

# Student Drop-Off Procedures (K-8) 2024-2025

- (1) Vehicles will enter through the north side of the parking lot, forming 2 car lines. Wait for drop-off to begin (8:30am – 9:00am).
- (2) During drop-off, both car lines will merge into 1 car line, pulling as far forward as possible at the entrance.
- (3) All students will exit the vehicle on the passenger side to ensure a safe and controlled drop-off. **ADULTS WILL REMAIN IN THEIR VEHICLES.**
- (4) Vehicles will exit through the south side of the parking lot, turning either direction.
- (5) It is highly encouraged vehicles exiting to Old Hickory Tree proceed south (right turn) to ensure cars don't clog the drop-off lane.
