NORWALK-LA MIRADA UNIFIED SCHOOL DISTRICT
Every Student. Future Ready. Our Promise!

A Visual and Performing Arts Magnet School, Benton is a destination for the arts and more! Benton's unique 4X4 block schedule provides students with three year-long electives taught by specialists in their respective fields. Students have the opportunity to explore and develop their talents in the arts such as music, chorus, dance, theatre, photography, video productions, digital/media arts, and studio art.

At Benton, we are committed to helping each student reach their highest potential, find their passion, make meaningful connections between the world and their learning, and prepare for future success.
