**Do YOU need service hours?**

**Would YOU like double the service hours?**

**Do YOU have a "green thumb"?**

Alto Senior Living needs volunteers to plant daffodils in front of the property across the street from Northview High School. This service project is in conjunction with the John's Creek Beautification initiative. The city has large groups of daffodils planted all over the city. We planted over 1100 bulbs last year and we aim to plant another 500 on Saturday October 26th. It might only take a few hours (2 or so at the most). We will give you double the volunteer hours if YOU are able to participate. Please let Coach Adley (Health room # 944) know ASAP if you can help.

## Freshman Halloween Event

Join us for a Halloween Event in the Media Center on Tuesday, October 29th from 3:30pm to 5:30pm. We will be watching a Halloween movie and hanging out with friends. If you plan on attending, please scan the QR Code to sign up.

## Hurricane Relief Fundraiser

As many of you know, recent hurricanes have devastated communities, leaving people without homes, resources, or support. To help those in need, our Senior Class Council is partnering with the Red Cross to raise funds for Hurricane Helene and Milton relief efforts. Your contribution, no matter the amount, can make a meaningful difference for those affected. If you would like to donate, please scan the QR Code below. Thank you all for your support!
