

Parent Workshop: Understanding the Dangers of Alcohol

**Join us for an informative workshop
aimed at empowering parents!**

What You'll Learn:

- The effects of alcohol on developing brains
- Warning signs of alcohol use in teens
- Communication strategies for discussing alcohol
- Resources for support and prevention

 **Who Should Attend:** All parents, guardians, and caregivers of middle and high school students.

 **Why It Matters:** Alcohol can have serious consequences on health, academics, and relationships. Equip yourself with the knowledge to help your child make informed choices!

**Together, let's create a safer
environment for our youth!**
