MEDICATION FROM HOME

Just a friendly reminder to students and parents: All medications, including over the counter, must be kept in the office with proper paperwork filled out. If you would like to carry medication (e.g., an inhaler) there is a form that needs to be filled out. It is very important that medication can be easily identified in its original container. With the fentanyl epidemic, a loose pill could be a fatal pill. If you have any questions please reach out to the school nurse, Katie Jensen at 541-736-0405 or kjensen@pleaseanthill.k12.or.us
