V: NEW BUSINESS

A. Discussion happened between the Board of Education and Administration regarding the next step in the process of the defeated school budget and bus proposition. The options are:

*could put same budget out on June 1, 2018 – timelines from New York State

*could go to contingency budget – no increase in tax levy, restricted in some items – use of building, equipment purchases

Steve Kowalski asked the board members what they feel the district should do;
Kim Cizdziel - she would put it back up - does not understand why the bus went down,
this is for the safety of the students,
Teaseleman Jackson-McCarty – put back up for revote,
Tim Ploetz – not sure what to do,
Mike Harmony – contingency,
Steve Kowalski – whatever the majority of the board wants to do.
Kowalski asks the board if they want to vote on revote or contingency first.
Moved by Jackson-McCarty, seconded by Cizdziel to put forth before the voters of West
Valley Central School District the same budget and bus proposition that was defeated
