

Third Party Assessments

Third Party Assessment Showcase

Tuesday, December 3, 2024

Please join Eastern Suffolk BOCES as we host a vendor showcase featuring 3rd Party Assessment products. We believe this is a perfect opportunity for your district to take a look at what these products can do to help students succeed. Whether you currently subscribe to one or more of these products or are new to this service, the vendor showcase will give you an opportunity to better understand how these computer based assessments can be utilized to help guide instructional decision making, analyze student achievement and growth as well as evaluate the effectiveness of curriculum and programming. This showcase is open to teachers and administrators both at the building and district levels.
