CLASS ADVISORS

For their untiring efforts on behalf of the Class of 1980, we extend our sincere thanks to our class advisors, Miss Elinore Coucouvitis, Mr. Alan Levy, and Mr. Arthur M. Hayes. They have provided the encouragements, the enthusiasms, and the directions by which we have been able to fuse our separate identities into a unified Class of 1980. They have given abundantly in their attempts to provide the class with many enjoyable and memorable activities during its four years at Medford High School. For their dedicated service to the Class of 1980, we express our gratitude and appreciation to our class advisors — concerned and enthusiastic advisors, teachers, and helpers.

WITH OUR APPRECIATION

Submaster: Richard Fusco

Asst. Submaster: Stephen Mascoll

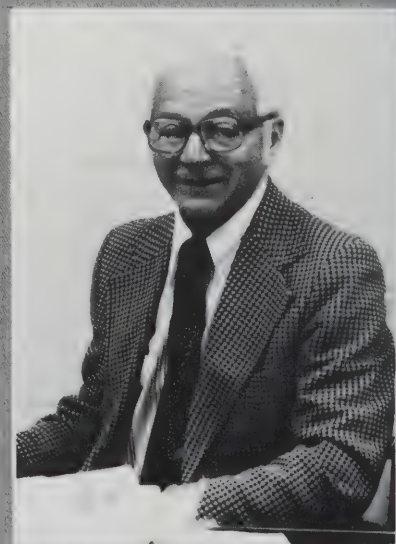

Secretary: Joan Connors (Mrs.)

The day to day administration of a single high school class is certainly a very demanding duty — sometimes rewarding, sometimes not — but always necessary. The class of 1980 is very fortunate to have had its four year period at M.H.S. administered by Mr. Richard D. Fusco and Mr. Stephen A. Mascoll. Demanding but understanding, firm but tolerant, decisive yet patient — asking, sometimes demanding, that we but exercise our own resources to become as independent and responsible individuals as we could be — these were predictable qualities one could expect to meet when he crossed our submasters' threshold. For all of these efforts we thank them. In addition, we would also like to extend our thanks to Mrs. Joan Connors, whose courtesy, friendliness, and help were always present to any student who had business to be resolved in "the corner office — third floor — C building."

WITH OUR GRATITUDE

The Class of 1980 wishes to express its sincere appreciation and gratitude to Mr. Alfred P. Pompeo for his contributions to senior class functions. It was through his kindness and generosity that functions of the Senior Class were made possible and, better yet, so enjoyable. It is because of this and more that we thank Mr. Pompeo for helping to make our senior year so memorable.

Alfred P. Pompeo

DEDICATION

For the first time in many, many years, the Medford High School yearbook does not contain a message from the Headmaster to the graduating class. In its place the Editors of the 1980 *Blue and White* are reversing the usual procedure in dedicating the 1980 *Blue and White* to Headmaster William A. McCormack. And, in so doing, we beg permission from Mr. McCormack in using some of his own thoughts and expressions in helping us to express our own.

In the 1970 *Blue and White* Mr. McCormack, in his message to the last graduating class of the "old" Medford High School — the last class to labor under the burden of "double sessions" — wrote:

"Whatever individual problems you may have encountered in these far less than normal circumstances were more than out-weighed by your outstanding commendable Class effort, attitude, and cooperation. Far more important, in my humble opinion, was that you met your problems, however insurmountable they may have seemed to each of you at any time during your three years of enrollment, resolutely and with a dignity and maturity beyond your years, and you did so without simpering complaint, without viable protest, and without apology!"

Certainly you have reassured me in the choice of my career, and you have proved conclusively that there can be little wonder why I have always loved the young!"

Ironically, this message to the Class of 1970 serves equally well as a fitting capsule summary to the career of a man who this year ends 40 years of service to the Medford educational community — abundant qualities of effort . . . attitude . . . cooperation . . . resolution . . . dignity . . . wisdom . . . without complaint . . . without protest . . . without apology . . . and always with a sincere love of the young.

After graduating from Boston College in 1939, Mr. McCormack first served in the Medford Public Schools as a teacher of English at the Roberts Junior High School starting in 1940. He remained at the Roberts until 1949. At that time he was appointed, at the very young age of thirty-three, Principal of the Lincoln Junior High School in South Medford. In 1959 he was appointed Headmaster at Medford High School.

In the middle of his tenure at the "old" Medford High School, a terrible fire on the evening of November 1, 1965, engulfed the school, destroying nearly half of the existing educational facilities. Nevertheless, classes were resumed two weeks later on a double-session basis and continued until the completion of our present high school in 1970. The efforts to restore the "old" school on a smoothly functional basis were directed by Mr. McCormack and proved eminently successful — so successful, in fact, as to serve as a monument to the dedication and ability of the administration at Medford High School. In the 1968 *Blue and White* Mr. McCormack summed it up well in his message to the graduates of that year, the first class to finish its three years under the double-session scheduling:

"Yes, you who have known only a fire-ravaged high school have shown the way for those who would doubt youth. You excelled when pessimists predicted failure; you were united when critics predicted dissension; and you assumed greater responsibility for student citizenship and leadership when cynics predicted disorder and delinquency.

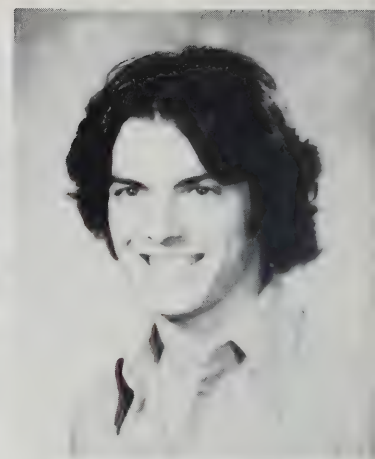

You took "advantage" of "disadvantage" by taking out the "d" some thought meant "doomed" to use for "determination," by taking out the "i" some thought meant "impossible" to use for "inspiration," and by taking out the "s" some thought meant "sink" to use for "supplication."

Somehow or other, it seems to me, the greatest persons I have known or read about always found prayer an inspiration for determination."

The decade of the seventies saw the opening of the "new" Medford High School, an eight building complex housing four classes, and with it many new educational concepts such as the open classroom, the establishment of a student union, the early release of senior students, the involvement with the Lawrence Memorial Hospital, the off-campus projects, the growth of alternative educational programs, the expansion of work-study, and the opening up of membership for girls in hitherto male extra-curricular activities. The resulting conflicts and problems that seem to be the natural consequence of such new steps made the administration of such a large and changing school much more complex and demanding. That Mr. McCormack was able to achieve the continuity between the "old" and the "new" has been seen in the educational development and growth of the school in the past decade. As he wrote for the 1971 *Blue and White*:

"What I am suggesting is that there is much of the old that is always good and should be valued for what it is and not just because it is old. There is also much which is good about the new, and values should be equated for that which is new that is good. Simply, then, there is no real gap between the old and the new, whether it be in physical facilities or in moral standards and philosophy. The continuity is here as it has always been since the dawn of civilization."

And so, for his immeasurable contributions to the Medford educational community in general and to Medford High School in particular, we, the editors of the 1980 *Blue and White*, proudly dedicate this yearbook to our retiring Headmaster, William A. McCormack. We wish him well in his retirement years, and we say with absolute conviction that if the future is as kind to him as he has been kind to the youth of Medford, then his future will be abundant, fruitful, healthful, and happy.

Under first-year Coach Pamela Worth, the M.H.S. Field Hockey team managed 3 wins and 3 ties in its G.B.L. season for a fourth-place league finish, a definite upswing in recent M.H.S.'s field hockey fortunes. Led by Co-Capt. Maureen Grealy and Karen Stokes, the team played a spirited, very competitive game all season long. Co-Capt. Stokes proved the team's high scorer while outstanding contributions to the team's fortunes were made by Susan Salipante, Michelle Heywood, and Pauline Fiorello. Congratulations to the team and its coaches — may the M.H.S. field hockey program continue its improvement in making M.H.S. a truly competitive force in G.B.L. field hockey competition.

Led by Co-Capt. Carla Monaco and Peggy Drane, the M.H.S. Girls' Swim team finished with 5 wins in its 11 meets. With a basically inexperienced squad, Coach Julie Doherty's swimmers did produce four school-record holders during its season: Marybeth Arena — 200 individual medley and 100 butterfly; Kathy Leahy — 100 freestyle; Maureen Stickney — 100 backstroke; and Carol Parrella — 100 breaststroke. All four of the above girls were named to the League All-Star team.

With all of its record-holders returning next season, M.H.S. hopes for its girls' swimming program look quite promising, to say the least.

Co-Capt. Bob Reed
 Coach Joe Barletta
 Co-Capt. Charlie Pagliarulo

Under first-year Head Coach Joseph Barletta, the soccermen of M.H.S. captained by Charlie Pagliarulo and Bob Reed, lost only once in its fourteen league contests en route to a co-championship in the G.B.L. Losing only to Co-Champ Somerville by a 2-1 score, the Mustangs played a very sound game at both ends of the field all season long: they outscored their opposition 43-11 while providing more than adequate protection for goalie Steve Camiel to fashion an outstanding 0.78 goals against average, including seven shutouts. Offensively, the team was led by the scoring of Layn St. Louis with 11 goals and 7 assists, Charlie Pagliarulo with 13 goals and 2 assists, and Paul Kurker with 6 goals and 4 assists. Picked for G.B.L. All-Star spots were Carl Eberth, Brian Chandler, Camiel, Pagliarulo, and St. Louis.

Some highlights of the season were: the awesome first-half season performance in which the Mustangs scored 23 goals against only 4 for its opponents — including a 3-0 win over eventual Co-Champ Somerville: the feeling of frustration following a 3-3 tie with Arlington, seemingly losing the opportunity to tie for the championship — only to find that Somerville had also tied on the same day; and the season-ending victory over Malden, 4-1, thus insuring a tie for the top.

Its tourney aspirations high, the Mustangs met a very game Belmont team in its tourney opener. In one of the most memorable and dramatic games ever played by a M.H.S. soccer squad, Medford's Edgerly Field, rimmed by an overflow crowd of 1000 screaming fans, played host to an epic 97 minute contest which included 2 regular overtime periods and almost 3 complete sudden-death periods — a contest finally ended by a disputed successful penalty kick called against the Mustangs resulting in a 2-1 loss. Despite the heart-breaking loss, every M.H.S. fan at this game came away with the realization that he had witnessed a truly exceptional — even unforgettable — high school soccer game.

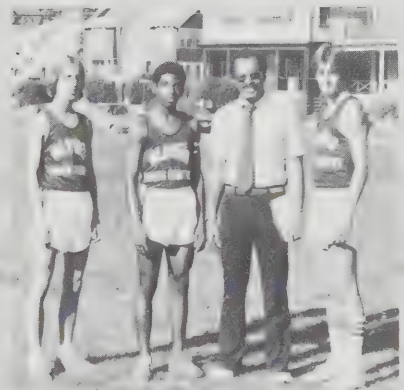

Congratulations to Coaches Barletta and Skerry, Co-Capts. Pagliarulo and Reed, and every member of the 1979 Mustang soccer squad on a truly memorable season of outstanding accomplishment in keeping with the tradition of continued M.H.S. excellence on the soccer field.

Led by Tri-Capt. Bob Amirault, Gary Alleyne, and Mark Comfort, the cross-country team finished a good year of G.B.L. competition with 6 wins in 8 meets, ending up third in the league. The team started very strongly, with 4 straight wins, but then was just nipped by a strong Haverhill squad before dropping its finale to League Champion Revere.

The team placed 2 members on the G.B.L. All-Star unit: Mark Comfort (new record holder against Somerville) and John Coughlin. Consistently good performances were given by Gary Alleyne, Mark Monaco, and Al McKenzie. Congratulations to Coach Mascoll and his successful team of dedicated cross-country runners.

Greater Boston League Champions

For the second successive season, the Mustang football opener against Woburn would produce the Eastern Mass. Div. I Super Bowl Champion; but this year's colors were not Blue and White. This rugged, defensive game was decided on a Tanner touchdown in the third period, and the Mustangs went down to defeat, 8-0. This disappointing loss posed a crucial question: Would the Mustangs have the character to come back?

Suburban League foe Newton provided a quick answer. Behind the prolific running of Rick Veneziano and Craig Martorana supplemented by two Mike Caraviello to Brian Connors T.D. "bombs" and with the inspired, determined, offensive line play of Walter Donovan, Rick Smith, Ennio Cataldo, Walt Campbell, Rich Baker, Joe Bassi, and Kenny Walton, the answer was resoundingly yes! Final, 24-21.

The Mustangs started their G.B.L. campaign with successive wins over Chelsea, Somerville, Haverhill, and Revere. Highlights of these wins included: great team defensive play producing three shutouts — and shutting down a Somerville offense in the second half after the Highlanders had taken a first-half 7-0 lead; the relentless ground game featuring the Rick and Craig show — between them, in these four games alone, they combined for over 850 yards on the ground and 10 touchdowns.

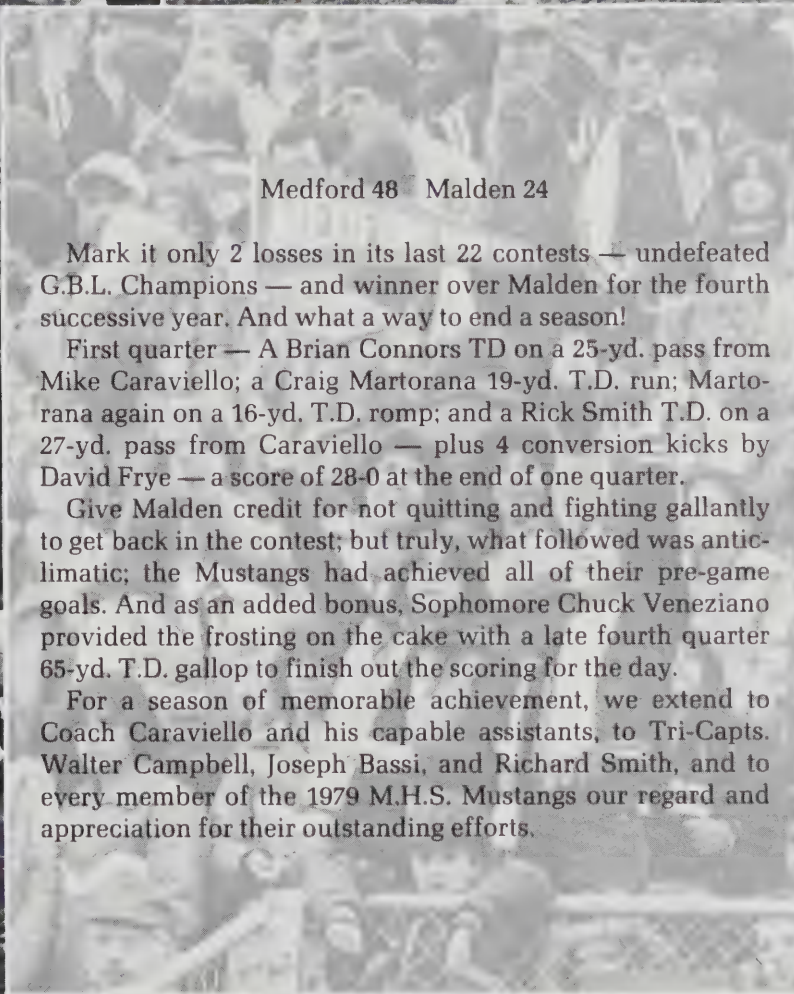

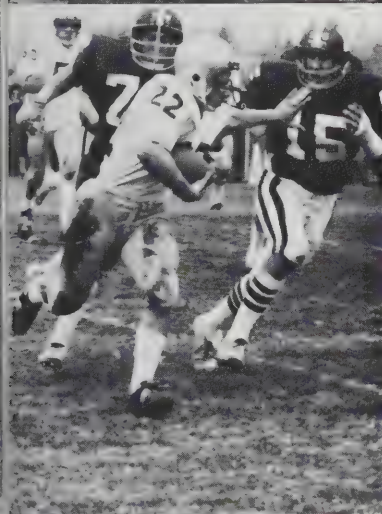

The big game of the G.B.L. season took place between the undefeated titans of the league — the Mustangs versus the Tanners of Peabody at the Tanners' home field. The game lived up to its billing: it produced all the elements of a high school football classic with the Mustangs emerging victorious 14-7. Trailing 7-0 at the half, the Blue and White roared back with two second-half Martorana touchdowns and an aggressive Medford defense (holding Peabody's highly touted runningback to just 38 yds. on 16 carries) — Bassi's QB sack and Buldini's interception were key defensive gems.

Martorana made sure there would be no letdown against Everett with an 85 yd. T.D. return of the opening kickoff to key the Mustangs' 21-6 conquest of the Crimson Tide. Then followed a 17-6 win over Arlington with Veneziano-Martorana combining for 350 yds. of offense and with Caraviello throwing to Smith for a 25 yd. T.D. completion.

The team now looked forward to Thanksgiving morning and its traditional meeting with arch rival Malden as a means of accomplishing the following goals: a second successive undefeated season as G.B.L. Champs; a fourth successive win over Malden; the desire of this group of Mustang seniors to extend a streak that has seen them taste defeat only twice in their last twenty-one contests and a thirst to extend this feat to twenty-two.

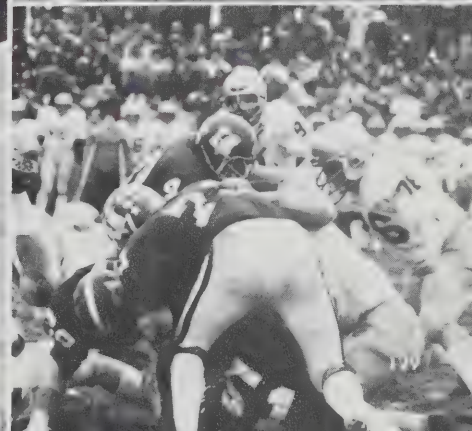

Medford 48 Malden 24

Mark it only 2 losses in its last 22 contests — undefeated G.B.L. Champions — and winner over Malden for the fourth successive year. And what a way to end a season!

First quarter — A Brian Connors TD on a 25-yd. pass from Mike Caraviello; a Craig Martorana 19-yd. T.D. run; Martorana again on a 16-yd. T.D. romp; and a Rick Smith T.D. on a 27-yd. pass from Caraviello — plus 4 conversion kicks by David Frye — a score of 28-0 at the end of one quarter.

Give Malden credit for not quitting and fighting gallantly to get back in the contest; but truly, what followed was anticlimatic; the Mustangs had achieved all of their pre-game goals. And as an added bonus, Sophomore Chuck Veneziano provided the frosting on the cake with a late fourth quarter 65-yd. T.D. gallop to finish out the scoring for the day.

For a season of memorable achievement, we extend to Coach Caraviello and his capable assistants, to Tri-Capts. Walter Campbell, Joseph Bassi, and Richard Smith, and to every member of the 1979 M.H.S. Mustangs our regard and appreciation for their outstanding efforts.

With only one loss in its eight dual meets, the M.H.S. Boys' Swim team finished its most successful season in seven years. The team received consistently strong performances from seniors Co-Capt. Steve Melanson — backstroke, Jim Bernard — sprint freestyle, Joe Dillon — distance freestyle, and from Co-Capt. Dan Pallotta — the team's "omnibus-man" with the highest number of career points in M.H.S. swimming annals. A basically very young team, this team met challenges very well and could carry the upsurge in M.H.S. swimming fortunes over to next season.

By winning six of its twelve meets, the Mustang wrestlers completed a successful season under first-year coach Tim Sweet. The Mustang squad was led by Tri-Captains Tom Mellino, Scott Richmond, and Dave Wyatt. Outstanding individual performances were provided by Mellino (7 wins in 8 matches — 128 lbs.), Wyatt (8 wins and 1 draw in 11 matches — 157 lbs.), Al Lanzillo (8 wins in 10 matches — 169 lbs.), Matt Granahan (9 wins in 12 matches — 140 lbs.), and Bill Medieros (6 wins in 10 matches — heavyweight). The most satisfying win of the season came in late January when, after dropping its first meet to Malden by a 51-15 score, the team came back to defeat its arch-enemy 34-24, the first M.H.S. wrestling win ever over Malden. Congratulations to Coach Sweet and his determined squad of wrestlers who have definitely turned the M.H.S. wrestling program in the right direction.

The Mustang hoopsters managed a first-division G.B.L. finish in fourth place on nine wins in its sixteen league contests. Among its eleven defeats (7 league and 4 non-league) were seven contests decided by five or fewer points. Obviously, this team was in every one of its ballgames in this season of "Oh-what-might-have-been."

Captained by Layn St. Louis and Dom Catino, the team was led in scoring by Catino (17.8 p.p.g. — second in G.B.L.), Bill Honeycutt, and Mike Caraviello. The rebounding was handled by Catino, Walt Donovan, and Steve Albanese with the play-making divided among St. Louis, Caraviello, and Joe Rocco.

Memorable moments during the season included: double wins over arch-rival Malden, 56-53 (keyed by 15 points each from Catino and Honeycutt) and 62-55 (Catino-20, Caraviello-15, and Honeycutt-14); the offensive surge over Revere, 80-62, with 19, 16, and 14 point efforts by Catino, Joe Rocco, and Honeycutt, respectively; the courageous comeback against Peabody when, after being down 34-17 at halftime, the team battled back furiously, led by Catino's 32 and Honeycutt's 12, and scored 43 second-half points, only to fall short, 65-60; the 67-59 win over Everett in the best-balanced display of the year — Catino (19), Caraviello (10), Donovan (11), Regan (10), and Rocco (10); and the squeaker over Arlington, 61-60, led by Caraviello's 17 points. Perhaps the most rewarding triumph of the season came in the seasonal finale; needing a win to insure a winning G.B.L. season, the Mustangs — led by Catino's 28 and Donovan's 13 — toppled the Spy Ponders, 78-72.

Congratulations to Coach Bud Kelley and his squad on their winning season and for providing Mustang hoop followers with so many exciting moments in the 1979-1980 M.H.S. basketball season.

This past season was unique for the M.H.S. Girls' Track team because it was the first time that the girls ever competed as a team in an indoor league. The North Shore Girls' Track League proved to be very competitive one for the Mustangs and, although the record doesn't indicate it, the team had many pleasant surprises. Successful competitors for the Mustangs throughout the year were Deanna Tyler in the high jump and hurdles and Ruth Soper in the 300 yd. dash. The team was entirely composed of underclass members and looks forward to a more successful season in 1980.

Despite the presence of the G.B.L. scoring leader in Cheryl O'Connor (19.8 p.p.g.) the Mustangs suffered through a disappointing G.B.L. season with only 5 wins in 16 contests. The team was a luckless quintet which was plagued by injuries and inconsistencies all season long. Undoubtedly, the team leader was Co-Capt. Cheryl O'Connor, its top scorer and rebounder, who was aided especially on the boards, by Co-Capt. Cheryl Crawford. Prominent contributions were made by the solid defense and floor game of Rae Somerville, the scoring of Jay Ghiloni, and the all-around play of Lorraine Harris and Kathy Kountze. Moments to be remembered included: the blow-out of Chelsea featured by the 22 points, 13 rebounds, and 3 assists by O'Connor, 18 points by Ghiloni, the board work of Crawford, and the defense and floor game of Somerville; the win over Somerville, 41-30, spearheaded by O'Connor's 18 points and 20 rebounds and the floor direction plus 12 points of point-guard Harris; and the exciting comeback against Revere when, trailing by 10 with 2½ minutes to go, the Mustangs rallied with 2 steals and 2 hoops by O'Connor, 2 foul shots by Kountze, and Crawford's 3 point play — only to fall short by a 40-39 score. This heart-breaking loss was typical of the hard-luck Mustangs this season. Best wishes to this year's Mustang team and may good fortune be a little kinder to next year's basketball squad.

The M.H.S. Girls' Gymnastics squad under first-year Coach Donna O'Neil went undefeated in its dual meet season, winning all seven of its contests to become North League Division Champions. Surprisingly, the gymnasts finished seventh in the North District Meet. Outstanding individual performers for the team were Co-Capt. Cheryl Dixon and Roxanne Phillips as well as Joanie Kaplan. Every member of the team gave a whole-hearted effort during the season, not only in the meets but in every practice session. Through dedication and determination the team made the season a great success. Congratulations to Coaches O'Neil and Vara and all of their outstanding gymnasts.

Co-Champion — G.B.L.

Eastern Mass. Tournament
 Medford 2 Don Bosco 8

What words are appropriate to describe the comeback efforts of a hockey team which wins but once in its first seven games and then comes back to lose but once in its next thirteen games — and finished as Co-Champions of the G.B.L.? This, then, in a nutshell was the story of the 1979-1980 Mustang skaters.

After only one win over Arlington (5-1) in its first seven contests, the Mustangs started turning the season around with a 5-3 win over Revere, featuring two goals each by Peter Ramasci and Bob Manfra and fine goal-tending by Steve Doran. A 5-5 tie with Malden was a bitter disappointment to the team as the Golden Tornado tied the game at the 14:55 mark of the third period as the Mustangs played short-handed because of a penalty. Then followed wins over Arlington (5-4) and Peabody (3-2); the latter win was keyed by two goals from Bobby Hayes and one by Rick Veneziano along with thirty-two saves by Doran.

The lowest point in the season came in a loss to Everett, 8-5. In this game, the Mustangs held a 4-3 edge in the third period when everything collapsed. And yet, from this point on, the Mustangs "tightened the belt" and just refused to be beaten the rest of the season.

A 5-3 win over league-leading Somerville started the season-ending surge; three goals by Veneziano, a short-handed score by Ramasci, and a goal and three assists from Hayes led the way. A very satisfying 5-2 win over Everett gave the team a degree of revenge for the earlier third-period collapse; Veneziano and Hayes provided two goals apiece and Phil Carbone provided stellar goal-tending. Two comparatively easy wins over Chelsea and Haverhill followed and set the stage for the G.B.L. showdown — and the league championship — against Somerville.

In an outstanding contest before a capacity crowd at Medford, the teams battled to a 3-3 tie. On goals from Mike Crawford and Jay Porazzo, Medford had a short-lived first period advantage, but Somerville came back to lead 3-2 at the end of the second. Then, as the third period would dawn, Paul Kurker, on assists from Veneziano and Hayes, scored at the 12:05 mark, practically assuring the Mustangs of a league co-championship. The somewhat anti-climactic 7-2 conquest of Chelsea in the seasonal finale granted the Mustangs their coveted goal.

The Mustang squad was led by Tri-Captains Greg Roche (steady, reliable defense), Paul Kurker (versatility and the complete team player), and Rick Veneziano (highest goal-scorer in the G.B.L. with 26 scores and second overall in league scoring). Congratulations to them and every member of the 1979-1980 Mustang hockey team as well as to Coaches Ron Giudice and Gene DiSimone for an unforgettable season of perseverance, determination, and accomplishment.

Despite a series of crippling injuries, the Mustang trackmen finished third in the G.B.L. with 5 wins and a tie in its eight dual meets. Highlights of the season included the very courageous, narrow loss to Haverhill by an injury-depleted squad and the great comeback to tie arch-rival Malden, 43-43. Outstanding individual performers abounded for the Mustang runners this season: Brian Osborne — undefeated G.B.L. 600 yd. Champ, State 600 champ and new state record-holder; dashman Tri-Capt. Craig Martorana-fifth in 50 yd-State Meet; sophomore Neil Osborne — sixth in 600 yd.-State Meet; Tri-Capt. Ken Walton — sixth in shot at State Meet; and the relay team of Brian and Neil Osborne, Mike Tucci, and Brian Connor — third in State Meet.

Congratulations to Coaches Mascoll and English and the 1979-1980 track squad on its successful season.

A singular achievement is to one of the fourteen girls who represent M.H.S. as its cheerleaders. In the spring prior to their senior year they must practice three times a week. Their presence is required at all Mustang varsity contests. Weekly practices are mandatory. They have the responsibility of teaching the cheers and routines to the junior aspirants who will succeed them the next year. Enjoyable, exciting, truly demanding — the senior year for a M.H.S. cheerleader.

POM-POM GIRLS

The Pom-Pom Girls are a second cheering squad who lend the spirit and enthusiasm in the stands at football and hockey games as well as at cross-country meets. They practice at least three days a week, plus all Saturday mornings during football season to perfect their half-time performances. It is certainly an accomplishment and a demanding task to be one of these fourteen girls.

During the 1979-1980 school year, the Medford High School National Honor Society enjoyed great success in all of its functions and activities. Under the direction of its advisor, Bryce Suydam, a new enthusiastic membership participated in various fund-raising events such as bake-sales, flea markets, a newspaper drive, a candy sale, and a bowl-a-thon to benefit the National Honor Society scholarship fund. In addition, the Honor Society served its community as it traveled to Memorial Hospital in Stoneham to bring cheer to its patients on Halloween day, raised money to benefit Globe Santa, and worked to aid the Cambodian Refugee Resettlement Program supplying them with many needed necessities. Socially, the National Honor Society held many gatherings including one of the most entertaining and fascinating Christmas Banquets in Medford High School history. The National Honor Society creed of Scholarship, Leadership, Service and Character best describes the ideals and objectives its members held during the school year and the goals which they sought to accomplish for the high school and community.

STUDENT COUNCIL

The Student Council's main purpose is to serve as the official channel between the student body and serve as its official representatives. They attend bimonthly meetings which are conducted under Robert's Rules of Law and Order. They are leaders who promote respect for law, order, the general welfare of the school and community, and stimulate good school spirit. The activities they initiate are of great value to the students and community. All the money they raise are returned to their peers as they graduate through the Student Council Scholarship fund. Most representatives are hard-working, conscientious, sincere, and dedicated to their purpose to serve you, the students of Medford High School.

The Mustang News has been active this year in fund drives to raise money for their journalism scholarship fund. Pizza to T-shirts have been sold to aid in this project.

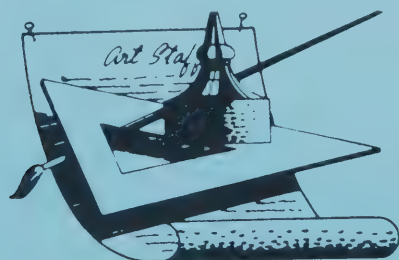

The Mustang News presented their Super Bowl Slide Show to New England High School Delegates at Boston University and have been active in press conferences, at such places as the Boston Globe and Suffolk University.

It is the goal of the Mustang News to report on all class and club activities at Medford High School. The newspaper is open to all students attending M.H.S.

The Science Club performs numerous activities during the school year for the students of Medford High School who wish to see scientific principles applied to everyday functions. Guest speakers, films, and field trips have satisfied members' curiosity about such topics as LNG and solar energy. Scientific demonstrations also give important information on current points of interest. The club also helps organize and participates in the annual science fair, which features club, group, and individual projects. Winners go on to the regional and state science fairs. Most of all, Science Club members use their intelligence and resources to help enrich the appreciation and application of science in the lives of other students.

DECA (Distributive Education Clubs of America), is the only national club program affiliated with Distributive Education. DECA is designed to develop future leaders for marketing and distribution. Individuals participating in DECA are eligible to compete in local, state, and national DECA competitions. This year the District DECA conference was held at the Chateau D'Ville in Framingham. Eight club members were winners and will attend the state conference to be held at Dunfey's in Hyannis on March 31, April 1, and 2. Any winners at the state level will then be eligible to go to the National Competition which will be held in Orlando, Fla. at the end of June. Other activities the club is involved in are a spring fund raiser and also in the spring, a breakfast for their employers.

ITALIAN CLUB

The purpose of the Italian Club is to further the understanding of the Italian people, their culture, and their civilization, and to appreciate their contribution to our civilization. This year the club initiated many activities. It toured an Italian Palazzo in Boston; it feasted on Italian delicacies for Christmas; it made its own pizza in the M.H.S. cooking facilities; it entertained children at the "Home for Italian Children" and it ended the year with a "Bachetto" where it honored its graduating members.

Originally conceived as a means of teaching the manly art of self-defense, this unique boxing program was developed five years ago by M.H.S. security guard Ted Minicieri. In its short existence it has provided a healthful outlet for over 200 M.H.S. young men interested in the techniques and applicable skills of boxing. Completely subsidized by the boys themselves, the club meets four times weekly. Its sessions are open to any interested boys of high school age.
