Greetings MRHS Families,

The final countdown to the start of the 2024-2025 school year has officially begun!!! If you have not done so already, please be sure to review the [Welcome Back Letter](#) which was sent on Thursday, August 15th for important information regarding the opening of school.

As a reminder... student schedules have been finalized and will be released to the [Parent Portal](#) at **4:00pm** today, **Monday, August 26th**. When accessing your child's schedule, it is imperative that contact information be updated to ensure proper communication throughout the school year. Instructions on updating contact information on the Parent Portal can be found [here](#). Please be sure to review the information and make appropriate changes.

When reviewing your schedule, please note that every effort was made to ensure that students received their requested courses. In the event that a conflict did arise, first choice electives were changed in order to provide a completed schedule. If you have any questions about your schedule please reach out to your assigned counselor or contact the MRHS helpdesk at mrhsinfo@marsd.org:

Student Parking

Students that have obtained their driver's license and are in good academic/behavioral standing may apply to park on campus during the school day by completing the [Student Parking Permit Application](#). Approved students will receive a registered parking permit and parking spot in either the North or South lot.

- **Parking on school grounds is a Privilege. Violation of the Student Code of Conduct and/or the District Attendance Policy including excessive/continued lateness to school and/or other disciplinary infractions may result in the removal of the parking privilege.**

MRHS Handbook and Student Code of Conduct

Don't forget to review the [2024-2025 MRHS Student Handbook and Code of Conduct](#) for important information regarding building mechanics and student expectations. Please note our areas of emphasis for the 2024-2025 school year:

- **Student Attendance:** Students are expected to arrive at school and their classes on time, prepared and ready to learn. Excessive absences and/or tardiness will result in a loss of credit/privileges and may impact a student's graduation status.
- **Cell Phone Policy:** [Cell Phones and/or Electronic Devices](#) will not be permitted in class at any time. These devices interfere with students' ability to focus on academic work and can be detrimental to a student's social and emotional well-being. Failure to comply with this expectation will result in disciplinary action as per the Student Code of Conduct.
