Be a Part of Wildcat History!

Mifflinburg Wildcat Stadium Project

For the past decade, our school has been unable to host home track and field events. Due to the lack of a suitable facility, we have had to rely on other school districts to hold our meets. We are also one of the last school districts in Central Pennsylvania that does not have a turf field. This has not only limited our ability to showcase our athletes on home turf but has also impacted the sense of pride and community involvement that comes with hosting events on our own grounds.

This facility would showcase the following sports:

- ❖ Track & Field
- ❖ Field Hockey
- ❖ Soccer
- ❖ Lacrosse
- ❖ Football (To be determined)

One of the most exciting aspects of the new stadium is its capacity to host playoff and invitational events, bringing more visibility and engagement to our school and community. This multi-purpose space will benefit not only our students but the entire community for years to come, strengthening connections and fostering a sense of pride and unity.

We look forward to making history with YOU!
