information, scan this QR code to check in!

VJA Bands has a long history of excellence, with our Marching Band, Wind Symphony, and indoor ensembles being nationally recognized and invited to perform at prestigious events nationwide.

BAND

FULL PERIOD CLASS

Band is a full period class, held during the school day similar to any other elective class.

CONCERTS

Band students perform in four home concerts a year, as well as, participating in Marching Band in the summer and fall.

PLACEMENTS

Although an audition is not required, it is strongly encouraged. Placement into Wind Symphony is based on spring auditions.

GENERAL INFO

Current 8th graders interested in band will register for either BAND, or PERCUSSION as a core class.

Band members may choose to join one or more of these band auxiliary groups:

Jazz Band - Pep Band - Pit Orchestra
Winter Percussion - Winter Guard
(Winter Guard is open to all.)

INTRO TO BAND

Did you leave a previous band program, or are interested starting fresh and joining one of VJA's most decorated groups? Check out some information about Intro to Band - it's a new course and an unique opportunity that welcomes anyone and everyone interested in participating in music.

CLASSES

MUSIC TECHNOLOGY AND BUSINESS

Students will learn recording techniques, both live and track by track, recording applications to computer (effects/signal processing), microphone use, sound reinforcement, application of sound effects and samples, audio editing and audio editing to video, as well as, how this work is done in a professional setting. No prior experience or specialized equipment is required.

GUITAR

Students learn the fundamentals of playing the acoustic guitar. Classical techniques provide a foundation for other technique development, which may include but is not limited to, jazz and rock. Students are required to provide their own 6 string acoustic guitar. No prior experience is required.

MUSIC THEORY

Students will study the basic, rudimentary elements of music. Areas to study include intervals, keys, chord structures, scales, rhythm and meter, and basic part writing. Essential for future music majors, but open to everyone who wants to learn about the language and overall structure of music. AP Music Theory is also offered.
