We are very excited that Catamount has extended the opportunity to host their Group Advant-Edge Program for the Millbrook Community. **Please be aware that these are not Board sanctioned trips and the club has no affiliation with the District.** Parents are responsible for transport to/from the ski area as well as the supervision of their child(ren) while at the mountain/lodge.

We are available to answer any questions you may have through email. **The deadline for signing up is December 1st. Late registrations will not be accepted.**

Thank You,

Sarah Gonzalez & Jason Zmudosky
Coordinators
