

Community Consolidated School District 15

Our Mission

The mission of Community Consolidated School District 15 is:

“By leveraging strengths and providing high-quality support, we will honor our diverse learners in reaching their full potential.”

Producing world-class learners in today’s complex and fast-paced world is the single most important responsibility of the District. Schools, teachers, administrators, and support staff work together to ensure that all students enrolled in District 15 schools receive the highest quality of educational opportunities that will not only enable them to meet or exceed state standards, but also will position them for success in future educational and career endeavors.

Community Consolidated School District 15 is the second largest elementary district in Illinois with an enrollment of more than 11,370 pre-K through eighth-grade students, serving a diverse population in all or part of seven northwest suburban communities: Palatine, Rolling Meadows, Hoffman Estates, Inverness, South Barrington, Arlington Heights, and Schaumburg. District 15 has 14 elementary schools, 5 middle schools, and one preschool early childhood center and alternative public day school. For more information, please visit the District’s website, <https://www.ccsd15.net>.

Freedom of Information Act

In compliance with State Law (5 ILCS 140/4), each school district is required to post specific information regarding the school district as part of FOIA (Freedom of Information Act) requirements on its website. If the information you are seeking is not found on the district website (www.ccsd15.net), you may request inspection and/or copies of existing documents using the Request for Examination and/or Copies of Public Records Pursuant to the Freedom of Information Act form (this form is provided for your convenience to help expedite the search process—its use is not required, however, all requests must be made in writing). The form is available at **Community Consolidated School District 15, Joseph M. Kiszka Educational Service Center, 580 N. 1st Bank Dr., Palatine, IL 60067**, or it can be downloaded from the website, www.ccsd15.net/FOIA. Requests should be submitted to Jamie Wieckiewicz, D15 FOIA Officer. Requests may also be emailed to: FOIA@ccsd15.net.

When a written request for information is received, the district must comply within five working days. Under certain circumstances the response time may be extended for up to five additional working days. If this happens, you will be notified by letter at the end of the first five days specifying the reason for the delay.

The fundamental right guaranteed by the Act is the right of inspection. While you may obtain copies of records requests, you are not required to purchase copies of records in order to gain access to them. When copies are requested, a public body may charge fees reasonably calculated to reimburse it for the actual cost of reproducing and certifying public records.

Questions concerning requests may be directed to Jamie Wieckiewicz, D15 FOIA Officer, at wieckiej@ccsd15.net. Additional information about FOIA requests can be found on the website, www.ccsd15.net/FOIA.
