

## What is it?

Rockdale Elementary School is committed to our vision: Empower and challenge all students to achieve personal excellence for college and career success. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.

## Funding

Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.

## Review

All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE Program.

## Family Meetings

Parent Meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the conference room. You can enter through the main entrance facing Bowser Street. The information is the same for both coordinating meetings and will be offered both in person as well as virtually via Google Meets. Different meeting times are offered for family convenience. Beginning in September RES will hold family meetings as follows:

- The first Tuesday of the following months: September, November, February, and May. Meetings will be held at 5:45 p.m. (prior to the PTO meeting at Rockdale ISD Conference Center)

### **Curriculum**

Rockdale Elementary School utilizes a high-quality curriculum that supports student success.

### **Forms of Academic Assessments**

Rockdale Elementary School has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment provided by Amplify, CIRCLE, Renaissance STAR Math, running records and ESGI.

### **Expected Achievement levels on academic assessments**

Rockdale Elementary School tracks each child's growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.
