

Family Math Engagement
Grab & Go: Time

Materials:

- Analog clock
- Paper template of a clock

Steps:

1. Cut out the paper template of a clock.
2. Tell your child a time, and then the child will build the time on the clock.
3. Begin with the whole hours.
4. Then once mastered, move to times ending in quarter and half hours.
5. Progress to times ending in 0 and 5.
6. Finally, practice telling time to the minute.

Lagniappe:

- Anytime you see a clock, ask your child to read the time.
