

NCAA Eligibility Center Checklist

Start of Freshman Year

- Download your high school's list of NCAA-approved core courses—and the NCAA Core Course GPA Calculator worksheet—before you meet with your guidance counselor.
- Review the NCAA core course requirements with your counselor. You will need to take and pass a minimum of 16 core courses before graduation. Take at least one approved core course in each of the following: Math, English, Natural/Physical Science and Social Science or Foreign Language.

During Freshman Year

- Create your free NCAA profile account. Give yourself at least 15-20 minutes to complete the initial registration.

Start of Sophomore Year

- Review your transcript with your guidance counselor to ensure you're on track to meet the NCAA core course requirements. Take at least one approved core course in each of the following: Math, English, Natural/Physical Science and Social Science or Foreign Language.

During Sophomore Year

- OPTIONAL: Take the PSAT to familiarize yourself with standardized tests like the ACT and SAT. *Not required for NCAA eligibility.*

Start of Junior Year

- Receiving D1 or D2 interest? Create an NCAA Certification Account (cost: \$100 for athletes in the U.S., Canada and U.S. Territories and \$160 for international athletes)
- Order your current transcript through Parchment and send it to the NCAA Eligibility Center.
- Review your transcript using the core course calculator with your guidance counselor to ensure you're on track to meet the NCAA core course requirements. Take at least one approved core course in the following: Math, English, Natural/Physical Science and Social Science or Foreign Language.

During Junior Year

- OPTIONAL: Take your first ACT and/or SAT—this will give you time to take it again if you need to. *Not required for NCAA eligibility.*
- Review your transcript using the core course calculator with your counselor to ensure you're on track to meet the NCAA core course requirements. Focus on the 10 core course rule—make sure you are on track to complete 10 of the courses by the end of the year, and remember that seven of these courses will be “locked in.”

End of Junior Year

- Have your counselor show you how to order your transcript through Parchment and send it to the NCAA Eligibility Center after completing your sixth semester.

Start of Senior Year

- Review your transcript using the core course calculator with your counselor to ensure you're on track to meet the NCAA core course requirements. You should know the exact courses you will need to take to hit eligibility based on your meeting at the end of your junior year.
- OPTIONAL: Take your second (or third) ACT and/or SAT if necessary. *Not required for NCAA eligibility.*

During Senior Year

- Complete your amateurism questionnaire within your NCAA Certification Account.

Starting April 1 of Senior Year

- If you're enrolling in the Fall semester, request your final Amateurism Certification within your NCAA Certification Account on or after April 1 and if you're enrolling in the Winter/Spring semester, on or after October 1. Remember, April 1 (Fall semester) and October 1 (Winter/Spring semester) are just the first—not the only—day you can request Amateurism Certification.

End of Senior Year

- Order your final high school transcripts through Parchment and proof of graduation to the NCAA Eligibility Center.

* The NCAA no longer requires standardized test scores for initial eligibility in D1 and D2 colleges. However, some schools and scholarships may still ask for them for admission. To confirm the requirements of your specific NCAA school, it's best to contactask them directly.
