Physical Ed/Health 2 Semesters = 1 credit
Fine Arts/ CTE 2 Semesters = 1 credit
Elective Credits 12 Semesters = 6 credits
Civics Test Total - 22 Credits

THE SCHOOL AND THE COMMUNITY

Cibola High School is one of the largest schools in the Yuma Union High School District #70 and is accredited by Cognia. It opened in 1988 and its name is derived from a legend in Spanish history about great and limitless riches in the Seven Cities of Gold. Students selected Raiders as their school mascot.

The City of Yuma is located in Southwestern Arizona, within ten miles of Mexico and California. The Yuma community has a year-round population of approximately 95,000 residents. It is composed of predominantly Hispanic and White ethnic groups. The main economic activities of the area include: agriculture, tourism, light industry, and government services, including two large military bases. Yuma's six public high schools serve the largest number of migrant students in Arizona. Cibola High School, with a student population of more than 2,500, has approximately 200 migrant students.

THE ACADEMIC PROGRAM

Cibola High School offers courses in multiple disciplines with a focus on academic rigor through the Cambridge Curriculum. Several Career and Technical Education programs as well as AVID, Advanced Placement courses, and dual enrollment courses are offered.

For more information visit: <https://www.yumaunion.org/cibola>

- The Career and Technical Education program offers 19 dual credit courses.
- Nineteen Advanced Placement courses are open to all students.
- Project-based learning is embedded throughout the curriculum and most courses engage students in long-term investigative projects, which often address local issues affecting the community.
- Cibola High School offers AVID at every grade level.
- Cibola High School prepares students to be college, career, and community ready through the development of an Educational Career Action Plan (ECAP). ECAP personalizes the education experience, empowering students to align coursework and extracurricular activities with a career pathway that reflects individual interests, skills, and values.
