Blue and White

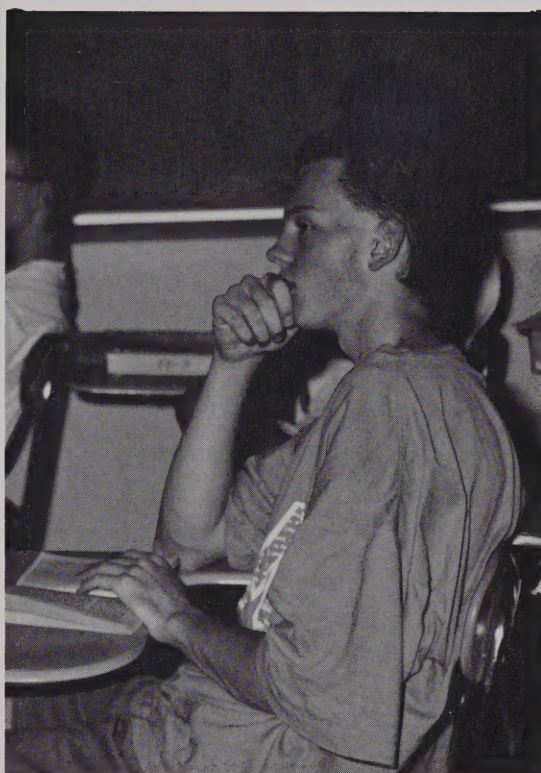

1992 Blue And White

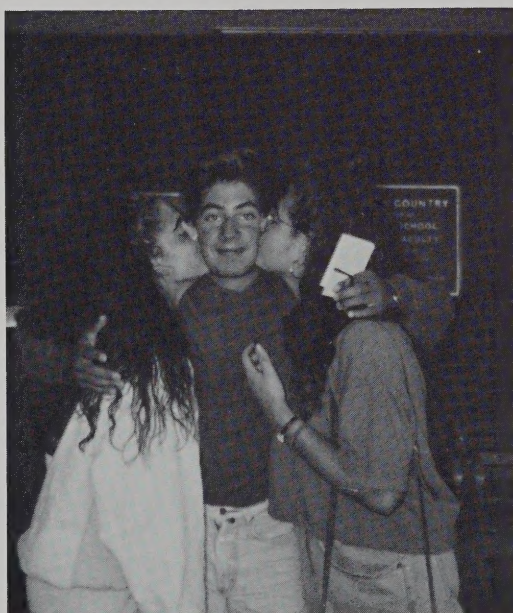

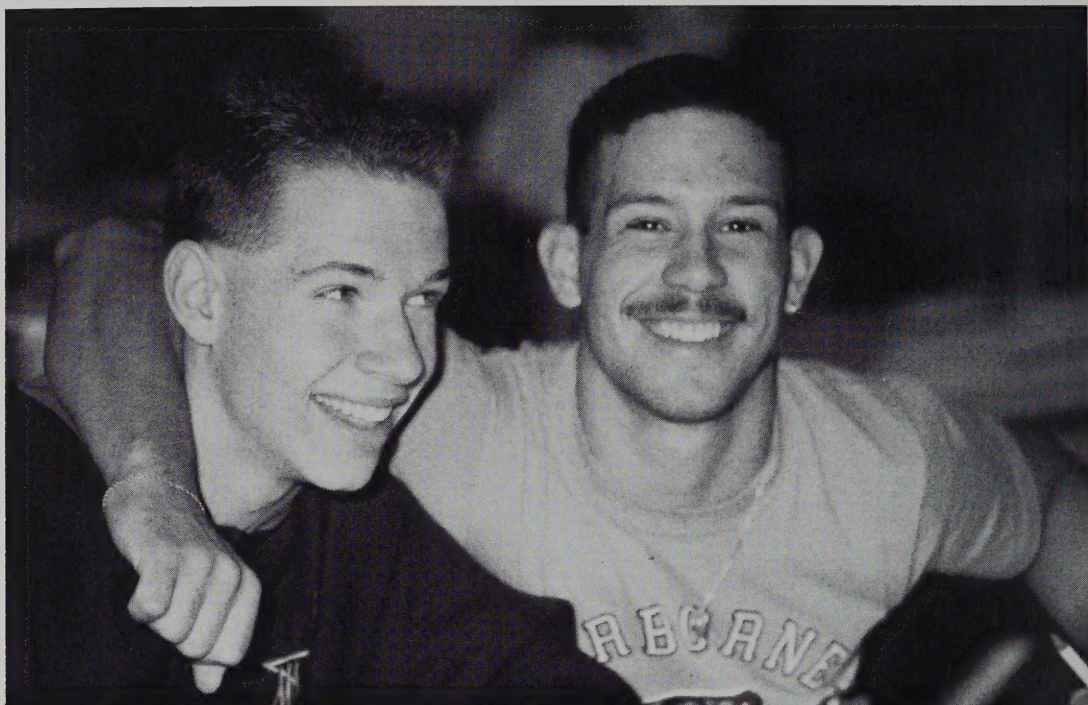

Medford High School
Medford, Massachusetts

Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences,
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you.

Empty moments
are filled with thought
and expectation

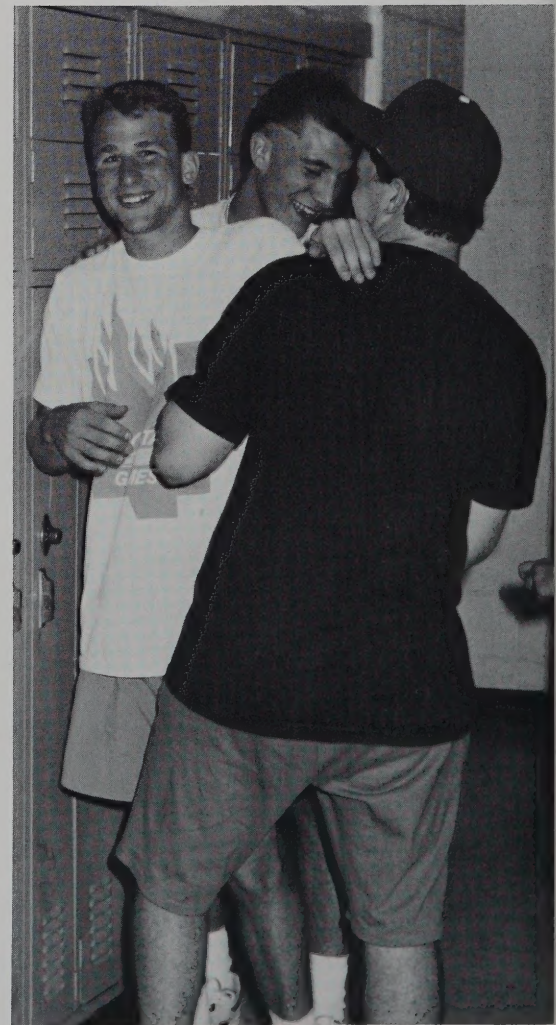

Life
is full
of old friends

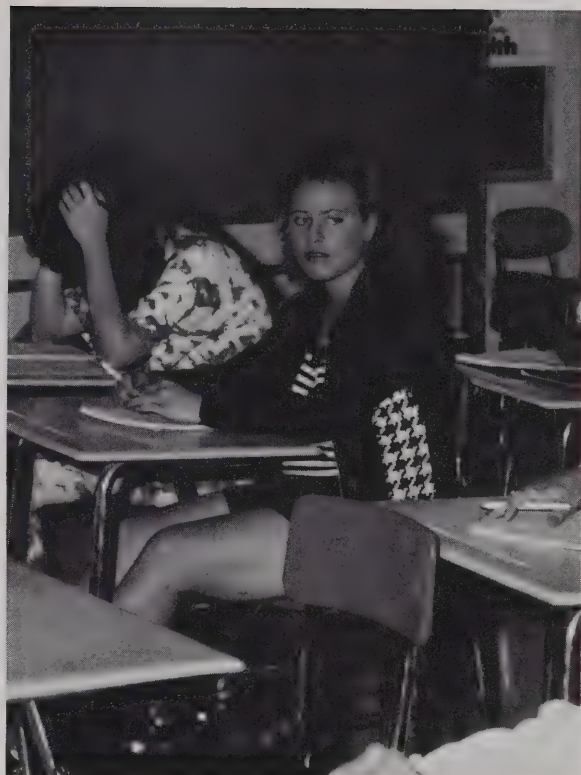

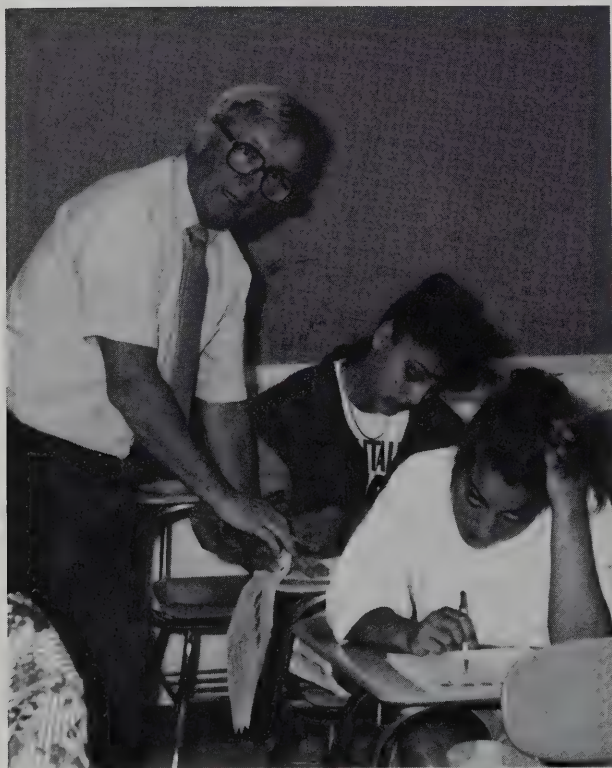

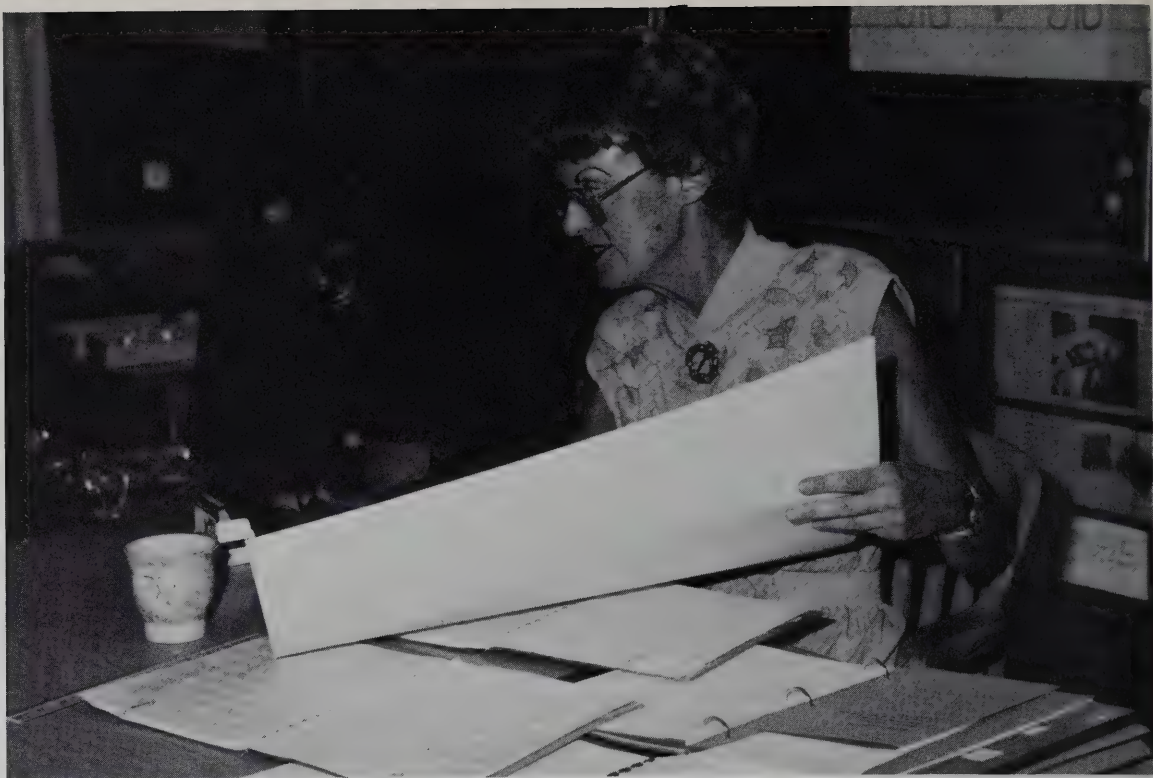

Often we fail
to look around the corner
yet our neighbor
is always present

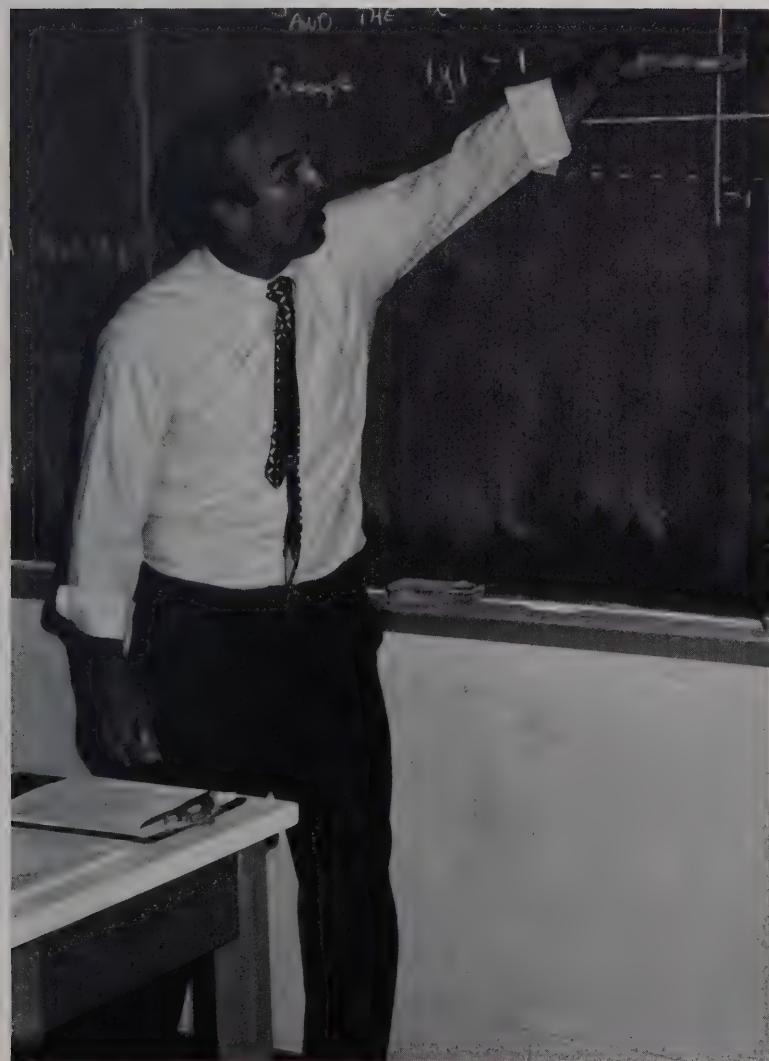

The unknown continues to attract man
Uncertain of what awaits him he searches to find
himself

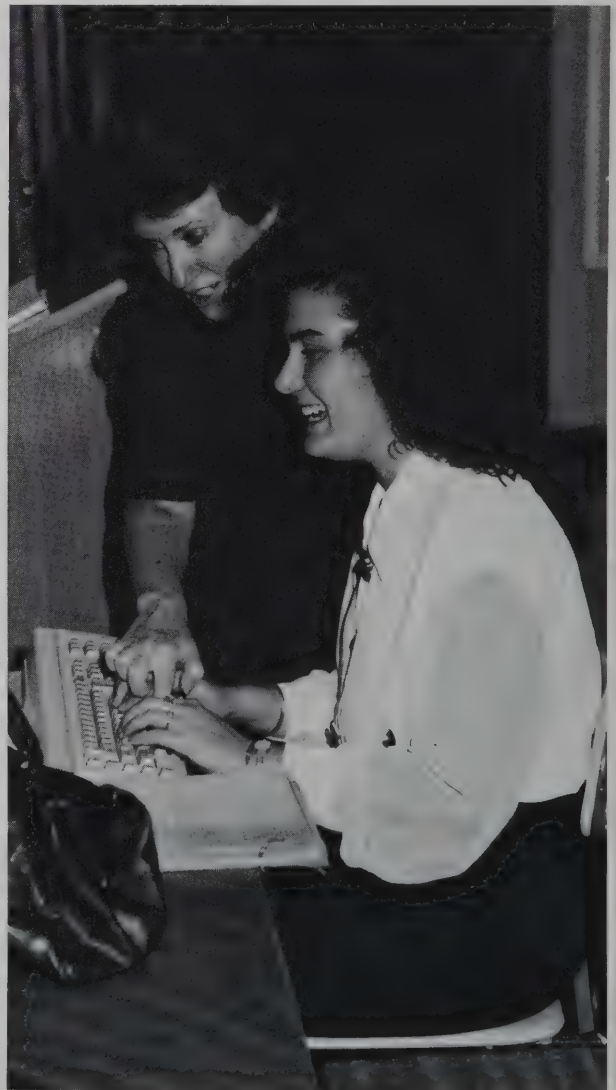

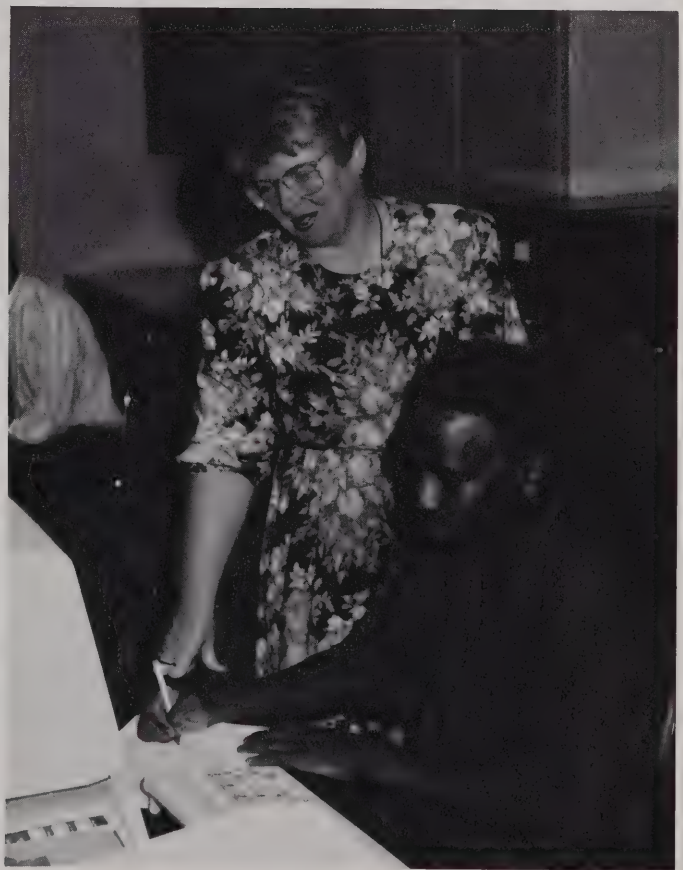

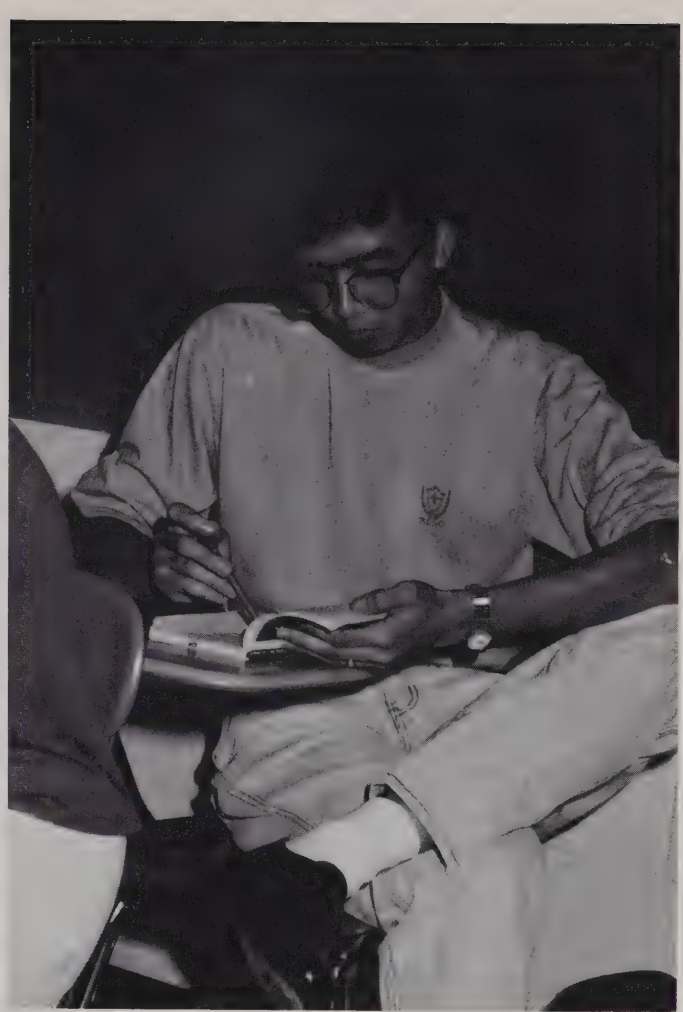

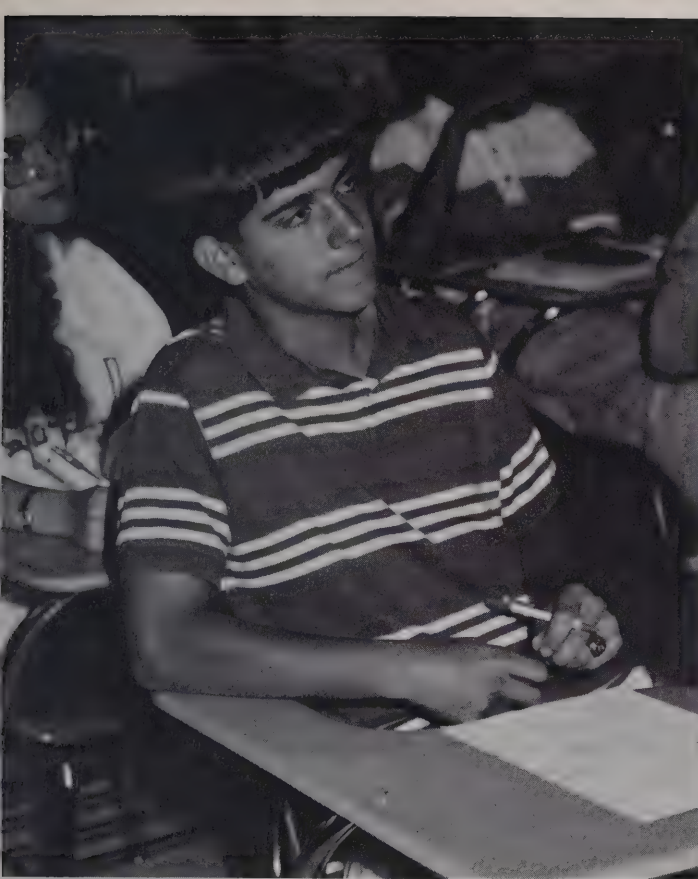

So often it seems
our fate
is determined
by others

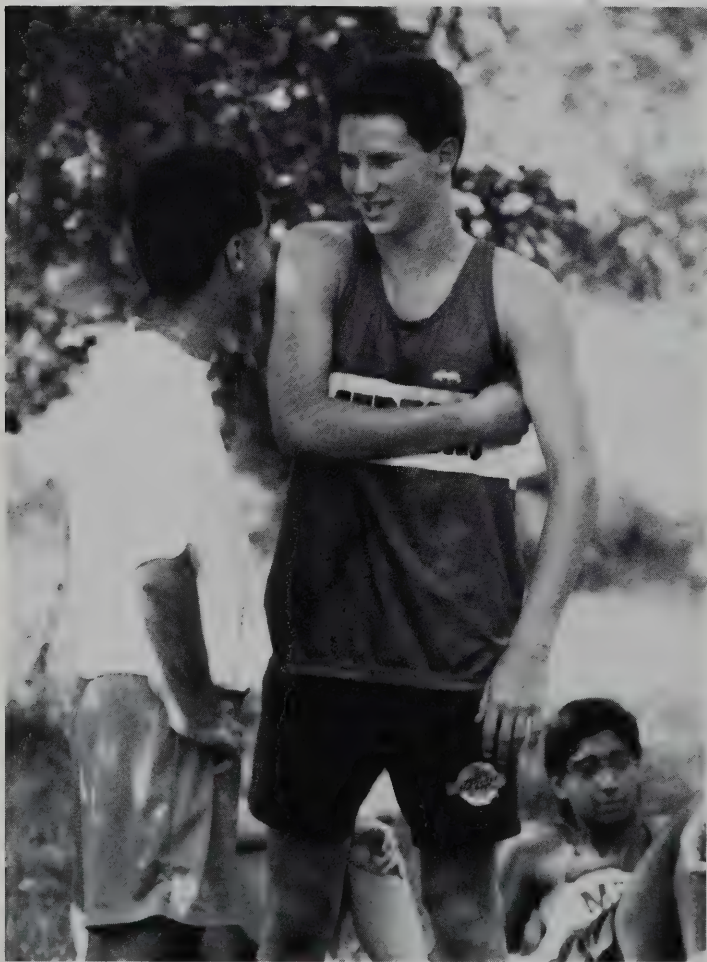

Time
requires much of anyone
eager to learn

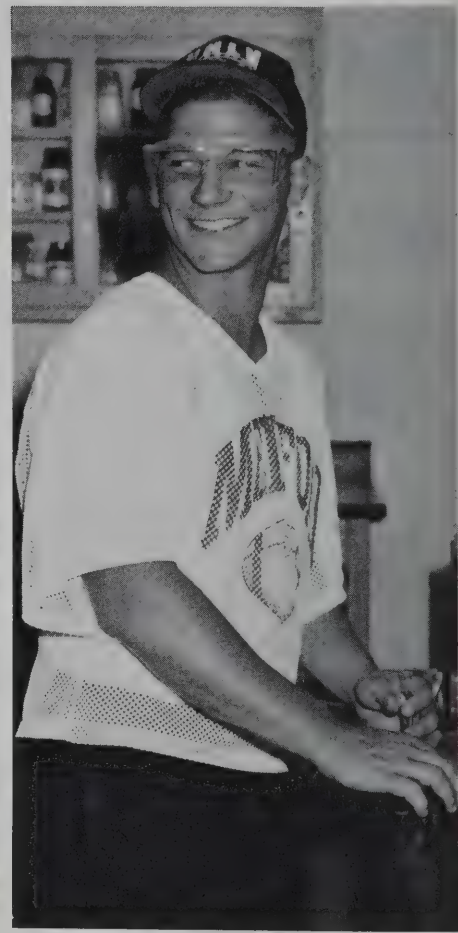

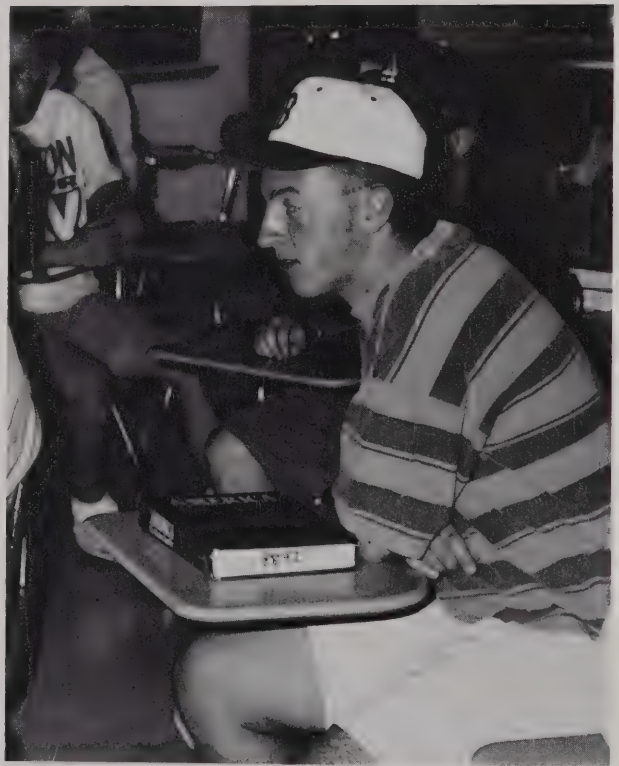

Life
is a continuous trial
of one's endurance
and intelligence

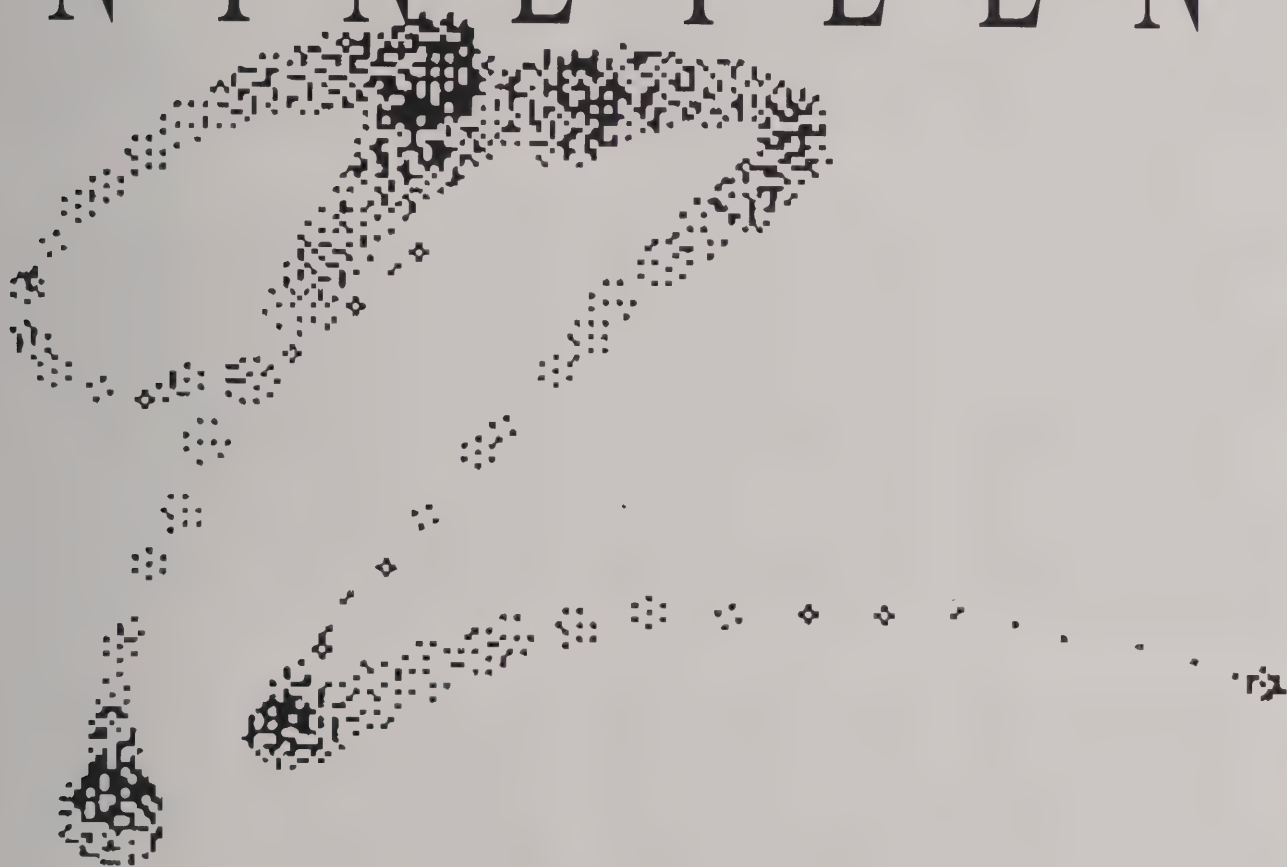

What we are today
we built yesterday
and hope to improve
tomorrow

FACULTY

To the Class of 1992, I wish to extend my personal congratulations upon your graduation from Medford High School. From an educational experience that has crossed parts of three decades, the demands have been both personal and different. Your individual success and achievement in a complex and diverse environment is the basis of pride and recognition, and I am pleased to be able to share that with you.

At an age when the future is often viewed in hours or days, rather than generations or lifetimes, the challenges are going to abruptly change. Childhood has ended, and regardless of the direction of your next step, it most certainly will be more independent than all those that have preceded it. Learning is far away from over, but experience may be your next best teacher. Your reliance on others will mature as others begin to rely on you. Knowledge will still be the core of good judgment, as you build faith in your instincts and enjoy the satisfaction of new success. This rite of passage is very real, not merely symbolic, and it is wonderful that as classmates you will share with so many your own graduation day.

On behalf of the Medford Public Schools, I wish you a happy and fulfilling future.

Philip F. Devaux
Superintendent

Salvatore A. Todaro
Headmaster

Congratulations to the members of the Class of 1992 for the many fine contributions each of you has made during your four years of matriculation! Your contributions included the improvement of the quality of life and the educational culture of the school in a positive and lasting fashion. The classes to follow will do well to emulate your ideals and your commitment to purpose.

The high ideals fostered by your class centered on helping culturally and economically disadvantaged persons in society by reaching out and offering assistance in many ways. Some were well-planned while others were extemporaneous expressions of concern and sensitivity. The humanistic qualities possessed and expressed by all of you were genuine, enduring, and they were a breath of fresh air in a rather confused and complex world.

The sequel to your expression of compassion was equaled only by your commitment to achieve pre-established goals. Your achieved goals will serve as beacons to lighten the often darkened and winding roads that lie ahead. Certain roads may appear to be perilous at times, but I feel confident that the knowledge you gleaned during your four years will hold you in good stead in conquering each challenge, while you progress to new heights.

Trials and tribulations are a way of life that need to be resolved in a forthright manner. This will necessitate activating your decision-making prowess to bring about meaningful and lasting resolutions. Resolve them you will, and become a better person for it, because each life experience is a learning process that will nourish and enrich continual growth. Each of you will explore and find answers to the unknown through perseverance, dedication, and the never-ending desire to be a respected participant in the arena of life.

As you conclude your educational experience in the Medford Public School system, I hope that learning will become an on-going process that will serve your every need. Learning is the vehicle that will keep you from ignorance and provide you with new rays of light to help achieve a myriad of personal goals. The mind needs to be re-energized on a regular basis by probing new and uncharted waters for a lifetime of meaningful and productive involvement in an everchanging society.

In closing, I should like to leave the Class of 1992 with a thought best expressed by Henry Wadsworth Longfellow . . . "Lives of great men all remind us we can make our lives sublime, and, departing, leave behind us footprints on the sands of time" . . .

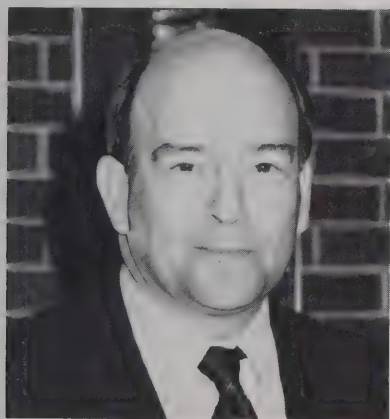

Lawrence R. Volpe
Director of Vocational School

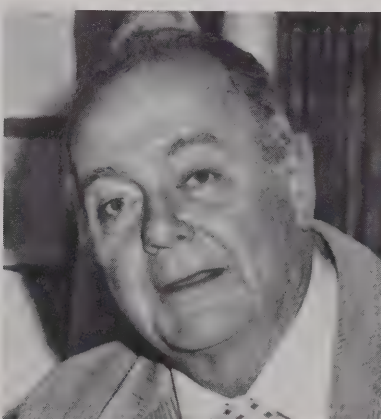

The Class of 1992 is to be congratulated on the attainment of the personal goal of graduation from high school. Your hard work, commitment to task, school spirit, and social awareness will stand you in good stead in all your future endeavors. High School years are unique and special and will leave you with a lifetime of memories as you look back on "The good times." Even as we deal with difficult issues such as AIDS, domestic violence, and a recession, we must always keep a sense of humor and a positive perspective on life in order to remain on an even keel as an individual and as a society. Our memories of high school usually evoke thoughts of a time when life was less complicated, laughing was easier, and friends were numerous.

Life, after graduation, will bring several challenges. Be comforted by the fact that your hard work which has allowed you to receive your diploma will provide you with the necessary tools to meet these challenges. When you don't have the answer to a particular problem, you will have the thinking skills to research solutions or the wisdom to know when you need to ask for assistance. Your educational experience in the Medford Public Schools will be "The Wind Beneath Your Wings." Set your goals high, plan your strategy for attainment, give it your best effort, and success and happiness will surely find you. You are bright and talented young men and women who have what it takes to have a successful life and the ability to make a difference in society. Medford High School is a better place today because of the Class of 1992, and let that be your legacy to the future.

In closing, I wish to express my best wishes to every graduate and my sincere hope for your success in all aspects of your life. I would be remiss if I did not also praise the efforts of your parents and guardians for their role in your successful completion of high school. I would like to leave you with this thought from Walter Cronkite; "I can't imagine a person becoming a success who doesn't give the game of life everything he's got."

Cheerleaders

For the first time in Medford's history, this squad has received a bid for the National Cheerleading Competition in Dallas, Texas. There will only be 100 squads shown on ESPN.

They funded their trip by canning, private donations, fundraising, and a walk-a-thon.

The varsity squad is lead by Senior captain Kerri Giannetti and co-captains Lisa Marino and Lori Palumbo. This squad practices 15 hours per week. They are coached by Cheryl Pasinato who is in her fifth consecutive year.

First Row(l-r) Co-Capt. Lisa Marino, Capt. Kerri Gianetti, Co-Capt. Lori Palumbo. Second Row(l-r) Melissa Fiumara, Michelle Parziale, Laura LoCoco, Jennifer Gustafson, Sharon Alley. Cheerleaders

The Medford High School Soccer and Hockey Cheerleaders attended the VCA Cheerleading Camp at Emmanuel Camp in Boston.

The Medford squad competed for the Cheer Championship and the Chant Championship. The squad won the Leadership award which is only won by vote from the VCA staff, eleven ribbons for their performance band took home a spirit stick which displays spirit, enthusiasm, and dedication throughout their stay at the camp.

The squad is led by captain Eleanor Crane and co-captain Amy Hackett.

1st Row 1-r Lisa Corsetti, Tammy Passas, Laura Distasio, and Danielle Bramante. 2nd Row 1-r Robin Sarno, Gina Bongiorno, Tracy Piscatelli, Eleanor Crane, Capt., and Amy Hackett, Capt.

Girls Soccer

The Medford girls soccer team went undefeated into the Division One Eastern MA Tournament. The Mustangs record was the third highest in the Division, placing them third in the state.

This season was the first for the girls soccer team to claim a GBL titles. Mustangs faced Danvers in the first round and Debbie Gately scored three quick goals in the first half and won the game. Mustangs lost to Framingham in the quarter finals. The GBL title was fought hard against Waltham and a 4-0 victory resulted, winning the title.

This years varsity soccer team was undefeated guided by Coaches Al Luongo and Jim Rainho with Senior Tri-Captains Denise Cantillon, Maura Fleming and Erica Peterson.

The regular season won fifteen games, no loses, and only two ties.

The Medford High school boys soccer team, lead by All-Star Captains John Scarpelli, Goalkeeper Bill Travers, David Saraceno, and Scott Resendes, won the Greater Boston League championship with a 14-1-1 record. Seeded first in the Division I North tourney, Medford drew a first round bye before facing and defeating Billerica, 1-0. In the semi-final game verses Lowell, Medford played four overtime periods over two days before dropping a 4-2 decision. Contributing to Medford's outstanding season were seniors Mike Travers, Jerry Bruno, John DiNitto, and Stan Sylvert. Underclassmen also came through for the Mustangs, led by forwards Mike Cangiano, Rich Fleming, Mark LoCoco, Rob Luongo, and Tom Cantillon. Bolstering a solid defense were Fred Pimental, Emilio Ciasullo, Mike Rosa, Ehren Lister, and Steven Clark.

Mighty

After a slow start the Mustang Football Team has rolled up three wins in a row by a combined score 96-0 heading into the final two games of the season. Despite losing its first five games against some quality opponents. The Mustangs were in every game with a tough aggressive defense. The defense was lead by Sr. Captain Donald Parks, Paul Morey, Captain Chris Patterson, David Tenney, Jimmy Bennet, and Sean Yenowskas.

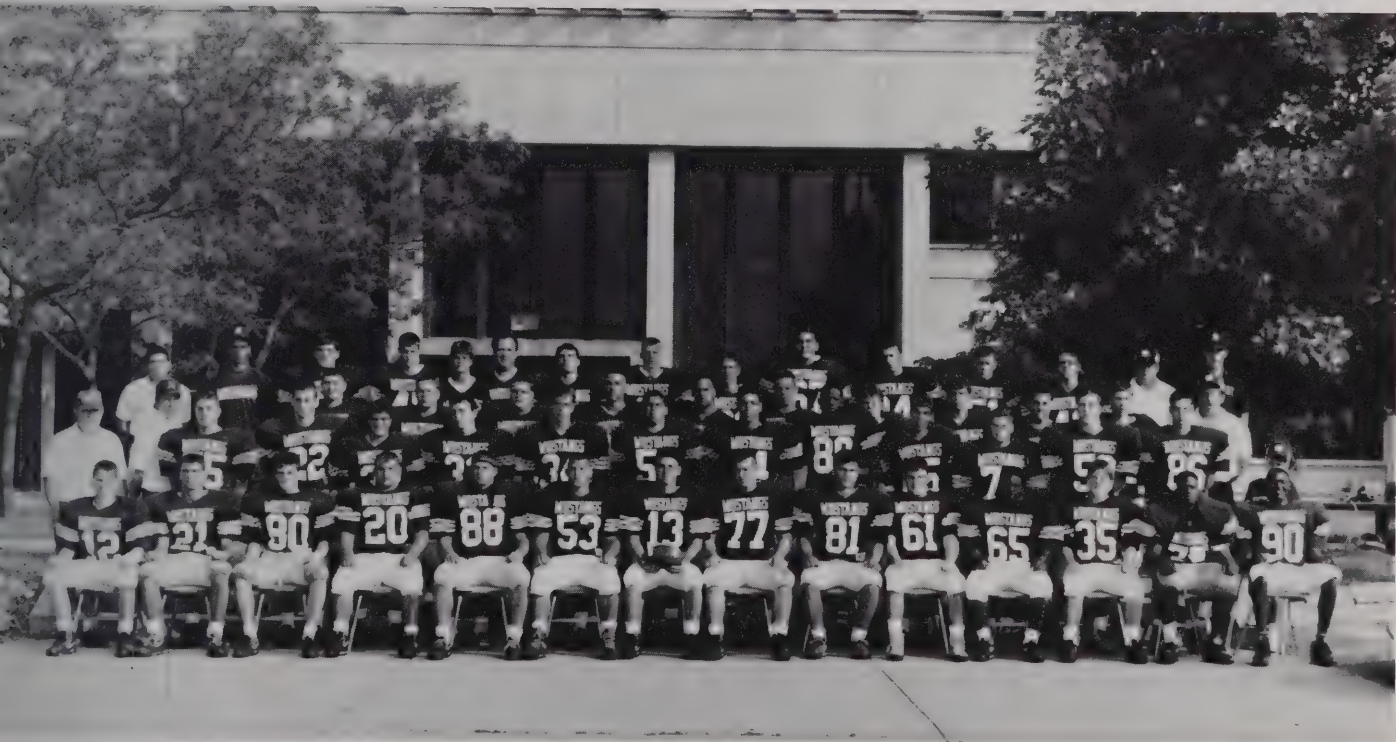

The offense came alive, Medford vs. Peabody with a 27-0 win, followed by a 35-0 victory over Cambridge and a 34-0 win over Everett. Paul Morey had over 100 yds. rushing in each game and Captain QB Mike Moreno led the offensive charge as well as handling all kicking duties. The offensive line of Randy Nasson, Chris Patterson, Donald Parks, Chris Modica, Eric Morris, Rich Marino and Rob Grieco opened up big holes and all the backs, including Morey, Jon Verrengia, John Maciarelli, Dave Dussault, Dave Tenney, and Andre Beckett, ran well.

Coach Kelley and the fourteen Seniors are hoping to stay on this roll as they head into the Final two games of the season including the traditional Thanksgiving Day Game with Rival Malden.

The Girls Cross Country had another outstanding year with a record of 8-0-0. The team, led by captains Alice Reynolds and Denise Penachio, ended the season undefeated. The team's first triumph was in August at the Lynn Woods Relay Race where they came in first. The relay team consisted of D. Penachio, L. McKeone, D. Penachio, and K. McLean. By the end of the summer, the team had started up in a full swing training program with the help of Coach Lou Ruiggiero and Assistant Coach Steve Percella. They won their first meet against Peabody. After that race, the girls knew they hadn't any competition except for Cambridge 28-29. The top runners had to push each other to become the G.B.L. Champs. The top runners had a very good year; Denise ending with four wins all together; Lauren and Darlene with additional wins. At the League Meet, the Mustang girls were working hard with at least a minute dropping off of everyone's time. Denise came in fifth, the first Mustang to finish with at time of 18:49 over the 2.9 mile course. Amanda came in sixth, Darlene seventh, and Lauren twelfth; all of which were named G.B.L. Allstars. Other great performances in Division I meets include Darlene who came in 18th at Our Lady of Providence in Rhode Island, Denise (41) and Darlene (35) at Catholic Memorial Meet, Lauren (22) at the State Coaches Meet at Franklin Park, and Darlene (26) at the State Meet Franklin Park. The hard work paid off, leaving them G.B.L. Champs for the second year in a row.

The Medford High School Cross Country started their season as virtually no-ones in the state, but they knew in their hearts that they could run with the tops.

Their season began in July with captians practice lead by: Christopher DiFronzo, Shawn Morrissey, and Joshua Smith.

After training for two weeks, Medford was ready for their first preseason meet at the Lynnwood Cross Country pace.

Medford's season began with a meet against the arch rival Peabody with a crushing defeat 15-50. The next meet was against Revere. The harriers destroyed them, 15-50.

The Mustang's reached their toughest meet of the year; Cambridge Rindge & Lain. However Medford fell short 23-33.

The Blue and White travelled victoriously to Rhode Island to run in the "Our Lady of Providence" meet. The varsity team was led by Daniel Sciortino (6th place), and Sean Griffin (7th place) and took overall second place scoring one point behind Dennis-Yarmouth.

Medford romped over Somerville and Everett by the same score of 15-50.

In the Catholic Memorial Invitational, the Mustang's placed second. However, the team that beat the Mustangs was from Pennsylvania.

Medford won it's las dual meet against Waltham (15-47) and ended up with a 6-1 record in the league; 9-1 overall.

The Harrier's went to the Northern Area Meet beating their opponent by 58 points.

Medford's next meet was the league meet and they wound up in second place, six points behind Cambridge.

In the league, Medford had the most All-Stars. The All-Stars were James Casey, Sean Griffin, Daniel Sciortino, Joshua Smith, and Shawn Morrissey.

Medford was in the Division I State Meet and scored a total of 161 points which was low enough to earn a spot in the All-State Meet.

This year is the first in history of MHS Cross Country in which the team made it to the All-States. The Mustangs ran well in the All-State Meet and ended up coming in tenth overall led by Daniel Sciortino's 15th place finish.

This year the golf team entered into the Greater Boston League for Varsity Golf with Coach Mr. Frank Jewett and Captain Scott Martell. This team finished fourth in the league. The record in the GBL was 4-5-1 and the overall season score was 6-9-1. Matches were against: Stoneham, Winchester, and Watertown. The level of competition was good with many matches being decided by the play of the last foursomes to finish.

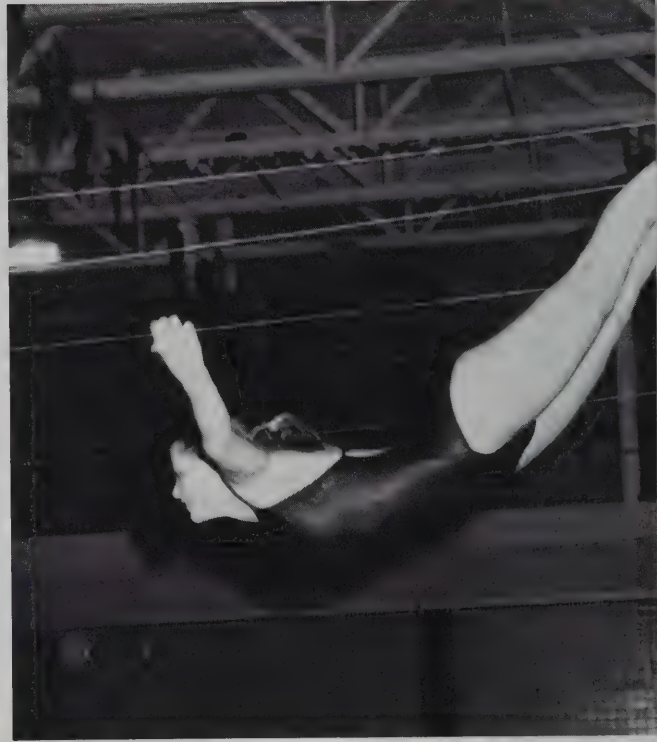

Teeing Off The Season

Standing l-r Michael Colangeli, Jerry Grieco, Steven Shea, Scott Martell, Coach Jewett, Jason Feeley, William Condon, Brian Patten, and Joe Baldini. Missing - Matthew Galusi and Keith Mangan.

Swim Team

The Medford High Co-ed Swim Team went out to a slow start in the season but progressively improved in every meet they swam. The team composed of twenty girls and ten boys they struggled to maintain a high standing in the G.B.L. but fell a little short of their goal. The top swimmers for the Mustangs from the girls' side were Alice Reynolds and Jennifer Burke, both of whom are captains of the entire squad. Both swimmers specialized in the 500 freestyle. Senior Michelle Burke helped the team by completing the 100 butterfly and the 200 yard I.M. Also performing well were Laura Pinkos (butterfly) and Rachel Tardelli (freestyle), both Juniors. The boys' swimmers were led by Michael Graffeo (breaststroke), Marc Santino (freestyle and Joseph Farnham (freestyle). The diving squad was led by Freshman Corey Doyle who broke Jean Smithers record from 1975 by scoring over 180 points. Freshman Danielle Peluso also broke two outstanding high school records in the 200 and 500 freestyle.

As of January 9, 1992 the girls Medford High Basketball record is 6-1-7-1 including the Alumni Game. This year the girls began playing the alumni of the school and from this point on this will be an annual game for them. This years game was alot of fun for the girls and also for the "Old Folks". The Basketball team is full of talent this year. The Captains Maura Fleming, April Ciampoli, and Jill Gerety have shown good leadership and talent and will lead the team on to a successful season.

Boys Basketball Rising Above The Odds

This year's Medford High basketball team brought enthusiasm and pride to the school. Led by senior co-captains Robert Pizzi and Ludgar Bain, the Mustangs became an up and coming team in the G.B.L.'s. It was believed that the Mustangs didn't have the depth to complete the season on top, but this year's team proved them wrong and had an outstanding year. Also contributing to the Mustang's success was Brian Skerry, Bill Travers, Scott Lyde, Paul Whitkus, Deslie Hurdle, Jerry Bruno and Bruce Hopkins. The devotion and intensity was definitely there and was a key factor in helping the boys to such a successful season.

Mustangs Hockey Team Skates For The Win

Being ranked top in the state is quite an achievement and honor and this years Hockey Team well deserved that honor. Skating right over all their opponents, Medford once again finished in the top. With senior goalie David DiNatale in net, Medford hardly ever lost a game. Dave made countless stops in net every night making him one of the best goalies in the state. Medford's first line of center Shawn Bates, left wing Allen Fucile, and right wing Jason Feeley accounted for many of the Mustangs' goals. But the first line couldn't accomplish this all on their own. They received help from Dennis O'Connell, Chris Traniello, Bobby Sheehan, Steven Shea, and Jon Glionna. With the dedication and excellence found in this years team, the Mustang tradition of winning will continue on.

Gymnastics

With only three returning gymnasts, this year's Medford High gymnastics team could only be described as young. Even the coach was new. Deanna Ferreira began her first year of coaching at the high school level, although she had been coaching at a school of dance and gymnastics. On the injured list was captain Sonya Paolucci, a senior, with a back problem. She was unable to compete for the year but she showed up at practices to help with the team. Freshman Michelle Gaughan was also out with a finger injury but it was hopeful that she would return for the last two weeks of the season. The other captain Sandy Mabbett, also a senior, strength was on the uneven bars. Other team members included Jen Guarino and Stacey Easton, both sophomores. Guarino competed in the all-round competition, while Easton's event was the balance beam. The freshmen on the team included Susan Cataldo, Rene Loguidice, Rose Badeau, Kim Conlan, Tracie Dellacaba, Ellyn Ferrante, Gina Monteforte and Sara Thumith.

Girls Indoor Track

The Girls Track team was lead by captain Denise Penachio. The girls captured the championship tied with Peabody and Cambridge. The team is lead by Amanda Fitmeyer (hurdles and 600 yds.), Darlene Penchio (1000 yds.), Lauren Mckeone (1000 yds.) and Carolyne Gill (300 yds.) Also outstanding was the mile relay.

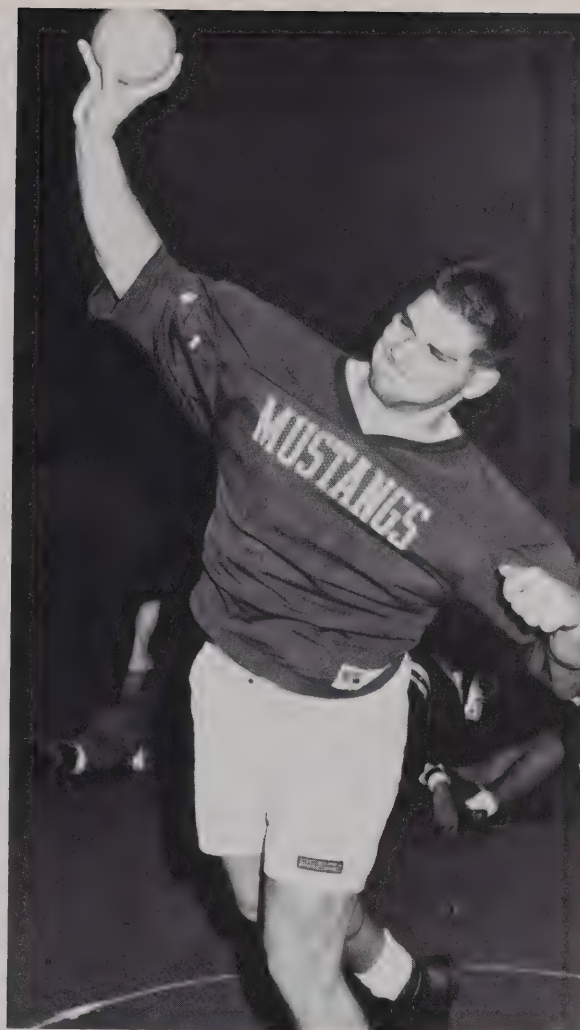

Boys Track Team

The Medford High Track team enjoyed another successful season with eight wins and two losses. The team was captained by Mike Moreno, Scott Resendes and Chris Difronzo. Outstanding performances were turned in by Dan Sciortino, Joshua Smith, James Casey, Shawn Morrissey, and Ed Villa. Also outstanding to Coach Mascoll's team were underclassman Robert Wall, Tan Alam, Sean Griffen, John Cullinane, Mike Rosa, and John Joseph Murphy IV. Outstanding was also the Two Mile Relay.

Sports In Review

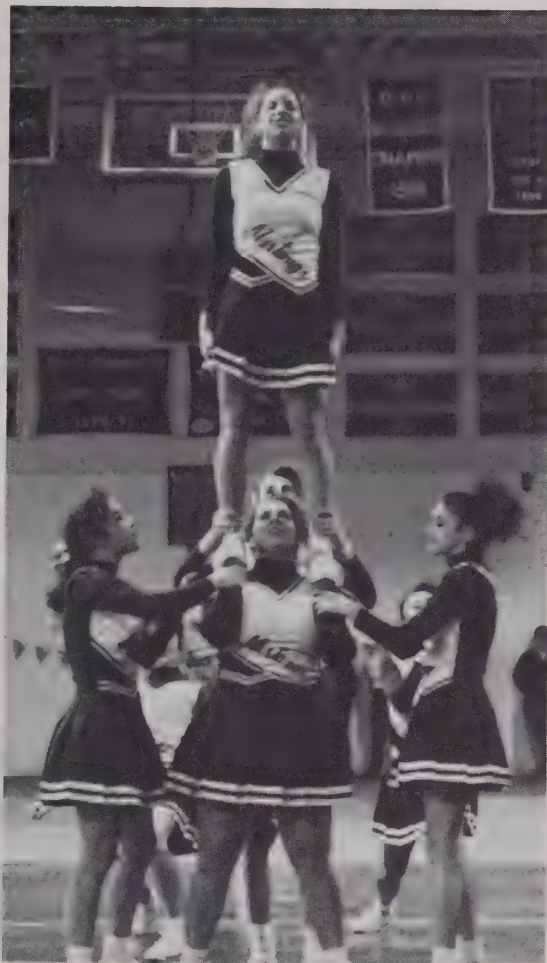

The 1991 football season was lead by senior Captains Michael Moreno, Donald Parks, and Chris Patterson. Their best games were against Cambridge (35-0), Everett (34-0), and Peabody (27-0) which helped them reach 3rd place in the GBL. The most important win of the season was against Malden (9-8) on Thanksgiving Day. The Mustangs had a better season than most anticipated. Senior all-stars were Michael Moreno, Donald Parks, Chris Patterson, and John Masciarelli. Another great season for the boys soccer team which gave them 1st place in the GBL. They had a total of 7 shut-outs for the season thanks to co-captain and all-star Bill Travers. The other captains were John Scarpelli, Dave Saraceno, and Scott Resendes all of which were also all-stars. The Girls soccer team had an outstanding season this year led by senior captains Erica Petersen, Maura Fleming, and Denise Cantillon. They had a total of 6 shut-outs which helped them to be undefeated. The GBL champs won against Danvers but lost to Framingham in the EMass Tournament. Senior all-stars include Erica Petersen, Maura Fleming, Kate Puopolo, and Denise Cantillon. The Boys Cross-Country team worked hard this year. Captains Josh Smith, Shawn Morrissey, And Chris DiFronzo led their team to 2nd place in the GBL. Senior all-stars were Josh Smith, Shawn Morrissey, Daniel Sciortino, and James Casey. The Girls Cross Country team was undefeated this season thus making them GBL champs. Important wins were against Cambridge and Peabody. Captains were Denise Penachio and Alice Reynolds. The only senior all-star was Denise Penachio. For Golf, senior putters included Matt Galusi and Keith Mangan who contributed greatly during the season. The Golf team was led by junior Scott Martell.

1992 Yearbook Dedication

The senior class had dedicated the 92 Blue and White yearbook to a well deserving recipient, Mr. Paul McKeon. Mr. McKeon an alumni of Medford High School graduated in 1948. There, McKeon actively involved in sports played for his basketball team and ran track. "Hawkeye," as was his high school nick-name originated from his expertise and quickness when it came to sports. McKeon, growing up in Medford and hanging out around Hiki Park with Mr. English was the master champion of stick ball, and well . . . basketball too! McKeon would spend hours just shooting hoop. No wonder why he's the King of 21 who will always accept a challenge!

McKeon, being a member of St. Francis of Assisi Parish at the time played basketball. Among other sports McKeon played baseball for a ward team which was common at the time. He was basically an all-around sports star!

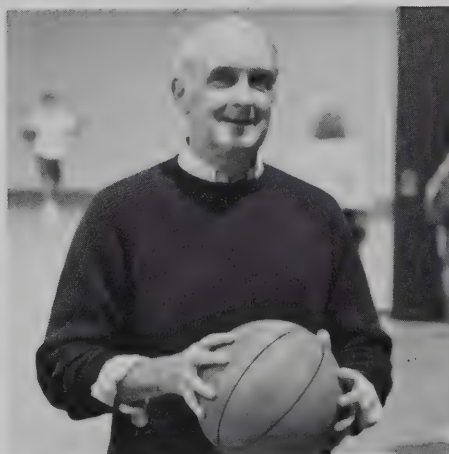

Mr. McKeon has always been a constant joker, and a good one at that, despite how absolutely corny some of his jokes have been. Ask him why fire engines are red and he'll make you laugh every time. Only that joke is a bit lengthy so beware! McKeon will always be able to put a smile on your face no matter how bad your day has been. With his extra twists, puns and wittiness, McKeon can turn why did the chicken cross the road into an all time classic.

Prior to continuing on to higher education, McKeon entered the Life Guard (in Greenland) where he was a member of the Air Force. After serving there, McKeon attended UMASS Amherst where he earned a degree in Physical Education. While in college McKeon played Lacrosse and excelled as a goalie.

Proceeding graduation, McKeon began teaching in Medford. At the time, McKeon was the only Physical Education teacher in Medford. Thus, he taught at seventeen elementary schools. Although he only may have taught at each school once a month he always managed to get to each and fulfill his requirement. Kids have always been his true passion. "If there is anyone qualified enough to do the job, it's Mr. McKeon." He's always there to talk to and give advice."

McKeon began teaching at Medford High School as soon as the new high school opened. It was here that McKeon began his great influence on the young minds of our high school students, upon which he would establish everlasting impressions.

Most recently McKeon has been elected Athletic Trainer for MHS. He took his test, passed, and now attends each and every varsity sporting event,

whether it be a boy or girl sporting event. "McKeon is extremely intelligent and could have been a P.T. or Doctor with all of the ability and experience he had." "He will definitely be a strong asset to MHS as the new Athletic Trainer." Aside from all of this McKeon is the only Medford Public Schools Physical Education teacher to have held a certified license for thirty five years.

On behalf of the senior class Mr. McKeon, "we would like to thank you for all the support, wisdom and encouragement that you have instilled in us during our four years as MHS students."

Our Class Advisors

Our class advisors for the past four years, Mrs. Parsons and Ms. Trainor, have shown themselves to be more than just teachers. They have a personal touch with the class that not many teachers can obtain. They have put a lot of hard work and their own personal time into helping with the little extras like proms, class spirit, and events that took place throughout our High School years. Being a student's friend and showing concern for their students has made them stand out as teachers. Not many people get involved in their line of work like these two women. They knew us back when we were Freshmen and watched us mature into Seniors. They stood by us through the good times and the bad, and advised us through activities which make High School the fun it should be. Mrs. Parsons and Ms. Trainor have outdone themselves in the teaching profession. For this we owe them plenty of thanks and appreciation. Thank you for all your hard work. Love The Class of 1992.

Final Thoughts From . . .

The Pres.

Our four year sentence is over and we've just made parole! Now onto bigger and better things. Never forget MHS and treasure the memories that were born there. Most of what we take away from here, the education and the friendships we've made, will only reach their real values in the days and years to come. Our lives will become separate, but will remain strangely the same as we go forward.

The V.P.

When we all first started at MHS we were all strangers. As the years passed we all became closer and closer becoming the best of friends. From the soph-semi to all MHS's sports I know that we all realize that Mustang Pride is all about. I wish you all the best of luck in the future and I hope to see you in five years.

The S.C. Rep.

These past four years have been the best for me. In those years, I've seen the class of 1992 mature and become very good friends. Also, the class as a whole has made a lot of unforgotten memories and has been through the best and sadly the worst of times. I will never forget the people I met and wish the class of 1992 the best of luck after graduation.

The Sec.

In all four years, I have not seen a class as close as our's. The class cliques were at a decrease and friendship was at it's highest. Graduation came faster than we ever thought it would. Now all we have are the memories that will stay dear to us in years to come. Remember to keep smiling. Live life for today because tomorrow may never come. Good luck in all your endeavors.

Sophomore Semi-Formal

The Sophomore Semi - formal took place on June 1, 1990 at Anthony's in Somerville. Dinner, dancing, and socializing were the events of the evening. Dressed to impress, girls looked dazzling in their dresses, boys looked handsome in their suits. After the Semi, many looked forward to the Junior Prom. This night would forever be remembered by the many photographs taken. We danced and partied all night- until it was time to go. Our song of the night was "Always and Forever." And this was definitely an occasion to be remembered *Always and Forever*.

Junior Marshals and Ushers

JUNIOR MARSHALS AND USHERS

Being selected to be a Junior Marshal or Usher is an honor. You have to write an essay, send in a copy of your grades, and three teacher recommendations are needed. This selection was made by Mrs. Parsons and Ms. Trainor. The marshals and ushers represented the Junior Class and helped in preparation of Class Day and Graduation for the Class of 1991.

We will never forget the good times that we've had - girls picking out their gowns, boys deciding on their tuxes. Our minds were saying "Next year it will be our turn to graduate-and the Junior Class will be helping us out." Graduation day is something we will never forget. Let's hope that the sun will shine on our day.

Junior Prom

A glamorous gala of eventful fun marked the Junior Class Prom which took place on May 10, 1991 at the Montvale Plaza. Prince Charmings escorted their Cinderellas from their limousines onto the red carpet, as couples made their grand entrance. Compliments were exchanged as rhinestones glistened in the mature atmosphere of memories in the making. Upon entering, students were directed to the picture area, where they were greeted by friendly photographers. After modeling their formal wear, couples proceeded to the function room where each table was adorned with a blue star foil balloon and glistening confetti, which served as the centerpieces. Beside each place setting were gifts for the Junior Class members, consisting of a key chain and picture frame, both labeled with the prom song, "Always and Forever", small, yet precious keepsakes.

A punch bowl served as refreshments in the center of the dance floor, as students gathered around to mingle and flash lifetime memories. Following the exchange of greetings was a relaxing sitdown breast of chicken dinner, followed by ice-cream cake desert.

Soon after the warm up was over, it was time to party! Students kicked off their shoes and showed off their slick dance moves. They were getting down with the rythm of the rap as DJs Victor Ortiz and Tommy Griffin pumped up the heat. DJs pleased all with the varying types of songs played.

As the crowd began to break loose, competition became an option. There was the hula-hoop contest and musical chairs. Classmates eagerly cheered on those participating as the participants gave it their all.

Soon, all grew quiet as couples seated themselves at their tables to await the choosing of King and Queen. Junior Class President Jessica Jordan took her stand by the DJs. Members of the court were called: Lisa Pizziferri, Rob Pizzi, Derek DeRusso, and Leigh Thimouth. As momentum grew, Jessica chose names out of two hats, girls/boys. Christopher Manni was crowned King and April Champoli crowned queen.

As the clock neared midnight, limos were soon to turn banks and couples penniless. The prom was over, but the memories would never end.

(upper right) Anyone for the party train? (middle) A night that we will always remember. (bottom) Medford's own Rockettes.

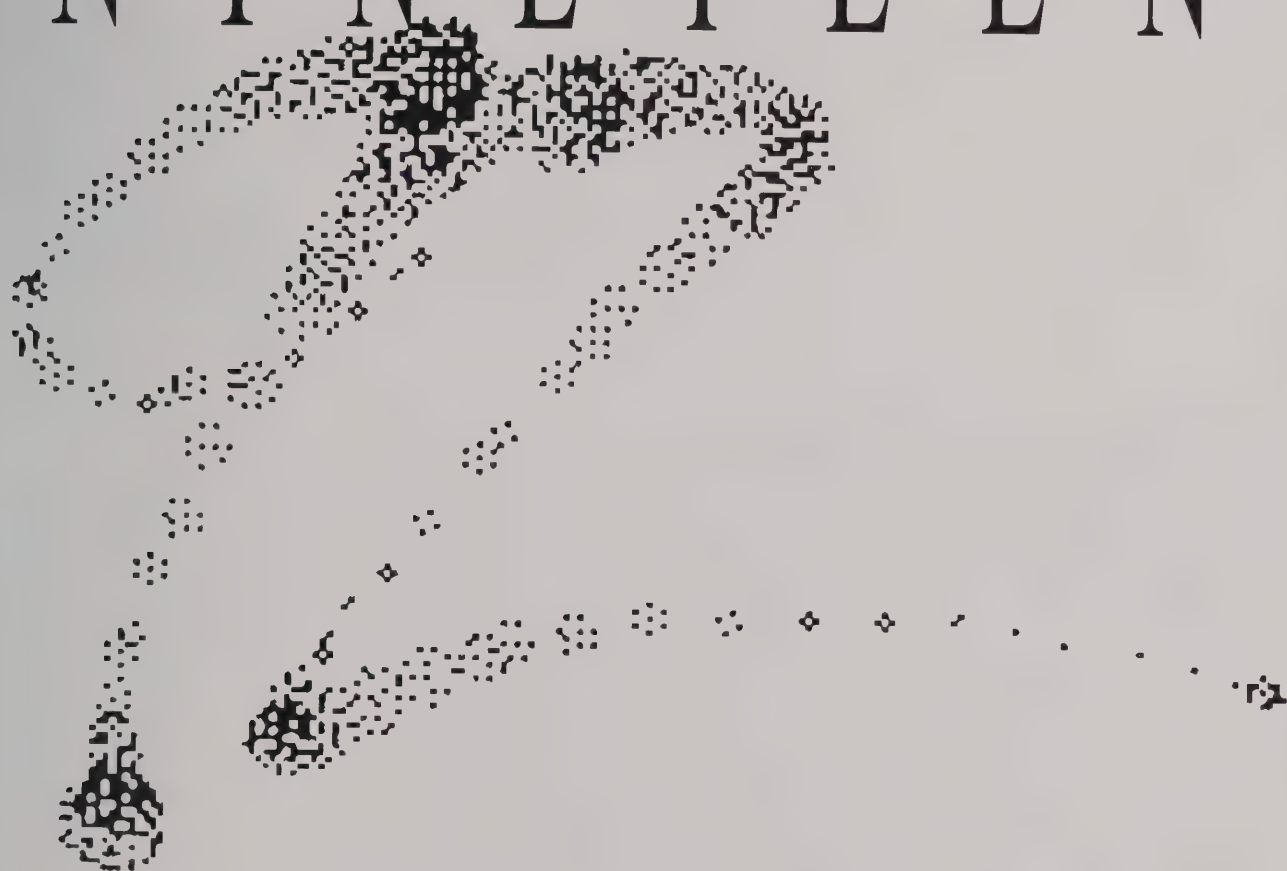

Extra-curricula activities play an important role at MHS. Not only do they allow students to enhance their outside talents but they also allow students to interact socially as opposed to academically.

Whether the activity is basketball, Peerleaders, Math Team or the Mustang News, students are able to experience the pleasure of winning, the pain of losing, the importance of dedication, and the great feeling of being part of a team. These are experiences that cannot be acquired through the academic aspects of school alone.

When the class of 1992 reflects on their high school career, they will undoubtedly remember the activities they were involved in and all the great times they had because of them.

TO ANTHONY...

When you left us behind
we all felt sorrow and fear and
most of us in our sorrow shed a tear.
Your smiling face will be remembered
by all and in our minds the sound
of your voice will stand tall.
Anthony, our love for you will
always shine bright
We only wish you could be here
to make our hearts light
To keep our memories of you alive
and strong we will always think of you
when we hear this song.
It is truly "So Hard To Say Goodbye"

The production of the 1992 BLUE & WHITE proved to be a challenge to both editors and staff. Many of us had to learn to make hard choices as to where to make our personal commitments. However, those of us who survived had a real learning experience.

The Advertising Staff and their hard work enabled us to generate enough funds to set the scope of the BLUE & WHITE. The Photography Staff with all their photos provided the focus for the Writing Staff's sharp copy. Finally, the Layout Staff completed the production by coordinating the format with the theme of the book. Even though we argued, fought, and had many differences of opinion - the job got done.
