As stated, our areas of focus for the school year are Student Attendance, Student Performance and Student Adherence to the Code of Conduct. USS New Jersey

It was an honor to welcome members of the United States Navy to the high school last week as sailors from the newly commissioned Nuclear Submarine, the USS New Jersey visited students in several of our classes. This impromptu visit has left a lasting impression on our students and we are grateful for the opportunity to talk with them about their roles and responsibilities on this incredible vessel.
