Dear Lloyd Road Elementary School Community,

It is an honor to serve as the principal of Lloyd Road Elementary School and to work with the incredibly dedicated and talented staff at Lloyd Road. While the 2024-2025 school year marks my second year at Lloyd Road, it is also the start of my 13th year as an administrator with the Matawan-Aberdeen Regional School District (MARSD), and my 21st year in education. During my time in Matawan-Aberdeen, I have served in various capacities including Director of Instruction and Evaluation, Assistant Superintendent of Curriculum and Instruction, and Director of Data, Assessment, and Accountability.

Before becoming a school administrator, I started my teaching career in the Red Bank Borough School District, serving as a special education teacher, literacy coach, and, later, as a Supervisor of Curriculum and Instruction. Over the last 13 years here in MARSD, For nearly four years, I served as Co-Chair of the Monmouth Curriculum Consortium (MC3), a non-profit educational organization dedicated to sharing ideas and resources to improve learning and leadership in local school districts. I currently serve on the Matawan Public Library Board of Trustees.

I am eager to continue to utilize my knowledge and experience to support the students, staff, and families of Lloyd Road Elementary School. I am committed to supporting the implementation of our district's vision to ensure all students become lifelong learners, critical thinkers, and creative problem solvers who achieve success as valuable and contributing members of society. I look forward to meeting with parents, students, and staff throughout the upcoming school year as we work together to achieve our district's mission of fostering safe and equitable learning environments that celebrate our diverse learners and provide the necessary resources and support to ensure their success.

Sincerely,

*John Bombardier, Ed.D.*

Dear Lloyd Road Community

I hope everyone has had a great start to the 2024-2025 school year.

We have already made some great memories together! Our students are working hard and learning a lot!

It has been terrific getting to know our new 4th graders and catching up with all of our 5th graders.

Keep up the great work. You make us proud!

Please continue to check our virtual backpacks so that you remain up to date on all of our activities and important information.

Fondly,

*Cristina B. Olsen*
