Hunger Games Collection Underway

The Delaware County Fight Against Hunger Games Thanksgiving Meal program started in 2015 with just a few donations and a few meals. In 2023, the program provided more than 500 Thanksgiving Meal Kits to Delaware County residents. This year the goal is 650 meal kits.

Buckeye Valley is asking each school to collect items for the meal kits. The district has been challenged to collect the following items that will be used to assemble Thanksgiving meal kits for local families.

BVHS and BV West: 1600 cans of carrots

BV East and BVMS: 1600 cans of peas

Donations will be accepted at any of the district's buildings until **November 18th**. Help us do our part to support families in our community by donating today!

If a haunted trail is more to your liking - then be sure to come check out the Haunted Trail sponsored by the BVHS Student Council from 7 pm - 9 pm. The trail is located in the woods near the south side of the high school across from the entrance to the music room. It is sure to be a frightening experience!

BVHS Career Day Success

Professionals from more than 20 Central Ohio businesses attended the Buckeye Valley High School Career Day held last Friday at the high school. Career Day allowed students to learn more about the company/organization, get an overview of the specific job, and hear about the skills needed to succeed in the industry. Representatives shared their personal pathways and career journeys and highlighted their day-to-day responsibilities and required certifications. Students were encouraged to ask questions in hopes of sparking their own specific interests. Brian Orrenmaa, Chief of Academic Achievement stated, "Buckeye Valley was pleased to welcome so many of our community partners to BVHS to share about their careers/businesses during career day.

Activities such as this help support our goal of exposing students to the multiple pathways to earning a successful income post-graduation. Whether a student chooses to become employed, enroll, enlist, or become an entrepreneur we are here to support them."

Throughout the Career Day event, students could rotate to 3 different career sessions. Principal Zach Riggs said "It was encouraging to see our students considering life after high school. They actively engaged with a variety of employers from Central Ohio who presented. One student, interested in apprenticeship opportunities, even brought a resume and introduced themselves to a company that matched their interests. It was a great day at Buckeye Valley High School."

Special thanks to the Businesses that attended Career Day, which included: AEP-Ohio, Aveda Institute Columbus, CrossCountry Mortgage, Delaware County Sheriff's Office; Delaware Police Department; Elford, Inc.; Emergency Plumbing Heating & Air; Honda; Ohio Living Sarah Moore- Nursing; Ohio Living Sarah Moore- Administrative; Ohio Living Sarah Moore- Culinary; Ohio State University Medical Center- Clinical Research; Ohio Health-
