Sport Participation

Academic Eligibility:

- Students are required to be **passing every class** and have a minimum **G.P.A. of 2.0** to play.
- Formal grade checks will be completed at quarter and mid-quarter.
- Students must maintain eligibility throughout the season to play.
- Ineligible students will be placed on probation, but are allowed to practice, but not compete or travel. Ineligible students have **two weeks** from the time they are declared ineligible to raise grades.
- Students placed on probation must get grade checks for the remainder of the season. If at any time they fall below the requirements again, student is off the team for the remainder of the season.
- Suspended students are not allowed to participate in activities until the day after suspension is over.

Attendance:

- A student must be in **attendance the entire school day** in order to practice or participate in any extracurricular activity.
- Activities on **non-school days require full attendance on the school day prior** to the activity.
- Exceptions may be requested prior to the absence and approved by a school administrator. (Example: Student has an excused absence to miss one period due to a dentist appointment).
