

WHAT IS THE ANNUAL FUND AT CCS?

The annual fund is a yearly fundraising campaign designed to provide essential support for our ongoing operational needs at Charlotte Christian. This campaign encourages participation from a broad range of supporters including parents, alumni, grandparents and other community members who invest in our school's mission. It's an opportunity for our whole community to come together.

JEWEL LEWIS

Senior | Head Prefect

"My nine years at Charlotte Christian have been filled with learning, truth, and the happiest memories. Your support of CCS has helped me build a foundation of biblical truth and sound doctrine. It has also connected me with people who will be here to support me in the hard and good times of my Christian walk.

I look back on my time at CCS, excited and grateful to step into the world and stand on the foundation of truth that CCS helped me build."

RANDY GARCIA

Class of 2000 | Current Parent

"As an alumni and parent, CCS has been a part of my life for 24 years. When I was a student, I gave my life to Christ at Windy Gap, which I am forever grateful for. CCS instilled in me Christ-centered values along with a phenomenal education that prepared me for not only college but also the business world.

Once I became a parent, I knew there was no other school I wanted my kids to attend, as I hoped it would have the same impact on their lives as it did mine."
