

Parent & Family Engagement Program 2024-2025

What is it?

Rockdale Intermediate School is committed to our vision: Empower and challenge all students to achieve personal excellence for college and career success. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A State Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.

Funding

Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.

Review

All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.

Curriculum

Rockdale Intermediate School utilizes high-quality curriculum that supports student success.

Forms of Academic Assessments

Rockdale Intermediate School has common formative assessments that every teacher gives. No matter the teacher, each child is assessed via the same assessment, aligned with the TEKS Resource System, and modeled after the State of Texas Assessments of Academic Readiness or STAAR test. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.

Expected Achievement levels on academic assessments

The State's Performance Standards can be found on this website: <https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards> Rockdale Intermediate School tracks each child's growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.

Ways to Request regular meetings

Guardians can bring any suggestions, ideas, or concerns to the administrative staff. To request a meeting with your child's teacher(s), please email the teacher or call the campus office at 512.430.6200.
