

**Family Math Engagement**  
**Grab & Go: One Step Equations and Inequalities**

This activity would be best used by:	
<input type="checkbox"/> Schools	<input checked="" type="checkbox"/> Families

**Materials:**

- scissors
- color copy of below chart

**Steps:**

1. Cut each equation or inequality and match it up to its solution or graph.

Equation or Inequality	Solution or Graph
$x + 7 = 10$	$x = 2$
$x > 3$	
$5 - x = 3$	
$x \leq 4$	$x = 24$
$\frac{x}{4} = 6$	
$x \geq 1$	
$5x = 45$	$x = 3$
$x < 6$	$x = 9$

**Lagniappe:**

- An open dot/circle means it is NOT equal to that number on the number line. A closed dot means the number is included.
